THE GUSHER STILL FLOWING.

Another Report About the Sale of the Arbutle Oil Property—Other Wells Being Drilled.

Messrs Arbutle & Jamison, owners of the famous Arbutle oil well at Charters, visited the well again yesterday afternoon for the purpose of gauging the flow.

It was found that the well was still flowing at the rate of 125 barrels per hour, with an amount prospect of falling off. It is an attempt is made to increase the flow it will probably be successful.

Another report was current, that the well had been sold to H. S. Stewart and the Guffy's for \$50,000. This was considered absurd by both members of the latter firm.

In conversation with J. M. Guffy, the latter said:

"The well would be cheap at \$100,000, and we would be only too glad to purchase it. We had a meeting with the owners of the well on Monday, but it was for the purpose of arranging the lines, and there was no talk of selling. The meeting was an agreement to keep away from their lines 150 feet and they should not come any closer than that to our boundaries.

"We are drilling another well on the Westwell property from their line, and another on the Tazgart property 250 feet from another line. The closest well we have to them is one on the D. K. Clever farm, which is 150 feet from their property line. We are drilling another one on the Lautner field, which will be about the same distance from them. We are on three sides of their well, but no one word has been said about a purchase."

A COPPER DAM OUBORGATED.

The Result of the Lowering of the Wickets Not Serious, but Annoying.

The lowering of the wickets of the Davis Island dam, which has been lowered to a very low stage. The marks indicate not over one foot in the channel. No loss to coal barges has resulted, but the fall has caused much inconvenience in the lower pool. The Monongahela river packets were unable to come below Lock No. 1, yesterday and were compelled to unload and load at the lock. No vessels are able to move in the harbor. The dry docks of Reed & Kreps, of Manchester, were grounded yesterday morning. The water had fallen lower than was expected. The S. L. Wood, which had steam preparatory to an inspection, was called upon and hauled the docks off the mud.

THE DAM PEOPLE ARE UNABLE TO SAY HOW LONG THE REPAIRS TO THE LOCK WILL REQUIRE, BUT THINK THE WORK WILL BE COMPLETED THIS WEEK.

THE SUBJECTS OF MUCH SARCASTIC CRITICISM AMONG THE RIVER MEN, WHO CONSIDER IT STRANGE THAT A COPPER DAM CANNOT BE PROPERLY BUILT WITHOUT LOWERING THE WATER.

ADDING A NEW STORY

The West Penn Hospital Improvements Now Under Way.

\$15,000 IN ALL TO BE EXPENDED. 90 More Patients Will be Accommodated by the Additional Wards.

HOSPITAL OFFICIALS ON THE CHANGES

Two circumstances have been agitating the West Penn Hospital authorities. The first is the overcrowded condition of the house, and the second is the bad state of the roof which covers in the main building.

A MEETING WAS HELD BY THE GENTLEMEN COMPRISING THE EXECUTIVE COMMITTEE A FEW DAYS AGO TO DISCUSS THE SITUATION AND TO SEE IF SOMETHING COULD NOT BE DONE TO EXTRICATE THEM OUT OF THE DILEMMA.

THE RESULT OF THEIR DELIBERATIONS WAS THAT THEY DETERMINED TO TEAR DOWN THE ROOF ON THE MAIN BUILDING AND BUILD A MANUSARD WARD.

BY THIS ARRANGEMENT BOTH PURPOSES OF THE HOSPITAL WILL BE ACCOMPLISHED. THEY WILL HAVE A NEW ROOF, AND ALSO A ROOM FOR 90 EXTRA PATIENTS.

THE ADDITIONS HAVE BEEN MADE TO THE ROOF, AND THE NEW STRUCTURE FINISHED AT THE REAR OF THE EAST SIDE OF THE MAIN HOSPITAL.

THE AUTHORITIES WILL HAVE ROOM TO RECEIVE 90 MORE PATIENTS. ALTOGETHER THERE WILL BE EACH DIVISION OF THE CITY, ONE IN THE EAST END, THE SOUTH SIDE, AND IN FACT, TWO FOR THE DOWN TOWN DISTRICT.

THIS WILL OPEN UP THE OLD LIGHT ON THE LOCATION OF THE HOSPITAL, AND THE PROPOSED PLACE ON THE BANKS OF THE ALLEGHENY RIVER NEAR WAINWRIGHT'S BREWERY.

THE PROJECT WITH BOTH TENDS TO THE HONOR OF BEING THE POSITION WHERE THE DISCARDED FOOD OF THE CITY SHOULD BE DUMPED FOR A SECOND DISPOSITION.

SINCE THE OFFICERS OF THE POLICE DEPARTMENT HAVE RESULTED IN CLEANING OUT THE YELLOW ROW AND THE SECOND AVENUE DISTRICT GENERALLY, THERE IS TALK ABOUT PLACING A PETITION BEFORE COUNCILS TO HAVE THE PRESENT TURNOUT AND PROVISION TO OUR NEEDS.

THE PETITION WILL BE PRESENTED, AS THE ODORIFEROUS APPENDAGE TO THE HILL IS AT PRESENT DISTASTEFUL, NOT ALONE TO THE RESIDENTS, BUT ALSO TO THE PURCHASERS OF PROPERTY.

A HUNTING DOG STORY.

SAID SAILING OF THE SPORT OF TWO ALLEGHENY CITY OFFICIALS—THE DOG IN QUAD.

A LARGE DOG OF THE MONGREL AND CROSS-BRED BREED, OCCUPIED A CELL IN THE ALLEGHENY LOCKUP LAST NIGHT, AND THEREBY HAD A TALENTEDLY BELONG TO THE DOG, BUT ALSO CONSISTED OF POLICE OFFICERS KIRSCHER AND CHIEF OF DETECTIVES GLENN.

THE TWO OFFICIALS AND THE DOG TOOK AN EARLY TRAIN ON THE F. & W. ROAD YESTERDAY ON CONSIDERATION WE RESOLVE TO MAKE AN ENLARGEMENT RATHER THAN CRIPPLE AND IMPAIR THE USEFULNESS OF THE HOSPITAL.

MR. MCCREERY THEN SAID, WITH GREAT EMPHASIS, "THE PEOPLE OF PITTSBURGH DO NOT APPRECIATE THE SERVICES OF OUR POLICE OFFICERS. COULD THEY REALIZE THE VARIOUS USES AND LARGE CALLS FOR MONEY THAT ARE CONSTANTLY DEMANDED FROM US BY OUR TREATMENT OF PATIENTS IN THE HOSPITAL, THEY WOULD POSSIBLY SUPPORT US MORE LIBERALLY."

A ROOF ROTTED AWAY.

MR. SAMUEL HAMILTON, CHAIRMAN OF THE BUILDING COMMITTEE, SAID: "THE PRESENT ROOF OF THE HOSPITAL HAS ALMOST ROTTED AWAY. IT IS ROTTED AT ONE-THIRD THE EXPENSE BECAUSE IN CONSIDERING THE ROOFING OF THE BUILDING IT GAVE BIRTH TO THE THOUGHT THAT BY BUILDING ANOTHER STORY WE SHOULD OBTAIN ADDITIONAL ROOMS WITHOUT ONE-THIRD THE EXPENSE AS A NEW STRUCTURE WOULD COST, ENABLING US TO ACCOMMODATE THE SAME NUMBER OF PATIENTS."

SUPERINTENDENT COWAN, IN SPEAKING ABOUT THE IMPROVEMENTS, SAID THAT THE ADDITION OUGHT TO HAVE BEEN MADE LONG AGO, AND IT WOULD HAVE BEEN ONLY FOR THE SAKE OF MEANS.

EVERY PART OF THE BUILDING IS SWALLOWED UP BY EXPENSE. THE HOSPITAL IS DOING DOUBLE THE AMOUNT OF WORK IT DID TEN YEARS AGO, YET IT HAS BEEN NECESSARY TO HANDLE THE PATIENTS IN THE SAME ROOMS AS THEN. THE WEST END OF THE HOSPITAL IS VERY HIGHLY APPRECIATED BY PITTSBURGERS, AND WILL BE AIDED IN THE FUTURE IN A MANNER COMMENSURATE WITH ITS USEFULNESS.

DIPHTHERIA INCREASING.

Each Alarm Felt by Parents—Citizens Kick Against the Garbage Furnace—Four Deaths Reported.

The diptheria cases still continues with a growth of cases, warranting the idea that the prevalence of the disease may prove more serious than has yet been realized by the Health Bureau.

THE SIXTEENTH WARD SHOWS FOUR NEW CASES OF DIPHTHERIA, THE SEVENTEENTH ONE, THE TWENTY-FIRST ONE, AND TO-DAY THE TWENTY-FIFTH WILL REPORT ONE CASE OF DIPHTHERIA, THE TWENTY-THIRD ONE OF THE SAME SCARLET FEVER, THE TWENTY-FOURTH ONE OF THE SAME SCARLET FEVER, THE TWENTY-FIFTH ONE OF TYPHOID.

WITH REGARD TO THE COMPLAINTS OF SEWER BREAKAGE MADE BY PEOPLE IN THE SIXTEENTH WARD, WHERE THE FAMILY OF REV. MR. SHROTH WAS SO SADLY CUT OFF, A THOROUGH EXAMINATION WAS MADE YESTERDAY. IT WAS FOUND THAT DURING THE EXCAVATIONS MADE IN THAT VICINITY THE LABORERS REFUSED TO WORK ON ACCOUNT OF THE STRENGTH OF THE GASES WHICH ESCAPED FROM THE MAIN PIPE.

IT WAS CLAIMED THAT THE ODOR WAS DUE TO LEAKS IN THE GAS PIPE IN THAT LOCALITY, THE SEWERS BEING EIGHT FEET BELOW THE EXCAVATIONS IN PROGRESS. THE GAS COMPANY WAS NOTIFIED, AND A WORKMAN WAS SENT, WHO PLUGGED THE GAS PIPE LEAKS, AFTER WHICH THE OFFENSIVE ODOR WAS NOT OBSERVABLE.

CAPTAIN BAKER, OF THE HEALTH BUREAU, SAID THAT HE THOUGHT THE CITY SHOULD EMPLOY GARbage WAGONS TO TAKE OFF THE ANIMAL AND VEGETABLE MATTER WHICH IS SO UNUSUALLY THROWN UPON THE STREETS, AND THAT INSTEAD OF THE PRESENT METHOD OF TRAILING IT TO EACH DIVISION OF THE CITY, ONE IN THE EAST END, THE SOUTH SIDE, AND IN FACT, TWO FOR THE DOWN TOWN DISTRICT.

THIS WILL OPEN UP THE OLD LIGHT ON THE LOCATION OF THE HOSPITAL, AND THE PROPOSED PLACE ON THE BANKS OF THE ALLEGHENY RIVER NEAR WAINWRIGHT'S BREWERY.
