NOW IS THE TIME

FOR A STRIKE. The Drayosburg Bridge Com

IS NOW READY FOR BUSINESS. Come, Investigate and Invest In the cheapest and most complete plan of BUILDING LOTS ever offered, with the grades of all streets carefully established and a 20-foot building line maintained.

RISHER PLAN OF LOTS -AT-DRAYOSBURG

Is now accessible to McKeesport owing to the opening of the bridge, and is within 15 minutes' walk of the Baltimore and Ohio and Pittsburg, McKeesport and Youghiogheny Railroad depots, at McKeesport, and from 3 to 5 minutes' walk to the Dravosburg station on the Pittsburg. Virginia and Charleston Railroad, and at the Reynoldton station, on the Pittsburg, McKeesport and Bellevarnon Railroad. ADVANTAGES TO WORKINGMEN,

These lots are within 15 minutes' walk from the National Tube Works, the W. Dewees Wood Co.'s from works, the new Monongahela Furnace Company and National Rolling Mill Company, at McKeesport, hence the advantage of these lots at homes for workingmen is apparent.

These lots are beautifully located for suburhan residences, overlooking the Monongahela Valley at a healthy elevation, with good natural drainage and pure water, at prices surpr low, considering the advantages in locati

A NEW Suburban Town Site,

THREE LINES OF RAILROADS, LOW TAXES

A gratifying feature of the place. The opening of the Reynoldton and Dravosburg bridge has caused a regular boom in Dravosburg. Workingmen who desire to own their own home generally look to the advantages and disadvantages of a place before investing. The easiest manner in which a workingman can secure a home is to secure a lot in a desirable plan, and he can build a house thereon and pay for it as easy as paying rent.

THE NEW RISHER PLAN OF LOTS AT DRAVOSEURG IS JUST THE PLACE FOR SUCH AN INVESTMENT, BECAUSE THE TAXES ARE SMALL,

It is almost a portion of the city itself, being only 14 minutes' walk from the center of Mc-Keesport, which the new Dravosburg bridge, opened this week, and an electric street car line, to be built this summer, brings into easy

AND CHARMING, Overlooking the beautiful Monongahela and the city of McKeesport. People living in McKeesport have to suffer from the smoke and dust of the mills, and they find it more pleasant and healthful for themselves and children to live a short distance away from the heart of the city. The Risher plan at Dravosburg eclipses all others on the market and
