## LATE NEWS FROM SCOTTDALE.

### Settling the Capacity of a Carry-The Town to be Well Supplied With Water.

INTECIAL TELEGRAM TO THE DISPATCE.) SCOTTDALE, February 22 .- Secretary C. M. Parker is busy to-day measuring a carry to ascertain what it holds. The men claim they hold 160 bushels when the fact is they only hold 150 bushels. It is reliably stated that the H. C. Frick Coke Company has purchased the Mt. Braddock farm of 1,000 acres, north of Uniontown. The National Pipe Foundry has resumed

operations. Since the proposition of the Scottdale Water Company to furnish the town with water for 99 years at \$2,200 per year has been knocked out, and since the vote for or against water tax was carried by about 200 majority at the last election for water tax, there is positive assurance that the town will be well supplied with water by next winter.

### Decline to Serve on the Committee.

(SPECIAL TELEGRAM TO THE DISPATCH.) JOHNSTOWN, PA., February 22 .- Colonel John P. Linton and Hon. Horace Rose, Mayor-elect of Johnstown, two of the committee appointed by Editor Sheppard, to distribute the Mail and Express relief fund, have declined to act in that capacity. The reason assigned is pressing business engagements.

### Delicate Women.

Children and delicate women should not be forced to take the vile compounds which are usually given for constination, piles, indiges-tion, etc. Hamburg Figs are like pre-served fruit, and are the best laxative known. Scrents. Dose, one Fig. Mack Drug Co., N.Y.
