A WARD IS NOT BOUND AT ALL

By a Judgment Entered Against a Guar-

dian for Maintenance.

NOTES AND NEWS PROM THE COURTS

Judge Over, of the Orphans' Court, yesterday handed down an opinion in the matter of the account of Ernest Ziegler as guardian of Edward Kunberger. In his account Ziegler credited himself with \$836 40 paid Mrs. Caroline Hutchison on a judgment obtained by her against the boy Kunberger, who is her half brother, for boarding him for three years. Judge Over refused to J. W. WALLACE, 6121 Penn avenue. allow Ziegler credit for this amount. He

said:
This Court has exclusive jurisdiction in re This Court has exclusive jurisdiction in regard to allowance for support and education of minors, and a ward is not bound by a judgment against his guardian for his maintenance. In the settlement of the guardian's account he may contest such a judgment, both as to its fairness and amount. Continuing he said that the evidence did not support the claim of Mrs. Hutchison, all having lived in one family. The boy contributed his earnings, and the amount paid Mrs. Hutchison would be charged to the guardian. The latter by his neglicence in not properly defending his ward's case, also forfeited his commissions and the costs of this case were placed on him.
