

CARNEGIE NOT IN IT.

The American Midland Railroad Purchased by New Yorkers.

NOVEL CASE OF ALLEGED BRIBERY

The Purchaser Fails to Get the Full Value of His Shaky Investment.

WASHINGTON FARMERS ORGANIZE

SPECIAL TELEGRAM TO THE DISPATCH.

FINDLAY, APRIL 22.—J. P. Carothers,

receiver of the American Midland Railroad,

arrived in the city last night. He says that

nearly all of the claims against the road

have been bought by a syndicate of New

Yorkers, who expect to buy in the road and

complete it. These parties have abundant

capital, and do not represent any other road.

It was at one time rumored that the Carnegie

party would purchase the line to form a loop

from the Pittsburgh, Akron and Western to

Chicago. Receiver Carothers says the parties

buying are in no way connected with either

Carnegie or the Pennsylvania line. When

they get possession they will at

once complete the present line to Fort Wayne,

so that cars will be run through this summer.

The eastern part of the line has not yet

been determined upon, but is built to be

to give through connections to the principal

Eastern cities.

The United States Court will soon order a

sale of the road, which will probably occur

later this June. The surviving courts of the

country yesterday, running a line through the

city, they announced that the road will

pass through the southern part of the city,

and then veer to the southwest, two miles west

of the city.

FAYETTE COUNTY TALKS.

Maner of Choosing Delegates to the Con-

gressional District to the DELEGATES.

UNIONTOWN, April 23.—Saturday, June 14,

will be the Fayette Republican County

Committee as the date for the primaries, and

Monday, June 16, for the county convention.

The convention adopted the following resolu-

tions to-day:

Resolved, That the total conference of three

representatives from each of the counties

of the Twenty-fourth Congressional District, held

in Pittsburgh, Pa., authorized the county com-

mittees to determine the manner of choosing the

Congressional delegates for their respective

counties.

Resolved, That the delegates to each Fayette

county is entitled in the District Congressional

convention of 1890 to the county ticket, is non-

interferable, and that all candidates for

delegates shall be announced in the

Republican newspapers of the county and be voted for at

the primaries, and a receipt of all candidates

to be filed.

The estranged feeling between Democratic

County Chairman Thorndell and Colonel

Seagriff is becoming more marked, despite the

fact that the two candidates are the same.

Chairman Thorndell said to-day that he was

in the right to say, and that if Colonel Seagriff

expected him to get the track at his bidding, he

was mistaken in his man.

A West Virginian Gets \$5 and Several

Drinks and Votes the Other Way.

WHEELING, April 22.—Jack Cunningham,

of Marion county, was put on trial in the United

States Circuit Court yesterday, an indictment

for attempting to bribe A. K. Keller, the

Democratic ticket collector, testified that the

defendant gave him a quantity of whisky,

which he drank, after which he gave him three

more drinks. After that he gave him another

quart of whisky, \$5 and a voting ticket which,

he said, had two or three Democratic candi-

date names on it. The ticket Keller put in

his pocket, having already a Republican

ticket. He was not drunk to the extent of

losing his mind, but he was in a state of
