The I7-year-old son of Jarvis, who lives with him, testified to having seen his mother and Shauton in affectionate positions. Other witnesses testified to having seen Shauton at the honse where Mrs. Jarvis was living after she had separated from her husband. Mrs. Jarvis was placed on the stand and de-not gone to live with Shauton, but took up her residence with a married couple. Shauton only used to her house every day on his way to work to get his dinner bucket packed, he living nearby, and she tending to that matter for him. # A COUNTY TAX OF 3 MILLS.

The Commissioners Make a Reduction of 95 Per Cent Over Last Year's Rate.

The County Commissioners yesterday fixed the rate of millage for the taxation for county purposes for the year 1890. The millage was fixed at 3 mills, a reduction of 25 per cent from the millage of last year, when the rate was 4 mills. Of the 3 mills levied 2 are to meet the current expenses of the county, and 1 mill for current expenses of the county, and I mill for the liquidation of the county's debt. What the receipts will be for this year cannot yet be com-puted, as the total taxable valuation of the county has not been figured out, all the assess-ors' books not having been closed. The valua-tion last year was between \$260,000,000 and \$270,-000,000, and it will be increased this year, but how much is not known.

000,000, and it will be increased this year, but how much is not known. It cannot be estimated for the reason that the Commissioners are not sure what position the courts will take on the question of the taxation of the various institutions, such as parochial schools, etc., several different decis-ions bearing or the matter. Controller Speer, in his statement to the Commissioners, estimated the expenditures of the county for the year at \$1,155.000, which, de-ducting the estimated amount of receipts, left

ducting the estimated amount of receipts, left \$321,259 92 to be raised by taxation. The Commissioners, in their levy, leave a good margin in the matter of the current expenses and make sure of a good reduction in the county's

ebt. A levy of three-fourths of a mill was also This is the amount asked by the Poor Direc-tors and is a decrease from last year, when the levy was eight-tenths of a mill.
