Council Lobbies Thronged by Many Rather Curious Citizens.

THE LIBRARY QUESTION COMES UP

But the Amended Ordinance is Referred to the Library Committee.

STREET BLOCKADES INQUIRED INTO

The lobbles in both branches of Councils count of the contest on the Library question as of the number of streets to be widened, opened or improved. It was the first meeting of the new Councils, and a keen watch

general impression seemed to be that the amendment, as presented in Select Councils yesterday, would be avorably recommended by the committee, but as Mr. Lambie has already announced there is but little probability that the amendment will pass,

The new ordinance provides that vacancies in the Board of Trustees other than those caused by changes of the public officials 'shall be filled by a majority of such remaining merobers of the board who are not public officials," instead of "shall be filled by a majority of the remaining members of the board."

connect with public sewers. A resolution authorizing the appointment of a joint committee to revise the names of the adopted though opposed by Mr. Keating, who thought the representatives of the various wards could attend to that work themselves

When the report of the Department of Awards was taken up all the contracts were pumping stations. Mr. Hobertson opposed the contract. He said \$60,000 was too high a figure.
The price had been raised year after year until the exaltation became unbearable.

After considerable discussion the award was of viewers assessing damages for a right of way

On the call of the wards the following papers were presented and referred: Ordi-nances fixing the salaries of the Chief Clerk and Drauchtsman in the Board of Viewers office at \$1.800 and \$1.200 a year, respectively; or grading, paving and corbing Dithridg treet, Torley street, Hoeveller street, Brad sweet of Arabella Street, Siakespeare stree Frazier street, Frankstown avenue and Lincol visione; opening Collowbill street, Arabell Freet, Claslett street and S-aut. Mr. MacGonigle replied that the law was like a good many others passed years acc: like the law to close salvons or Sunday, but now many people want them opened. He wanted a committee to find out what would be most convenient to the leadings community. venient to the business community.

This view was taken by the majority, and the resolution went to a special committee. The Chair appointed Messis, Ferguson, MacGoni-gle, O'Bonnell, Righam and Stewart as the

APPEAL FROM ASSESSMENT.

Paying an Improvement Tax-A Big Sum Sued For on Promissory Notes-First Case of Its Kind. Sixteen property owners on Mahon street

vesterday filed appeals from the decision of the Board of Viewers assessing them for the grading, paving and curbing of Mehon street. They are John Beck, Franz Leng, Dennis O'Leary, Robert Thompson's heirs, John C. Thompson, Adam Eckert, Charles Schuck, Amos Hawk, Henry Martin, Thomas Hannon, Henry Neville, Adam Shaller, Mary Neville, George Benker, Robert Schubert and George K. Reber. They state that, though their properties were injured were crowded yesterday, as much on ac- by the grading, they were allowed no damages, the assessment being uniformly \$7.40 per foot front. They received no notice from the viewers and had no opportunity to be heard. The amendment to the ordinance accepting the gift of a Library from Mr. Andrew Carnezie, was introduced by John S. Lambie and referred to the Library Committee, consisting of John S. Lambie, Chairman; R. B. Carnahan, A. F. Keating, Smith Shannon and Kirk Q. Bigham.

The majority of the members of the Library Committee were seen, and the general impression seemed to be that the court for a jury trial.

The company has gone into hank-ruptcy, and the appointment of a receiver was asked for. Edward M. Parrett, the present receiver, was reappointed to take charge of all the property.
