## MARKETS AT LIBERTY AND CHICAGO

OFFICE OF PITTSBURG DISPATCH, MONDAY, December 2, 1889.

The run of stock for to-day's markets was light, but an attempt to lift prices proved unsuccessful. The failure to bring about an advance was due mainly to the fact that quality of offerings was below par.

Receipts of cattle were 322 head against 475 last week, and consisted mostly of common and low grade stock. The demand was chiefly for prime light and heavy steers, and these grades being scarce were firmly held.

The stock on hand was slow. Best heavy weight cattle were quoted at \$4 60@62; medium, \$3 60@62; and light, \$2 60@62 per hundred pounds.

Receipts From Chicago—L. Zeigler, 105 head; L. G. Gordon, 4; F. R. French, 100; C. A. D. O. Pisor, 10; various owners, 12 Total, 322; last week, 475; previous week, 433.

## Sheep and Lambs.

Choice stock sold readily at full last week's prices, but this class was in very light supply. There was not enough of the good to go round, but enough and more than enough of the common and lower grades were offered and sold, though the indications on all were that all would be sold. Best heavy western and native wethers sold at \$4 60@62; good to choice medium weights, \$3 60@62; fair to medium, \$2 60@62; and light, \$1 60@62 per hundred pounds.

WHEAT—A moderate business was transacted, most of which was local, and within 3½ cents of the cash price.

Short Rib Sides—There was a comparatively fair trade without much variation in prices.
