FORTY-FOURTH YEAR.

CLEVELAND SHELVED.

A Deal Consummated Whereby the Ex-President is Given the Go-By.

WHITNEY THE COMING MAN

And Cal Brice for Second Place if He Isn't a Senator.

THE POLITICAL POT IS SIMMERING.

Machine Demoralized, Led by Senator Gorman, West Another Leader Next Time—A Deal, and How it Worked—Ohio Republicans Renounce the Size of the Tank Ahead of Them—Why Blaine Insulted Roosevelt G. Horn—No Room for Any More—Machon's Dickerings for the Colored Republican of the Old Demand a Revolt and Will Not Be the Little Dictator Perpetual in Running for Governor.

It is claimed in New York that a deal has been made by machine Democratic leaders whereby ex-President Cleveland is to be thrown overboard in favor of ex-Secretary of the Navy Whitney for the Presidential nomination in 1902, and that if Colonel Brice fails to be elected to succeed Senator Payne, he is to be the Vice Presidential candidate. Secretary Rank is shouting for Harrison's second term. Quay is horse hunting in Washington. Mahone is dickering for the Federal patronage of his State.

A NEW OHIO IDEA.

Franker to be Supported for His Own Sake and for 1902—The National Administration in the Hands of a Colored Ex-Officio Holder.

WASHINGTON, July 16.—The Ohio Republican Association, that was recently reorganized here, had a called meeting this evening at the Hotel Hamilton. The meeting was called to order by the Hon. J. W. Harrison, who was the only one of the speakers who was not a member of the association. He made a short speech, endorsing mildly the work of the State Convention, and strongly endorsing the administration of President Harrison.

WHY HORR IS MAD.

He Flings Back in Blaine's Face the Professed Counselship—His Loyalty to General Alger Causes.

WASHINGTON, July 16.—Ex-Congressman Rowell G. Horr, of Michigan, recently appointed Consul to Valparaiso, flung the bonnet in the face of the administration, and says it is an insult to offer him such a paltry place. It is understood that Mr. Horr has written a letter to the President in which he explains, in his characteristic style, why he cannot accept a consulship at \$3,000 per year. This letter has not yet reached Washington, but is expected to-sorrow.

MAHONE'S AMBITION.

The Little W. Ward of Virginia Determined to Run for Governor, to Finance Himself—He Renounces Determined Opposition from the Negroes.

WASHINGTON, July 16.—General Mahone and some of his Virginia followers met General Secretary Quay, and other members of the National Committee here to-morrow for consultation. Mahone is apparently conducting affairs in Virginia with a higher hand than ever. He has now determined to be a candidate for Governor, in order to vindicate himself.

THE FIGHT AGAINST TANNER.

Officials Who Dislike the Corporal Contention to Run for Him.

WASHINGTON, July 16.—Corporal Tanner is still being subjected to the chastisement of the present difficulty would be to-day. Secretary Quay, who is not like him, and it looks very much as if he would finally have to go.

AN APPELLING QUESTION.

Lord Salisbury Sees Future Generations Discussing Ireland—The Colonies.

LONDON, July 16.—Lord Salisbury, in a speech at the Marlborough Hotel, today, said it was appalling to think that years hence their sons and grandsons might still be discussing the Irish problem, with nothing new to say on the subject.

THEY UNDERSTAND EACH OTHER.

Philadelphia, July 16.—General Furlong, who has been in the city since Monday, this evening characterized the statement as absurd that the reduction made by the Lake Shore and Michigan Central in grain tariffs to a 20-cent basis to New York was permanent until the close of navigation.
