

GO TO DOUBLE DOSE

Hoosiers Win Two Games From the Home Team.

SOME VERY BAD PLAYING.

Young Garfield Was Tried and Found Somewhat Wanting.

GIANTS SHUT THE PHILLIES OUT.

A Remarkable Game Between the Chicago and the Cleveland.

GENERAL BASEBALL NEWS OF THE DAY

Two more games were played by the home club and the Indianapolis team yesterday afternoon, and two more defeats were recorded against the local players.

Chicago and Cleveland clubs played a remarkable 15-inning game. The New Yorks shut out the Phillies.

It is often said that when things get to their worst they mend, and if there is any truth in that old statement we may expect the local baseball club to improve daily from this on.

The old sport really weakened, and the pirates from Hoosierdom took every advantage of the occurrence.

THE OLD SPORT WEAKENED.

The first game was a good one until the sixth and seventh innings, when the visitors let themselves loose and did things all their own way in the twinkling of an eye.

SPECIAL TELEGRAM TO THE DISPATCH.

CLEVELAND, August 2.—After the stinging results of yesterday there was necessarily a lull this afternoon at the finals of the grand circuit meeting.

Several new records were made, and though the event was not so sensational throughout, several new records were made, notable by the paces.

Of those the famous Johnston eclipsed all others by his wonderful mile against time.

It is six years since Johnston paced in 2:06 1/2, and it was not to be expected he could carry his phenomenal speed for a mile as he could then, yet he came as near as possible to that performance without equating it.

The harness record for Cleveland track now stands at 2:06 1/2, which was set by Johnston in 1882.

It was well along in the afternoon when Johnston brought out the gelding for his trial against the watch.

The track was as good as ever and the mud had dried up slightly.

After scoring one Johnston was sent along, and the mud had dried up slightly.

The official time for the mile was 2:06 1/2.

Good luck, the winner, comes from Forest City farm.

The regular card was cleared up except the 2:17 race, which will be finished in the morning.

The meeting is virtually over.

A VERY WILD PITCH.

Minneapolis Wants to Take Pittsburgh's Place in the National League.

Hallicurion in baseball circles must be somewhat boring. The National Association Press dispatch from Minneapolis would seem to be almost the height of absurdity.

It is rumored here to-night that Manager Morton of the Minneapolis Baseball Club has received an offer to go into the National League, and that it is among the probabilities that Minneapolis will take Pittsburgh's place in the parent organization at the opening of the season of 1890.

It is stated that the offer is still under consideration, and that whether the same has been taken, it is also rumored that a gentleman prominent in baseball circles in Minneapolis has expressed his approval of the offer.

The National League has placed its grounds in this city has been the means of attracting unusually large crowds this season, and the attendance has averaged about 4,000.

A special to THE DISPATCH from Minneapolis on the same subject says: "Baseball in this city will secure a new place in the National League team to be placed in this city. With Manager Phillips lying at the point of death, and baseball enthusiasm in Pittsburgh at a low ebb, President Nimick is anxious to pull out. He broached the subject of moving the city about three weeks ago, and Chicago, Spaulding, with Sam Morton and other prominent members of the Minneapolis team, put in a word for Minneapolis, and on his recommendation Manager Morton withdrew his offer."
