General Manager,

NOTICE TO LANDLORDS. Deeming it advantageous to both landlord and tenant to consolidate the renting business as much as possible, we have arranged with Black & Baird, 35 Fourth ave., to have the entire renting business of the two firms continued at their office, where more complete organization can be effected, thus giving unequal facilities for the management of property. As Black & Baird are well qualified by long experience in the business of renting and collecting rents, we do heartly recommend them to our former patrons in this line as a firm who are both capable and financially responsible for all business entrusted to them.

We will continue as heretofore to conduct a general real estate business in all its branches, except the rent department.
