

THE CHICAGO SCORE ONE.

Buffalo, Boston and Philadelphia Win Other P. L. Games.

SOME LIVELY CONTESTS ALL ROUND.

It was a great opening and no mistake. The admirers of the local players' League team had nothing to complain about yesterday except the very bad beating the team received at the hands of the Chicago people.

A GREAT CROWD.

The spectators were glad to overflow and the various crowd filled themselves about the far field. To say that the crowd was enthusiastic is putting it very mild.

AN IMPOSING PARADE.

Of course, the parade was imposing and successful, and when the players, headed by the G. A. R. Band, marched onto the grounds there were cheering on all sides.

MR. KING A PUZZLE.

He is a very difficult youth to size up and certainly his measure was not by any means taken by the local spectators yesterday.

MORE BAD ERRORS.

Duffy flew out to Yimer. O'Neill got his base on balls and Combs reached first on a wild throw by Corcoran.

YIMER'S MISTAKE.

Another run was made in the fifth inning. Pfeffer knocked the ball to deep right field and Yimer missed it, allowing Pfeffer to go around to third and Yimer's sacrifice sent run home.

THE LOCAL PLAYERS.

The local players made their first run in the fourth inning. Kuehn made a single and so did Robinson.
