

MURDER IS FEARED.

Two Poles Under Arrest at McKeesport Awaiting an Inquest.

A COUNTRYMAN DIES STRANGELY.

Great Interest in the Mill Burners' Trials at Greensburg.

NEWS NOTES FROM NEARBY PLACES.

McKeesport, September 9.—Joseph Tonsch, a Polish laborer about 30 years of age, who was employed in a Third ward brick yard, and lived here about five years, died at 6 o'clock this morning at his boarding house, No. 47 1/2 Center street, after lying unconscious since an early hour Sunday morning, and it is feared that death was not brought about by natural causes. As a result of this two Poles are under arrest, awaiting an investigation which Coroner McDowell will make to-morrow.

Physicians are at work holding a post mortem on the remains of Tonsch to-night, in consequence of the orders of the Coroner, and whether or not the death was caused by injury received from a fall, as stated by the persons, remains to be seen. The men under arrest called in Dr. Walker, the county physician, yesterday morning at an early hour, asking him to see the man. The doctor found him unconscious, lying on the floor, face downward. Several of his teeth were missing, his chin was bruised and his face was covered with blood, while his abdomen looked as though it had been crushed.

ON TRIAL FOR ARSON.

Great Interest in the Hearing of the Mill Burners at Greensburg.

GREENSBURG, September 9.—The famous mill cases were taken up in the courts here this morning. It was the intention of the court to take up the new trial of Frank Baer, upon the convening of court this morning, but the counsel for Baer and Francis, the contractor, people who are charged with the burning of the Kambrough mill, demanded their trial in the afternoon, and the court granted their terms of court. Then the counsel for William Richardson, the Pittsburg colored man, asked that his case be taken up, and it was done. Richardson is alleged by Fox, the negro who confessed to the burning of the Chambers mill at Latrobe, accompanied him from Pittsburg to Latrobe on the night the mill was burned, and that he carried the torch, Richardson applied to the mill. Richardson is a mutt, and worked a long time for Dr. Franks, of Pittsburg. Extraordinary interest is manifested in these mill burning cases, as the best legal talent of the bar is interested. The entire day was consumed in the selection of a jury, as each juror was examined separately, as is done in murder cases. Since the burning of the mills, over a year ago, D. I. Chambers, the owner of the Latrobe mill, has died, and financial matters have been swept from his father's all his possessions.

A DESPERATE MAN.

Convicted of Seven Crimes, but Broke Jail and Got Away.

LIMA, September 9.—John E. Lane, a detective from Trenton, N. J., arrived here today after Albert Guyer, who was arrested Saturday. From the office it is learned that Guyer is a desperate man. In April last he was arrested in Wintona, Pa., on charges of breaking and entering three grand larceny one assault and attempt to kill, and resisting an officer. He was convicted on all the charges, but broke jail from outside assistance, and escaped before receiving his sentence. He will be taken back to New Jersey as soon as the necessary papers are received.

Expect a Raise in Rates.

UNIONTOWN, September 9.—The customers of the Southeastern Natural Gas Company were notified today that their contracts would be cancelled in October, and they do not know what it means. It is believed that a pool has been formed between this company and the Fayette Fuel Gas Company, whereby the present low rate will be raised for the coming year.

Convicted of Forgery.

UNIONTOWN, September 9.—Jacob Shoff and John McCormick were today convicted of forging Mrs. Catherine Richards' name to a \$100 check. Shoff induced McCormick to present the check for payment. Suicided During the Night.

WHEELING, W. Va., September 9.—Mrs. Hickey Fette, aged 40, residing at No. 3422 Chapline street, was found dead with her face in the river at the foot of Forty-first street this morning. She committed suicide some time during the night.

A COW THAT CHEWED TOBACCO.

The Act Causes Her Death and Also a Very Novel Lavasin.

GREENCASTLE, Ind., September 8.—A case tried at Fillmore last week involved the rather novel point of a cow's fondness for tobacco. Johnson Herd hitched his horse to Tom Sidon's blacksmith shop, and then deposited his bag of tobacco inside the lot. Sidon's cow came nosing around, and the bag being open, it alleged by the plaintiff that she had eaten the contents of the bag, and died, whereupon Sidon sued Herd for damages.

The Preponderance of the Testimony was in Favor of the General Principle that a Cow Does Not Eat Tobacco, While a Few Testified That She Would Eat Anything from a Temporary Nail to a Cigar.

It was held that the jury were not bound by all rights, and finally agreed to disagree. A new trial will be had to determine the question as to whether or not a cow will eat tobacco.
