1 Day in early spring of year
 2 When homes are cleaned both for and
 3 Maidens met, their looks would say
 4 That one was graver the other gay
 5 We've said one, I've worked to clean
 6 The master's house, where I have been
 7 kinds of horrid cleaning stuff
 8 I've used and still I've not enough
 9 hour each day on wall and floor
 10 I've worked, until I'm sick and sore

6 years of service I've seen Kate
 The other maiden then did state
 7 days each week in all that time
 I've used but one to clean and shine
 8 other girls, too, I know
 9 Use nothing but SAPOLIO
 10 cakes of which one year does me
 Although I use it very free
 10 times the labor you'll save
 And you'll look gay instead of grave

Z is the Zenith where SAPOLIO stands Sending gladness and light to all peoples and lands

WHAT IS SAPOLIO? It is a solid, handsome cake of scouring soap, which has no equal for all scouring purposes except the laundry. To use it is to value it. What will Sapolio do? Why, it will clean paint, make oil cloths bright and give the floors, tables and shelves a new appearance. It will take the grease off the dishes and off the pots and pans. You can scour the knives and forks with it, and make the tin things shine brightly. The wash-basin, the bath tub, even the greasy kitchen sink will be as clean as a new pin if you use Sapolio. One cake will prove all we say. Be a clever little housekeeper and try it. Beware of imitations. There is but one Sapolio.

REAL ECONOMY. It is worse than nonsense to buy a cheap article with which to damage valuable property. Scouring soap is at best only a trifling expense, but with a poor and cheap article it is likely to do considerable damage to fine marble or other property. For many years Sapolio has stood as the finest and best article of this kind in the world. It knows no equal and, although it costs a trifle more, its durability makes it outlast two cakes of cheap makes. It is therefore the cheapest in the end. Any grocer will supply it at a reasonable price.
