HIS WRITING TESTED.

An Important Witness in the Clayton Case Made to Reproduce

A LETTER OF JACK THE RIPPER.

By So Doing He Proves He is Not the Author of the Original.

CONCLUSION OF THE HEARING TO-DAY

LITTLE ROCK, May 6 .- The Clayton-Breckenridge investigating committee listened to the evidence of over 100 witnesses to-day, the majority of which were negroes, put upon the stand for the purpose of proving how they voted at the Presidental election. Shortly after the committee assembled in the morning Hon. Carroll Armstrong arose and made an apology for the strong language he used on the evening before in denouncing the slanders against the people of Conway county. His apology was made to the committee. Before adjournment this afternoon the Chairman, Mr. Lucey, announced that it was the intention of the committee to conclude its labors to-

The most important witness called today was Oliver T. Bentley, the man whom Clayton suspects of having killed his brother. Bentley is the Deputy Sheriff of killed at Plumerville.

DEPUTY BENTLEY'S STORY. To-day he handed the commtitee papers in the divorce case of Luther versus Luther, which he served on Lydia Luther and others

on Tuesday afternoon, January 29, 1888, scross the river from Morrilton. He returned from across the river about 5 o'clock in the afternoon. About dark that night he served notice on John Hinkle, the attorney, to take a deposition in the case on February 8. Hinkle appeared before the committee and corroborated the testimony given on this point by Bentley. Witness is pre-pared to prove that after he left Hinkle he went to supper and from there attended a

After witness had given this testimony he was asked if he had any objection to giving the committee a specimen of his handwrit-ing, to which he made answer in the negative. Chairman Lacey then dictated to the witness to write the following letter, which he did very rapidly:

A GORY EPISTLE. STATE OF NEW HAMPSHIRE, June, 1889. Town Marshal, Morrilton, Ark.;

You may soon prepare your coffin and bid adien to your family, as you shall soon take the road that Colonel Clayton took. I am a little sorry for killing Colonel Clayton, as we thought it was old Powell Clayton. He is the one we shall kill before many suns does set over his head, and you yourself.

As soon as Bentley concluded writing the above gory article he handed the sheet of paper to Major Lacey, who compared the writing with that of the original. There was no similarity whatever in the chirography of Jack the Ripper, No. 1, and He Receives With Indifference the News of

CAPT. M'CALLA'S DEFENSE.

His Attorney Says That Sunday School Methods Won't Do on a Man-of-War.

NEW YORK, May 6 .- The last day of the McCalla court martial was given up to the him. hearing of the argument of the counsel for brought out by the defense in the cross-examination of witnesses, showing the bearing instances of worse punishments and subsequent acquittal of the officer. The counsel defended the use of strait jackets for re-straint or punishment. Before ships of war could be carried on like a Sunday school or | Likewise an Electric Railway to be Built as an assembly at Delmonico's the millenium

The charge covering the Walker matter was the only one on which his client should have been tried. McCalla, Mr. Choate said, was justified in going on deck to look and from thence to Etnaville, O. The cost into a disturbance which had overcome the officer of the deck, and he was justified in all that followed. Acting under the statutes McCalla had drawn his sword, and resting the point of it on the deck had said to Walker: "If you don't stop your noise I will cut you down." Walker challenged him to do it.
The crew became threatening. McCalla then must have either given in or struck

Atter Mr. Choate concluded, Judge Advocate Gorst reviewed the case, and pointed out variances in the testimony on certain specifications. This closed the public hearing, and from day to day the board will meet with closed doors until they have prepared their report. This will be sent to the Secretary of the Navy for his approval.

PRINTING DEADHEAD TICKETS.

The Allegheny Committee Discusses the Art Preservative, as Applied to Councilmen.

At the meeting of the Allegheny Printing Committee last night bids for newspaper advertising were opened. They were as follows: Commercial-Gazette, 40 cents per square for first insertion, and 35 cents for each subsequent insertion; Press, 24 cents for each insertion; Volksblatt, 20 cents for each insertion; Chronicle-Telegraph, 25 cents for each insertion: Freiheit's Freund, 30 cents for each insertion. The bids were regular, and the bonds accompanying each were approved, and they will all be submitted to the joint session of Councils to-

morrow night.

The committee approved bills to the amount of \$2,100, but in the doing a small cloud arose temporarily when Mr. Knox, of the Sixth ward, entered a mild protest against a bill for \$4 25 for printing the passes intended for members of the Library Committee, entitling them to entrance to entertainments in Carnegie Hall. Mr. Knox moved that the bill be referred to the Library Committee. There was a good deal of fun over the matter, and as nobody would second the motion it was not put by the Chairman, Mr. Parke. The bill was then approved, and passed with other bills.

POLITICS AND QUEER BEDFELLOWS. Rival Delegates Who Are Close Priends and

Business Partners. As an instance of the unprecedented bitterness of the Bayne-Shiras fight it is ascertained that all former precedents of courtess between the opposing candidates have been violated in the "setting up" of rival delegates in each candidate's voting precinct. Mr. Shiras started the music by setting up a Shiras delegate in the voting precinct of Colonel Bayne at Bellevue. Thereupon the Bayne leaders put up a Bayne delegate in the Second precinct of the Fifth ward, where Mr. Shiras is wont to deposit his

SOME ABNORMAL WEATHER.

Eight Degrees Below Normal, and a Cool Summer Probable.

The gentlemen away up near the sky in the Schmidt & Friday building, who dish Conway county, and claims to have been in Morrilton on the night that Clayton was Sam's heritage, do not trouble themselves much over the present vagaries in temperature and moisture. At 10 o'clock last night it was said there would be frost this morning if the clouds cleared away and the wind fell before morning and the temperature to-day is like to be lower than that ture to-day is like to be lower than that of yesterday. The mean temperature yesterday was 50°, and that for the mouth 61°. The normal temperature for 18 years past on May 6 has been 88°, so that yesterday was over 14 per cent below, or unusually cool. Baby a Solid Rash.

Ugly, Painful, Blotched, Malicious. No Rest by Day, No Peace by Night. Doctors and All Remedies Failed. Tried Cuticura. Effect Marvelous. Saved His Life.

Cured by Cuticura Our oldest child, now 6 years of age, when an infant 6 months old, was attacked with a virulent, malignant skin disease. All ordinary remedies failing, we called our family physician, who attempted to cure it; but it spread with almost incredible rapidity, until the lower portion of the little fellow's person, from the middle of his back down to his kucca, was one solid rash, agiy, painful, blotched and malicious. We had no rest at night, no peace by day. Finally, we were advised to try the CUTICHA HEMPEDIES. The effect was simply marvelous. In three or four weeks a complete cure was wrought, leaving the little fellow's person as white and healthy as though he had never been attacked. In my opinion, your valuable remedies saved his life, and to-day he is a strong, healthy child, perfectly well, no repetition of the disease having ere occurred.

Boy Covered With Scabs

My boy, aged 9 years, has been troubled all his life with a very bad humor, which appeared all over his body in small red blotches, with a dry, white scab on them. Last year he was worse than ever, being covered with scabs from the top of his head to his feet, and continually growing worse, although he had been treated by two physicians. As a last resort. I determined to try the CUTICURA. REMEDIES: they did nil that I could wish. The humor rapidly disappeared, leaving the skin fair and smooth, and performing a thorough cure.

THE PUBLIC

During the past two years have read the many testimonials from patients who have been cured by the physicians of the Catarrh and Dyspepsia Institute at No. 323 Penn avenue. Please remember that these patients were not those who had some simple catarrh of the head—which, with a few local treatments and snuff medicines at the hands of the doctor seem to be cured-but were patients suffering from catarrh in its most aggravated, chronic form, and which, in some cases, had developed into consumption. Notwithstanding the fact that numerous traveling doctors and so-called specialists have located in Pittsburg, the patronage of this medical institution has steadily increased. The testimonials published, and which always contain the name as signed by the patient, together with the crowds of people who daily call on these specialists, prove their success in the treatment of catarrh. Also please remember that this is the only institution in Pittsburg where only catarrh, dyspepsia and diseases of women are received for treatment preferring to treat these diseases successfully rather than attempt to cure all diseases.

Mr. Fred Hahn. Another well-known resident of Sharpsburg has been a victim of catarrh and dyspepsia. His stomach gave him an endless amount of trouble. He had belching of gas from his stomach after eating, sour taste, and often felt like vomiting his food. His appetite was poor and as his liver was much enlarged it gave him Ilke vomiting his food. Who isn't interested in Shoes? Who isn't anxious to know where the best footwear can be gotten for the least money?

If you will give us your attention for a few minutes, we in return will give you many dollars-in clean, clear savings.

Above all things, bear this one fact in mind: We don't sell any but

Leatherette, which bears the same relation to leather as does oleomargarine to butter, or shoddy to wool, is now more than frequently palmed off on unsuspecting customers as the genuine article. A few weeks' (often a few days') wear invariably settles a pair of leatherette shoes, leaving you to wonder why you are so much "harder" on shoes than your neighbor who buys his shoes at Kaufmanns'.

But it's never too late to mend. If you have never bought your shoes from Kaufmanns, do so now. You'll be the gainer by it, as the following prices will prove:
