The Colts Make Another Show of the Erie Team.

THE ASSOCIATION BATTLE.

Very Good Opening Games at Columbus and Philadelphia.

THE SPORTING NEWS OF THE DAY.

The local National League Club scored another victory at Recreation Park by defeating the Erie team. Rain prevented the game between Pittsburg P. L. Club and the Chicagos. The American Association championship season opened with some good

The last exhibition game of the spring series on the home grounds was played yesterday at Recreation Park, and as usual the local National League youngsters scored a a one-sided victory. Their opponents were the Erie aggregation, of the New York and Pennsylvania League. The visitors, although they got four runs had no more show of winning the game than they had on Wednesday, when they scored no runs at all. They only found the hall twice, and one of the hits was a very questionable one at that. Probably Youngman had as much right for an error as Boyd had for a hit, but the doubt was given in favor of the hit.

A FEW BRILLIANT PLAYS.

There were only about 200 people present, and they saw a very long game with a few brilliant plays in it. "Ducky" Hemp made a splendid running catch, one of the kind that catches the crowd when the seats are all full. The spectators gave him plenty of applause for his feat, but no more than he deserved. There are not many more brilliant catches made than that of Hemp's yesterday. He was on a hard run, and when he got the ball he went rolling over as if doing the somersault act. Ducky is a fine fielder. Dunlap, Hipes and La Roque also played well. Brandenburg showed up very moderately behind the bat while he was there. His throwing to bases was very bad, and his partner. Baker, was very wild; so much so that the pair were retired at the end of the third inning and Gray and Wilson took their places.

Gray did fairly well, and Wilson again showed that he is as fine a thrower to bases as an en thusiast would desire to see. There are, indeed, few who can throw to a base with better aim than Wilson, and there is every indication that in him the local club directors have secured an excellent man. He moves around like a ball player, although he is a little uncertain on

ONLY TWO HITS.

The visitors were miserably weak at bat, getting only two hits, and they were made off Gray's delivery. To a great extent good pitching was the cause, but in many instances the visitors struck at balls that were considerably wide of the mark. Old and experienced players would not have been decoyed as were the Erie representatives, and, therefore, in many Eris representatives, and therefore, in many cases, would have secured their bases on balls. Shamus, a Pittsburger, pitched the first five innings for the Eries and 13 hits, with a total of 15 bases were made off his delivery. He was relieved by Newell, who was touched up for two three-baggers in the first inning he pitched. However, the visitors were no match for Manager Hecker's team.

two three-baggers in the first inning he picture. However, the visitors were no match for Manager Hecker's team.

The contest, as above stated, was too one-sided to make it necessary to tell the story of the run getting in detail. One side hit the ball and was in addition to that favored with errors, while the other side couldn't hit the ball, but had their share of favors in the way of mistakes by their opponents. The home players really banged the ball all over the lot, and Sunday even had the audacity to try and make a home run.

SUNDAY'S BIG HIT.

It was in the sixth inning, when Newell was pitching, Sunday thumped the ball to the right after running pluckfly he was nabbed about six feet from the plate. Billy laughed and said he thought he could make it. He and Kelty had a contest for batting honors, but Kelty had a shade the best of it. Each had three singles and a triple, but Kelty was only four times at bat and Sunday was six times.

The visitors obtained three of their four runs on mistakes by Baker and Brandenburg. In the second inning after a man was out Baker hit Shamus with a pitched ball and sent him home on two very wild pitches. Brandenburg's errors were responsible for the second run. In six feet from the plate. Billy laughed and said errors were responsible for the second run. In the third inning Baker again hit a man with a pitched ball; he also made a wild throw and that with a sacrifice hit sent in the run. A base on balls and two passed balls sent in the fourth run. The following is the full score:

In the fifth Thompson, who pitched for our county league club, was put in, and did well considering the fact that he had not had any practice this year yet. He gives promise of being a good man. SPECIAL TELEGRAN TO THE DISPATCH 1 SAN FRANCISCO, April 17.—There is hardly a doubt but that the California Athletic Club SAN FRANCISCO, April 17.—There is hardly a doubt but that the California Athletic Club will offer a \$20,000 purse for a fight between John L. Sullivan and Peter Jackson before long. President Fulda claims that Sullivan agreed some time ago to fight for less, and his refusal to keep his bargain aroused considerable antagonism to him among the club's membership, but the desire to see these great fighters face each other in the ring has obliterated nearly all of this, and it looks now as though Sullivan's terms would be accepted as soon as Jackson returns here. The best California judges of pugilism believe that Jim Corbett can outspar any fighter living, but they are not so certain that he can whip Sullivan or Jackson. He will have a chance, however, to fight any man in the world if he desires it upon his return to his native heath.

Reddy Gallagher, who is to fight Billy McCarthy, has a week longer to get ready for the fight. He has not fully recovered from a stight illness which attacked him in Cleveland. Jim Corbett will have a great reception here on his return from the East. His easy defeat of McCaffrey has raised him greatly in the estimation of the lovers of pugilism. It is probable that Jake Kilrain will have another chance with him. If he defeats Kilrain in a finish fight he will then be matched against finish fight he will then be matched against

He will probably accept the offer for a trial, and if so, he will make a record, as his skill with the ball has been a matter of surprise and wonder in these parts for sometime.

ANOTHER GREAT SUFFERER

Cured by the Catarrh Specialists at 323 Penn Avenue.

The above is a portrait of Mrs. Elizabeth Bratt, who lives at Verner Station. The catarrhal secretion that formed in her head and iropped down into her throat, caused a severe ulceration to set in. Her mouth, throat and tongue became so sore, that she could not chew her food, and was compelled to eat only soft foods. She would often have sharp pains in her face, and a drink of cold water would cause the most intense pain. As some of the catarrhal poison extended to her lungs, she coughed badly, her breath became short and she felt much pain and soreness in her lungs. She had a constant weak, tired feeling, and she often felt so nervous that her whole body would be in a tremble. The food she ate would sour on her stomach, and she felt a full, distressed feeling after eating. Her heart would often palpi-tate as if it would jump out of her body. She had much pain across the small of her back and lower part of her body. Exposure to cold air would cause her to take cold, and often for a month at a time she would not dare to step outside the door. Although doctoring all of the time she gradually grew worse. She lost much flesh, until she only weighed 98 pounds. It was while in this condition that she began treatment with the physicians of the Catarrh and Dyspepsia Institute, at 323 Penn avenue, and became cured. She says: "My disease was of 12 years' standing, and my condition was much worse than has been described. I now feel well and strong, as I did when I was a girl, I have regained my flesh and am very glad to testify to my cure, as above stated by these specialists. THE BLOOD MONARGH

The many remarkable cures by Burdock Blood Bitters of blood diseases that have been ineffectually treated for years by other remedies, the wonderful influence of B. B. B. in every form of blood disorders—from quickly re-moving annoying and irritating pimples and blotches to permanently curing scrofulous sores and ulcers of long standing—its unparalleled and unbroken record in removing all effects of bad blood, is explained by its being a medicine containing purifying and curative properties which are unknown to and do not exist in any other preparation in the world. A medicine purely vegetable, carefully prepared, contain-ing within itself a combination of vegetable remedial agents that search out every particle of blood humor and correct bad digestion.

10-YEAR SUFFERERS. For about ten years I was troubled with disrdered stomach and liver; what I ate would not digest. After awhile I was reduced so low that I could not get around to attend to my household duties. Of course, I doctored considerable and tried a great many things, some-times receiving a little relief, but never any permanent benefit. Finally, a B. B. almanac fell into my hands, and I sent to our druggist, Hammer Bros. Westboro, and procured two bottles of B. B. B, and commenced taking right away, and in less than a week I feit a great deal better, and by the time the last bottle was gone I could eat almost anything without discomfort. I heartily recommend it to any suffering as I did—Mrs. C. Conklin, Westboro, Clinton Co., O.

McCluan, 31 Robinson st. F. McCall, 52 Lacock st.

BURDOCK BLOOD BITTERS

Though so powerful as to act on and cure the most stubborn blood and digestive diseases, no ill effects ever follow the use of B. B. B., even

I have been suffering for ten years with ery-sipelas, and have taken doctor's medicine and patent medicine of most all kinds, but none with those of weak constitution. Truly, it is seemed to do me any good. I finally made up monarch of all remedies for the blood, poverty and impurity of which cause that tired, weary feeling, rashes and, skin cruptions, crysipelas, scrofula and many other diseases.
