A CHANGE MADE IN COURT HOURS.

John Buckestein Secures a Verdict of \$10,200 Against the Incline.

MANY SMALL AND PITHY LAW ITEMS

The Fidelity Title and Trust Company, administrator of the estate of Henrietta Hammerstahr, yesterday, entered suit against the German Protestant Orphan Asylum of Pittsburg, to recover \$1,000. The suit is brought under the act of Assembly which provides that charitable bequests in wills made within 30 days prior to the death of the testator, shall be void. The money at issue in this suit, \$1,000, it is stated, was bequeathed to the orphan asylum by Mrs. Hammerstahr. Her will was executed January 1, 1890, and she died 13 days later, within the time specified in the act of Assembly. The money so left was in the hands of the Rev. Mr. Ruoff, who is President of the Board of Managers of the asylum, and be, it is alleged, has refused to Asylum of Pittsburg, to recover \$1,000. asylum, and be, it is alleged, has refused to and passed: give the money to the administrator when it was demanded. The suit is brought to compel be return of the money to the estate.

Other charitable bequests made by Mrs. Hammersfahr were \$100 each to the German Catholic Church of Fulton Street, the German Catholic Orphan Asylum of the Southside, and Passavant's Hospital. The balance of the estate is given to her sister, Mrs. Amelia Of.

## ALLEGHENY CITY NOT LIABLE.

The Wharf Posts All Right but the Current Broke the Chains. Judge Acheson, of the United States District

Court vesterday handed down an opinion in the case of William Jackson against the city of Allegheny. The suit was for damages for the loss of floats and flatboats carried away from the Allegheny wharf by the flood of February, 1881. It was claimed the city was liable for not furnishing sufficient poets, ring bolts, etc., for the secure mooring of craft.

Judge Acheson held that nectigence on the part of the city was not proven sufficiently. Also that the fact that the chains broke and the posts held fast indicated that the plaintiff was suitt at least of contributory negligence. of Allegheny. The habit of convening at 10 o'clock was a relic of the old days when jurors, litigants and witnesses from the country districts had to travel to town in stage coaches and other slow means. With the many railways covering the county now the judges think the people can get to court at any hour.

HUCKESTEIN'S BIG VERDICT. The Numery Hill Incline Company Ordered

to Pay Him \$10,200. John Huckestein yesterday received a verdict in his favor for \$10,200 in his suit against the Nunnery Hill Incline Plane Company. The Sunnery Hill Incide Plane Company. The case was an action for damages for injury to Huckestein's property caused by the erection of the incline.

In addition to injuring lots owned by him the incline destroyed a road affording the only way in and out of Hackestein's brickworks, causing him, he claimed, to stop work.

Nicholas Winter yesterday entered suit against Jesse Sanford, owner of the Leetsdale

oal mine, and Peter Watkins, pit boss, for coal mine, and feler watkins, pit boss, for \$3,000 damages. Winter was severely injured by an explosion of firedamp. He alleges that the owner and boss of the mine are liable for not keeping the mine safe, and sending him into a dangerous place to work. To-Day's Trial List.

SOME FUN AHEAD YET.

o One of the Defendants in the Long Drawn-Out Inclined Plane Says-Pertinent Minutes of a Meeting Brought to

The case of the Pittsburg and Mt. Oliver

Inclined Plane Company against the Pitts-

burg Inclined Plane Company got another airing yesterday before the Master, D. F. Patterson, Esq. Mr. C. J. Schultz, of the plaintiff company, was cross-examined, and then the testimony of Fred Hampe and A. L. Schultz, Jr., was taken. It was similar to that already mentioned regarding the securing of the right of way by the Pittsburg and Mt. Oliver Inclined Plane Company, and although quite long was merely corroborative.

Secretary Grimes, of the Pittsburg Inclined Plane Company, says that the presentation of its case will put a very different face on the its case will put a very different face on the matter. He says the movement by the plaintiff was ab initio merely for the purpose of shut-

WHEREAS, It has been ascertained from an examination of the minute book of this com-pany that the resolution adopted by the Board of Directors of this company on the 5th day of February, 1839, in reference to the survey and location made by Carl Von Wagoner for an nclined railway was recorded in said minute look by John P. Beach, deceased, the Secre-

tary at that time.

"Resolved, That the survey and location made by Carl Von Wagoner to the company originally, as shown on his plan for an inclined plane and railway now before the board, between Eleventh and Twelfth streets, in the City of Pittsburg, from Carson street to Washington avenue, 20 feet wide, be and the same is hereby adopted and railfied upon which an inclined plane railway shall be constructed."

A PUSHING ROAD.

The Peemickey Will Soon be Double Tracked to McKeesport. In a short time the Peemickey road between Pittsburg and McKeesport will be double tracked. Two tracks have already been laid except between Recks Run and Homestead and the grading for this work is finished. The

rails will be put down shortly. The Lake Erie now has about 1,800 men at work at Shousetown grading for another track. It is the intention of the company to lay double track to Youngstown as soon as they can. The Nypane's additional track to Cleveland was completed last fall. Not long ago the Lake Erie placed a big contract for freight cars. They are being delivered every day. Secretary Robinson said yesterday that about 500 would be shipped in April. The Lake Erie is well supplied with first-class equipment. President Newell is still in Europe, and until he comes home nothing will be done with the resignation of Superintendent Holbrook.

Threw Away His Canes.

For several years during the winter, I have been troubled with a painful swelling of the feet, which physicians claimed was rheumatic gout. I was treated by some of our best physicians, and obtained but little if any relief and used many so-called "cures" without benefit. During the winter "cures" without benefit. During the winter of 1887, when my feet were so swollen and inflamed that I could not wear my boots, I commenced using Chamberlain's Pain Balm. The first application reduced the swelling and inflammation and the use of one 50-cent bottle so completely relieved me that I discontinued my canes and was able to get around all right, and wear my boots. I am a practical druggist, and have sold and used many different kinds of liniments, but Chamberiain's Pain Balm is undoubtedly the best preparation ever offered the public, for relieving chronic or inflammatory rheumatism. I always keep a bottle in the house, and have never known it to fail to relieve pain and suffering when used as di-rected. JOHN PARK, Beaver Creek, Mian.
