ELECTRIC LINE,

Will Bring the

So delightfully and healthfully situated at DRAVOSBURG, PA., into easy access to MCKEESPORT,

This is the changes: and most complete plan of BUILDING LOTS, with the grades of all streets carefully established, yet offered to the public, and is within 15 minutes' walk of the Baltimore and Ohio and Pittsburg, McKees-port and Youghiogheny Railroad depots at McKeesport, and from 3 to 5 minutes' walk to Dravesburg station, on the Pittsburg, Virginia and Charleston Railroad, and to the Reynold-ton station, on the Pittsburg, McKeesport and Believernon Kailroad.

ADVANTAGES TO WORKINGMEN.

These lots are within 15 minutes' walk from the National Tune Works, the W. Dewees Wood Co.'s Iron Works, the new Monoughhela Furnace Co., the National Rolling Mill Co., at McKeesport; hence the advantage of these lots as homes for workingmen is apparent.

THESE LOTS ARE BEAUTIFULLY LO

CATED FOR SUBURBAN RESIDENCES.

Overlooking the Monongahela Valley at a healthy elevation, with good natural drainage and pure water, at prices surprisingly low con-sidering the advantances in location, ON WEEKLY, MONTHLY OR YEARLY PAY-

MENTS, to surprinkers. The plan is outside of any borough limits, and purchasers escape all borough tax. The levy in Mifflin township is only about 10 mills.

THESE LOTS SELL AT PRICES RANGING

FROM \$200 TO \$500.

Hum of the Courts.

THE suit of Peter Wagner against William

Standing, Catherine Thompson and Henry Jarvis is on trial before Judge Slagle.

States Circuit Court on the petition of credit-ors of the Cameron Coal and Iron Company for leave to intervene. Judgo Acheson re-served his decision. MCKIBBEN & Co. yesterday issued an execu-

tion against the Squirrel Hill Rallway Com-pany for \$14,944 34. The order for the sale of the company's property on other executions was stayed by the court.

MECHANICS GOING WEST.

They are in Demand in the States of Washington and Oregon.

Thomas Speer, the passenger agent of the Union Pacific road, reports a fair business west from Pittsburg. He frequently books as many as 40 people a week to western points. Many of them, he says, are me-chanics who have offers of good wages from growing towns in Oregon and Washington. The number of round trip tickets sold keeps up the average. The outlook for western tourist business is fair.

On His Way to Rome.

Bishop Monogue, of Sacramento, with his private secretary, passed through the city yesterday, bound for Rome to see the Pope WF about diocesan matters. He paid fine compliments to Bishop Phelan and Andrew Carnegie. He thinks Pittsburg is a wonderful city.

Looking for Water, Not Oil.

Mr. T. B. Atterbury states that the report of the strike of an oil well upon his property in Shadyside is a baldheaded yarn. The facts are that an artesian well is to go down 60 feet, and that 30 feet has been put down, but that water is expected, and not

Gratifying to All.

The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy Syrup of Figs, as the most excel-lent laxative known, illustrate the value of the qualities on which its success is based and are abundantly gratifying to the California Fig Syrup Company.
