THE SPORTING NEWS OF THE DAY.

The local National League club is today at a meeting of the directors last evening, after the meeting Director O'Neil said:

"Most certainly we have never talked of leaving the city." All rumors are, therefore, idle, as has been stated already in this paper, and the rumor vendors will now have to live themselves in other directions.

The meeting of the directors last evening was of importance and lasted from 8 o'clock until nearly midnight. President Nimick, Secretary Sandreott and Directors Cowley, O'Neil and Brown were present.

Every director has his say on the matter and the general tenor of the speeches was to the effect that the new League would not last long and that the old National League Club be supported by all the directors.
