in his teens and fell in love with a young school bracher several years his senior and a great friend of the family's. He proposed to her, but was rejected, the young lady telling him that he was too young to get married and that in a few years he would think differently. He then became morose and for the past three or lour weeks complained of pains in his head.

On Saturday the vound lady, with Gamble's many for 50 barrels a day. It was reported to-day that two dry holes had come in at Shaunopin, but no verification of the rumor could be obtained.

In Chartiers Valley field the deep mystery surrounding the Riddle farm well, owned by Galley & Co., is believed to be due to the fact that the well is dry. The Fort Pitt Gas Company well No. 2 is making 70 barrels a day, and the Wettengili No. 1, of the Forest Oil Company, 63 barrels a day. Fieming & Co.'s well, on the William B. Cooley farm, at Murdocksville, is showing for 50 barrels a day. that he was too young to get married and that in a few years he would think differently. He then became morose and for the past three or four weeks complained of pains in his head.

On Saturday the young lady, with Gamble's two sisters, were visiting and when they returned home Ed was missing. As time sped on and he did not put in an appearance, the girls began a search about the farm for him. One of his sisters, upon entering the barn, was horrified to see her brother's body daugling to a rafter. The body was cold and stiff, showing that life had be n extinct several hours. It was cut down and carried to the house of his grief-sricken parents and yesterday was buried. The young teacher is almost beside herself with grief over the sad affair. She is a lady greatly respected and said to be guite handsome. The suicide was exceedingly bright and until he formed the violent attachment for the school teacher was always a lighthearted lad.

The young lady came here on the first train this morning. The two have been lovers for a long while and wanted to get married, but Miss Leonard's parents objected. A telephone mespage from Brownsville this evening says Miss Leonard's parents are greatly worked up over their daughter's departure. She is a teacher in the public schools of Brownsville, and the first notice of her absence was given when her desk was empty this morning. Both parties come of the first families, and Miss Leonard's father is said to be quite wealthy.

## ANDREWS FOUND GUILTY.

The Circumstantial Evidence Was Sufficient to Convince the Jury.

REPORTAL TELEGRAM TO THE DISPATCH. BELLEFONTE, February 4.-The famous Au drews murder trial closed this afternoon, and at 4:30 o'clock the jury retired to decide upon a verdict. At 7 o'clock the Court House bell rang, and 15 minutes later, when court was

rang, and 15 minutes later, when court was called to order, the room was crowded to its utmost capacity, and many were unable to gain admission. The prisoner was brought in, pale and somewhat nervous.

The verdict, which was guilty in manner and form as indicted, of murder in the first degree, was then read. The prisoner never moved a muscle, and was then led from the room. The jury was outjust? hours and 25 minutes, and took but one ballot. Judge Furst thanked them for the conscientious manner in which they had performed their duty. The verdict gives general satisfaction. The crime of which Andrews stands convicted was the murder of Clara Price, who was found by the way-side a few weeks ago, dead.

A POLISH CHRISTENING Results in Three Deaths and the Burning of Ten Houses.

PETECIAL TELEGRAM TO THE DISPATCH. SCRANTON, February 4.-The Polanders of Marshwood, a mining village on the Moosic Mountains, five miles northeast of this city, observed the christening of a 3-weeks-old child of Andro Feritzo last night. The result of the drunken carousal that followed was the burning of ten double dwelling houses belonging to the Mossic Mountain Mining Company, the burning to death of Mike Switz, a Polander, and a woman, the wife of Joe Strasse, who is missing and is supposed to be buried in the ruins of the house occupied jointly by Strasse and Feritzo, in which the celebration was carried on. All the Polanders in the settlement, which is peopled mainly by Poles and Hungarians, were present at the festivities, and "polinki," the favorite compound of the Polish revelers, was to be had freely from a cask that was mounted upon a table for the benefit of the

The shock threw them to the floor, a crushed mass which speedily ignited and sent a flame to the ceiling. The dancers fled from the house and those sober enough to realize the threatening danger rushed up stairs to drag out the drunken sleepers. Switz refused to move and fought off his rescuers. The woman was either overlooked or else made her escape unnoticed from the building, but as no intelligence was learned of her up to this afternoon the imprestion is that she was a victim of the flames. There was also a report to-day that two children lost their lives but this could not be verified.

GOURLEY WANTED

BY THE PUBLIC AT LARGE His Indersements Come From All Profes sions and Classes.

The business men are still coming forward and supporting Gourley. Below are printed a few of the interviews secured by a

reporter yesterday: Walter Lyon, Esq.—I have known Mr. Gourley intimately since 22 years ago, when I was a schoolboy and he was my teacher. He is an educated gentleman, honorable and honest, experienced and able, and would dignify the office of Mayor. Charles F. Goettman, of Goettman Bros. -1 have been acquainted with Mr. H. I. Gourley for the past ten years, and have paid special attention to his public life. I consider him one of the foremost men of Pittsburg, and I feel confident that the interests of the city will be well protected in his hands.

terests of the city will be well protected in his hands.

Josiah Cohen, Esq.: Gourley is a man of fine education, competent to discharge the duties of such trust with honor to himself and with great advantage to the best interests of the community. I have known him for over 25 years. He is possessed of fine executive abilities, of good moral character and untainted by political corruption, although he has held municipal positions, which have enabled opposing party enemies to raise the cry of "my tool," without the possibility of proof to sustain such. His election would insure an honest administration of municipal affairs, so essential to the immense interests and rapid growth of this vast beehive of human industry.

Mr. Fred Gearing, of the lumber firm of H. C. Gearing, Twentieth and Sidney streets: "Am I in layor of H. I. Gourley's nomination for Mayor? Well, I guess I am. I have known him now for 12 years, and was with him for six years in Councils while he was President of the body. I think that he is, without exception, the best man

that he is, without exception, the best man that we have had offered to us for the position since—well, I can't remember how long. We have not had a good, first rate Mayor, that could hold up the dignity of the office like Mr. Gouriey in a great number of years. I cannot say enough for him. I know him to be a thoroughly wideawake, capable, energetic and upright gentleman in capanic, energetic and uprignt gentieman in every respect, and you can say that, in my opinion, he is the best possible candidate that could be named. The natural sentiment of the people will be entirely in his favor, irrespective of any factional feeling. Gourley is the man for the occasion."

W. F. McCook, attorney, 110 Grant street:

'My acquaintance with Mr. Gourley began in 1864 when he became the principal of the Third ward school, now known as the Grant School. In addition to performing the duties as principal very efficiently he took upon himself the duties of instructing the higher elegant in proposition for the High higher classes in preparation for the High School. I consider him the most capable and efficient teacher I was ever under and he helped very largely to make the record for that school which it has maintained ever since. Our acquaintance has been intimate ever since that time. In social life, in business and in public affairs I have known him to be a gentleman of courtesy, promptness and reliability. His integrity no one will question. His judgment in business mat-

ters relating to the public welfare I have al-ways thought to be excellent." J. R. Reed, jeweler: Gourley would make an excellent Mayor. He would conduct the affairs of the city to the satisfaction of the citizens in general. I would rather see him chosen than any other person I have heard spoken of. He is a strictly honest man.

Cured by the physicians of the Catarrh and Dyspepsia Institute, 323 Penn avenue, "Hundreds of people in Pittsburg have told how wonderfully they have been cured by the physicians of the Catarrh and Dyspepsia Insti-tute at 323 Penn ave., and I feel at my duty to state my case. My catarrh, which had troubled me so long, had begun to affect my lungs, and they pained me very much, especially when I coughed or raised up the offensive discharge which seemed to so fill up my windpipe and bronchial tubes, that I found it often difficult to breathe. I coughed more or less both day and night. It would often hurt me to breathe, my breath became short, and lifelt a tight oppressive feeling in my lungs. I often felt a pain in my left side. My food would sour on my stomach, giving me a full, uncomfortable feeling after eating, with belching of gas. My hands and feet were cold and claumy. I could not walk any distance, or up a hill without getting out of breath. I had many other aches and pains and also suffered from those diseases peculiar to women. In fact, I grew weaker and weaker until I felt as if I did not care whether I lived or died, as I would be an invalid the remainder of my life. I tried several doctors, but I found no relief. Reading of so many cures made by the physicians of the Catarrh and Dyspepsia Institute, and which seemed similar to mine, I took three months treatment from these specialists. The result is I now feel like a new woman. I have gained 25 pounds in flesh; my work does not seem a burden to me as it used to, and I feel well and strong. I shall be glad to tell anyone further what these physicians have done for me. I live on Lemington ave., near Lincoln ave., East Liberty, this city." MRS. ELIZA SMITH. Consultation free to all.
