BOOZE IN BOROUGHS.

List of the Retail Liquor Licenses for Outlying Districts

HANDED DOWN BY THE JUDGES.

More Than Twice as Many Saloons as

There Were Last Year. THE GRIND FOR 1890 NEARLY OVER.

The retail liquor licenses in the boroughs were handed down by Judges Ewing and Magee at 1:30 o'clock yesterday afternoon. The number is more than doubled over the past year, and there are many more than were granted in 1888. In the first year of the Brooks law, Judges Ewing and White issued 51, last year 35 were given out, and this year, with Verona held over, there are

Braddock increases its saloons from 7 to 16, Homestead from 8 to 18, McKeesport from 11 to 20, Sharpsburg from 2 to 5, and Chartiers from 2 to 5. There will be no excuse for illegal selling in the boroughs during the coming year. Green Tree is granted a license for the first time under the Brooks' law, and old Mr. Streitenberger will there smile his paternal smile on the thirsty traveler. The Third ward of Braddock and the Second and Third wards of McKeesport were entirely dry last year, but this year they are prowided for. Only in Beltzhoover and Oakmont have licenses been refused. In Knoxville, Mansfield and West Liberty no applicant was refused.

Statement From the Court.

Immediately after the reconvening of court after dinner, Judge Ewing handed to the clerk a manuscript, saying: "A list of the persons granted retail licenses in the boroughs; also a list of those refused licenses. The borough of Verona is held over to determine the question of law; in two cases, that is. Some of the Verona applications have been determined regardless of the question of law. As a rule, the number of applicants granted license is limited. I wish some of the applicants were here. In several cases persons now having license have been refused. I wish they had been here. In some cases the reasons for refusal are given, because the persons refused have better accommodations than some who are granted; but where there have been repeated violations of the law we feel in duty bound,

Last of the Retail List. The last of the applicants for retail license in Allegheny county were heard yesterday. At the opening of court there remained only le names on the regular list. The Judges agreed to reopen the case of Henry Elkin, of the Second ward of Homestead. On Tuesday of last week Mr. Elkin was not heard, the Court deweek Mr. Elkin was not heard, the Court deviolations of the law we feel in duty bound, looking to the future as well as to the past, to refuse them license. brought the case within the language of the statute which forbids the granting of license again.

The 12 applicants from Shaler township were then heard. The remonstrants were represented by W. M. Price. The applicants were: Samuel Busier, ex-saloon keeper, Evergreen Hamlet road: W. H. Farmerie, now licensed, "Rising Sun" House, Butler plank road: William Henry, Evergreen plank road; Robert J. Snoder, "Nine-mile House," Elinwild station, and Mrs. Ellen B. Thompson, Butler plank road. Lobret is by trade a carpenter. In answer to Mr. Price, Lohret said that he bought a whisky barrel from Bennetts last spring, but that it contained only two gallons of whisky. He maintained that he had not sold a drop during the year, but admitted that he had "loaned" beer to two or three of his neighbors. Moran lives in the Eleventh ward of Pittsburg, and is a member of Chief Brown's police force. He is growing tired of that business, and wishes to try something else. Schopper keeps what is called the Farmer's Home. Snoder allows poole in his neighborhood to have keeps of beer left for them at his house, where they call for them.

In the Fourth ward of Allegheny, John F. Sinclair and his son, D. P., applied for No. 38 Federal street. They were prevented from appearing formerly by Mrs. Sinclair's death. They keep a restaurant.

George Scherer, who had been sick, applied for No. 248 Ohio street. He keeps a restaurant, and before 1888, for four years, he kept a saloon at No. 135 Ohio street. COVERED WITH SORES Boy one year and a half old. Face and body in a terrible condition, being covered with sores. Sulphur springs fail, Cured by Cutioura Remedies.

CURED BY CUTICURA

I have used your CUTICURA REMEDIES in two cases where it proved to be successful. The first was in the case of a boy a year and a half old. His face and body were in a terrible condition, the former being completely covered with sores. I took him to the Massens Sulphur Springs, but he did not improve any. I was then advised to try the CUTICURA REMEDIES, which I did. He took one and one-half bottles of CUTICURA RESOLVENT, when his skin was as smooth as could be, and is to-day. I used the CUTICURA on his sores and the CUTICURA SOAF in washing him. He is now's years of age and all right. The other case was a disease of the scalp, which was cured by washing with the CUTICURA SOAF and rubbing in the CUTICURA, one bottle of CUTICURA RESOLVENT being used. They have proved successful in every case. It is surprising how rapidly a child will improve under their treatment.

Itching and Burning

I have been afflicted since last March with a skin disease the doctors called eczems. My face was covered with scabs and sores, and the liching and burning were almost unboarable. Seeing your CUTICUHA REMEDIES so highly recommended, concluded to give them a trial, using the CUTICURA SOAP externally, and RESOLVENT internally for four months. I call myself cared, in gratitude for which I make this public statement. MES. C. A. FREDERICK, Broad Brook, Conn.

It is an absolute fact that many suffer, and indeed too many are daily hoodwinked by patent medicine and quack treatment, and they give way to foolish advice and leave a regular schooled and reputable physician to resort to schooled and reputable physician to resort to all kinds of patent nostrums in vain to find health and strength, when they could really be assured that there is more nourishment in one bottle of Klein's Silver Age than in a carload of the stuff they call "invigorators," It is, too, a fact not to be passed by, the indersement of well-known physicians, who cheerfully indorse this excellent and pure stimulant.
