THE COLTS BEATEN, A GREAT STRUGGLE. The Pedestrians Continue to Create Interne Excitement - Nolan Surprises the Talent-The Favorites Are All Syracuse Stars Give Them In Good Condition. The great six-day pedestrian contest, in the Central Rink, continued to be an exciting affair yesterday. During the day more than 2,000 paid for admission, many ladies being among the crowd. The enthusiasm was kept Their First Defeat. up among the spectators, and particularly in the evening when almost all the members of STRUGGLING PEDS. He responded to their cheers by showing his great speed. He happened an accident in the morning, however, which somewhat injured him. When running he slipped and fell peeling the skin from his arm and left leg. He also burt his leg. He is a splendid runner. Moore, Nolan and Hegel-man passed the mark named shortly after Howarth. The latter persisted in making the race desperate and he did not leave the track until about 9 o'clock. Then Moore took first place and closely followed by the Lawrenceville champton, Nolan. The latter really surprised everybody by showing such good form. He has not had the hest of attention but from to-day on he will be looked after. So far he has made a great race. Moore undoubtedly is in first class condition, Howarth, Moore, Herty and Nolan Cause Great Excitement. THE SPORTING NEWS OF THE DAY The Colts, of the local National League club suffered their first defeat. The Syracuse stars beat them. The local pedestrian contest created great excitement. The racing was very fast, Corbett will bet Sullivan \$5,000 that he can stand four rounds before him, Sullivan. Sir Guy Hecker's colts, of the National on he will be looked after. So far he has made a great race. Moore undoubtedly is in first class condition, and so is Herty. When Howarth left the track Herry and Noremac showed some great running. Herty is a very dangerous man, and Moore is evidently aware of that fact, because he keeps a close eye on Herty. Sam Day also surprised his friends hy his steady going. Pete Golden shortly after 9 o'clock scored his 100 miles, and he was presented with a bouquet by the First Ward Demacrats. Victory perched on the banner of the visitors, and they simply got what they deserved. They reached the band struck up "St. Patrick's Day in the Morning. It is, indeed, impossible to form anything like a correct idea as to who will be the first three at this early stage. The race is one of the most desperate ever seen. So far the pace has been remarkable and it would seem impos-sible for the cait to be keep up. No less than 16 of the 23 starters covered 100 miles within 24 hours, and each secured the 210 offered for accomplishing that feat. Day and others in won the game on its merits, and that does not even say much for the quality of the game. Neither club played its best, that game. Eventier choop mayed us best, that is, neither played in its best form. At some stages the playing was very seedy indeed, and the only redeeming features were some occasional good fielding and a patting streak 23 hours, and each secured the \$10 offered for accomplishing that feat. Day and others in addition each got a silk hat. Cartwright has retired for good and Hart is in bad shape. Nor-emac, however, is going better than he gener-ally does at the first stage of a race. And "Old" John Hughes is in the race, and he will let somebody know that before the week is out. Following are those who covered 100 miles in time to secure 310 each: Guerrero, Noremac, Moore, Golden, Connors, Howarth, Hegelman, Day, Burns, Nolan, Crozier, Glick, Fox, He-ran, Hughes. by the Stars. AN ENTRUSIASTIC CROWD. The weather was extremely fine and about 500 people were present. The crowd, not a bad one for an exhibition game on Monday, was very enthusiastic. The contest, generally speaking, was not of a high class order, but it was tor a long time close enough to be exciting. Its early stages were marked by some bad play-ing by the two shortstops, and Battin, old Joe, ran, Hughes. At 2 o'clock this morning the race was still contributed to the column of errors. Up to that point the Stars could do little with him, but there they nailed him for four good hard thumps. Lyons pitched the first five innings for the Stars and did fairly well. He promises to be a good pitcher, but at present seems to be a little unsteady. He gave three bases on balls and hit one man with the halt. Briggs caught him very well. The home players were first to score, and only the very wretched fielding of the Stars permitted this. In the second juning, after Miller had reached first on balls, La Roque reached first on a muffed fly by McLaughlin. The mis-take was a glaring one, but amends were made by putting Miller out at second. Routcliffe was then hit by a pitched ball. La Roque then stole his way to third, and Routchiffe got to second. Youngman sent both men home by a second. Youngman sent both men home by a lively single to right field. In the second iuning Sunday obtained his base on balls, and reached third on a single by Hemp. A sacrifice hit by Hines sent Sunday home. In the fifth inning, after Sunday was out, Hemp bauged the ball over Wright's head for two bases. Hines got his base on halls.
