was not the duty of Captain Jay Fastz to lower his own manhood by yelling out vulgar and foulsome epithets to the unpire. Aside from the unfortunate scene the game was one of the best that has been played here. The home club was not represented by its strongest nine, but depend upon is they played well. And so did the youngsters from Cleve-land. The two pitchers were the stumbling blocks for each side. Both Gruber and Sowders did well, but the latter had a little the best of it. A large number of the 1,500 people were present to see Sowders, and they saw him pitch and the same. He is a very cunning young man and has any amount of various drives, drops, etc., at command. He need they yesterday to some effect. The Cleveland delegation couldn't rouch him, and as a result only four hits were made off his delivery. He was well supported indiced, both by Miller and the fielders.

was well supported indeed, both by Milier and the fielders. On the other hand, Gruber was sized up at a very lively rate in the fifth inning. It did not seem to be a question of weakening on his part, but it was rather a question of the batters getting their eye on the ball. Gruber is a fine pitcher, and excepting the inning referred to he held the local follows down to two hits. His support was also good.

STARTED TO GET RUNS.

The visitors were the first to score, and although they made but one run in the inning they at one time looked like making several. Gruber at one time looked like making several. Gruber opened the third inning with a two-bagger to left and reached third on a wild pitch. Sow-ders then hit Zimmer with the ball and Stricker knocked out a single to short right field. Gruber scored and left two men on bases with nobody out. McAleer made a sacrifice which sent Zimmer to third, but Stricker was retired at second. McAleer then tried to pilfer second, but Miller's excellent throw and Smith's excel-lent catch ended McAleer's career that finning. Sowders then struck Gilks out and the side

lent acticle anded McAleer's arreer that inning. Sowders then struck Gilks out and the side was retired amid hundreds of sighs of relief. In the eighth, after Gruber was out Zimmer got his base on balls and scored on a double by Stricker. The next two men flew out, however. The fifth inning was the great inning for the local players. Kuehne obened it with a fine single to middle. Smith struck out and Sow-ders flew out to Radford. Things looked blue, but a silver streak was in store. Hanlon loomed up and banged the ball to the left fence for three hazes. Miller followed with a double to left, and Beckley kept up the can-nomade by thumping out another three bagger to middle. Oh, the cheers and yells! Every-lody was jumping and shouting and the Cleve-land representatives were dismayed. Mani went out at first, however, and retired the side. Three earned runs were scored and they were just as goed as a dozen, as they were sufficient to win. Following is the score:

There are likely to be some startling changes in the local team before long. Mr. Paimer O'Neil will be in the city to morrow, and will bring with him some ideas of changes that Manager Phillips deems "first class." It is a fact that the players have been roundly lectured and given to understand that nothing but good ball playing will be tolerated.
