MANY FOR MONTOOTH.

Gubernatorial Expressions by Members of the Americus Club.

BUSINESS MEN AND OFFICIALS

Declare Themselves for the Allegheny County Candidate.

A SOLID DELEGATION FOR THE MAJOR

Politicians continue to talk about the meeting of the Americus Club last Saturday, and more light is being cast on the attempted indorsement of Major E. A. Montooth. The first rumors about the affair, it was claimed, created a somewhat false impression as to what was intended and what really took place.

There was evidently no premeditation on the part of the friends of Major Montooth. That gentleman was himself present at the meeting, but had no idea that a motion to indorse him would be made. There were not over 40 members present. Vice President C. C. Baer, who is not accustomed to preside, occupied the chair. W. W. Colville, the Corresponding Secretary of the club, moved that the club should attend the Republican State Convention at Harrisburg. Captain John A. Reed said that the club ought to go down there with an object, and he moved an amendment that the club indorse Allegheny county's candidate for Governor, Major E. A. Montooth.

From all that can be learned Captain Reed made this motion on the spur of the moment without consultation with any person, and without even stopping to consider that the motion was contrary to the rules.

NOT ACCORDING TO RULE.

Vice President Baer entertained the amendment, when another member arose and called the attention of the presiding officer to the rule which provided that notice of a motion to indorse any candidate for a State office must be given at a meeting preceding that where the motion should be voted on. Mr. Baer at once suggested that the motion, being out of order, it might be withdrawn, and Captain Reed promptly withdrew his motion to amend.

During the brief time occupied by these proceedings Major Montooth was sitting in a recess at one side of the room, where he could not be seen by most of the members present. After the meeting the gentleman who raised the point of order went to Major Montooth, assured him that he was personally in favor of the Major, and that his point was raised simply in the interest of order.

A number of the members who were present have been interviewed, and they agree that there was no premeditation in the motion, and that, as a matter of fact, a very large majority of the members are favorable to Major E. A. Montooth for Governor. The almost unanimous opinion is that Major Montooth, if he desired it, could secure the indorsement of the club by a large majority.

THE OFFICERS FOR HIM.

Harry S. Paul, the President of the Americus Club, was asked his preference for the Governorship. He said: "I am for Montooth all the way through. If I were a delegate to the convention I should vote for the Major first, last and all the time. The candidates are all warm friends of mine, but Montooth is my personal favorite. I hope to be able to go to Harrisburg and do what I can for him."

As to the preferences of the members of the club, President Paul said: "I think a majority of the members are for Major Montooth. I know that some who opposed the motion made the other night, because it was out of order, are warm friends of the Major. They have so told me since."

Walter S. Lyon, United States District Attorney, said to the reporter: "I cannot speak for the Americus Club, because I am scarcely ever there. I am a sort of banquet member. As for myself, I am for Major Montooth. I expect to be a delegate from this county to the State convention, and to vote for Major Montooth at Harrisburg."

THE MAJOR STRONGEST.

Vice President C. C. Baer said yesterday: "I have no idea that there was an intention among Major Montooth's friends to present a motion to indorse him. I heard nothing about the motion until it was made. The club has always acted independently, and on the Governorship I know that the members are divided. But I think there is a stronger element for Major Montooth than for any other person."

Postmaster James S. McKean, a prominent member of the club, said: "Personally I am for Major Montooth, and I think he has more friends among the members than any other candidate. The Americus Club is not really a local affair, several of the candidates are members of it, and all, naturally, have their friends."

Sheriff McCandless said: "I think the club is very strongly for Major Montooth. Many of the delegates who will go to the State Convention from this county for him are members of the club, and he will have a solid delegation of 16 from Allegheny county. I expect to be one of them and to do my best for him. I count on seeing him made the nominee."

W. R. Ford said: "The members of the club with whom I have talked are nearly all for Montooth, although the other candidates have friends. I am for the Major, for one.

EVERYBODY'S FRIEND.

Clarence Burleigh, Esq., said: "I am for Major Montooth. Although I am a member of the club, I am so busy that I scarcely ever get time to visit it or to attend a meeting. I can say that I have not found a man or woman in Allegheny county who is not for Montooth for Governor. I should say that the sentiment in this locality is practically unanimous. Of course, many of those whom I meet in the course of affairs are members of the club, and all are for the Major."

J. O. Brown, Chief of the Department of Public Safety, said: "I expect to be a delegate for Major Montooth and will do all I can to secure his nomination. I expect to see him have a strong support in the convention. I do not get to the meetings of the Americus Club often, but I am quite sure that Major Montooth could carry the club."

Major Joseph F. Denniston, Department Commander of the G. A. R., said: "I am for Montooth. I am ready to work for him and to spend my money for him. I do not know the sentiment of the club, as I hardly ever get there, being too busy. Among my Republican friends I find an overwhelming sentiment for Montooth, and many of them belong to the Americus Club."

SANITATION IN THE CITIES.

IMPORTANT PAPERS READ AT THE PHILADELPHIA CONVENTION.

Best Method of Purifying Drinking Water —Need of State Legislation on Meat Preservation — Philadelphia's Sewage System Sharply Criticised—Defects of Rural Homes.

[SPECIAL TELEGRAM TO THE DISPATCH.]

NORRISTOWN, May 9.—The fourth State Sanitary Convention of Pennsylvania opened a two days' session at the Court House to-day. State Treasurer Henry K. Boyer was to have presided, but owing to the illness of his father he telegraphed he would not be present. Secretary of Internal Affairs Thomas J. Stewart rapped the convention to order and gracefully presided over the interesting deliberations. The address of welcome was delivered by Lawyer Isaac Chism, a member of the town Council, and was responded to by Hon. Samuel F. Davies, member of the State Board of Health of Pennsylvania, of Lancaster.

The first paper read was by Dr. C. W. Chancellor, Secretary of the State Board of Health of Maryland, on "the purification of drinking water." Filtration by sand he maintained was of very little use, by spongy iron not very successful, by sponge platinum most reliable, but too costly; by electrolysis the best. Dr. McClelland advocated filtration for large cities by means of iron, as used at Antwerp. Dr. Lee confirmed the statements in Dr. Chancellor's paper and moved a vote of thanks to the Maryland doctor.

Dr. Joseph Edwards, of Philadelphia, maintained, in a paper on "Christian Sanitation," that electrolysis was the best means of purifying water. Judge Henry K. Weand pointed out the way and the necessity for sanitary organization of the State under legislative enactment, and valuable suggestions were thrown out in the discussion of the paper by President Judge Aaron S. Swartz, Lawyer George W. Rogers and others. Prof. Henry Leffman, of Philadelphia, food analysist of the State Board of Agriculture, discussed the abuse of salicylic acid as a food preservative. He advocated Legislative provision that food preserved by that means should be labeled, giving the amount of acid used.

General D. H. Hastings was expected to read a paper entitled "Sanitary Lessons of the Johnstown Flood," but for some unexplained reason the Gubernatorial candidate was not present. Dr. Lee received a telegram this evening, however, from General Hastings, stating that he would be present to-morrow. In discussing a paper on sewage, Charles Heber Clarke, of Conshohocken, said that it was a disgrace to civilization that Philadelphia was compelled to resort for its drinking water to a stream made a common sewer by the cities and towns of the Scuylkill valley.

Dr. Samuel Wolf, of Skippack, lecturer on physiology at the Medico Chirurgical College of Philadelphia, enlarged on the sanitation of rural homes, and Dr. H. A. Arnold, of Ardmore, ex-President of the Montgomery Medical Society, closed the afternoon session by reading a paper on sanitary defects in manufacturing establishments. This evening A. Arnold Clark, lecturer on hygiene, Lansing, Mich., delivered the annual address before the State Board of Health, and Rev. Thomas R. Beeber, pastor of the First Presbyterian Church, Norristown, read a paper on the relation of the church to sanitation, which was discussed by Revs. Isaac Gibson and J. B. Henry. The session will be concluded at the State Hospital for the Insane tomorrow afternoon.

The Grahams, who are father and son, are charged with being the persons who almost cut off the tongue of a horse owned by Garrison, Williams & Co., No. 21 Seventh avenue, on Wednesday of last week, because the animal became balky on New Grant street.

About four inches of the horse's tongue had to be cut off after the affair.

Baby a Solid Rash.

Ugly, Painful, Blotched, Malicious. No Rest by Day, No Peace by Night. Doctors and All Remedies Failed. Tried Cuticura. Effect Marvelous. Saved His Life.

Cured by Cuticura

Our oldest child, now 6 years of age, when an infant 6 months old, was attacked with a virulent, malignant skin disease. All ordinary remedies failing, we called our family physician, who attempted to cure it; but it spread with almost incredible rapidity, until the lower portion of the little fellow's person, from the middle of his back down to his knees, was one solid rash, ugly, painful, blotched and malicious. We had no rest at night, no peace by day. Finally, we were advised to try the CUTICURA REMEDIES. The effect was simply marvelous. In three or four weeks a complete cure was wrought, leaving the little fellow's person as white and healthy as though he had never been attacked. In my opinion, your valuable remedies saved his life, and to-day he is a strong, healthy child, perfectly well, no repetition of the disease having ever occurred.

Boy Covered With Scabs

My boy, aged 9 years, has been troubled all his life with a very bad humor, which appeared all over his body in small red blotches, with a dry, white scab on them. Last year he was worse than ever, being covered with scabs from the top of his head to his feet, and continually growing worse, although he had been treated by two physicians. As a last resort, I determined to try the CUTICURA REMEDIES; they did all that I could wish. The humor rapidly disappeared, leaving the skin fair and smooth, and performing a thorough cure.

CATARRH CURED TO STAY CURED.

AN AGGRAVATED CASE OF FIVE YEARS' SUFFERING CURED BY DR. BYERS OVER TWO YEARS AGO REMAINS WELL TO THE PRESENT TIME.

Mrs. Perry, cor. Ann and Moultrie Sts., city

For five years Mrs. Perry suffered from such severe pains that she could not give attention to her household duties, could get air through neither nostril, consequently slept with her mouth open and snored so loudly that none could sleep in adjoining rooms. Food she could not retain on her stomach, especially supper; this she vomited as soon as eaten. Dr. Byers removed the swellings from her nostrils, opening them up so she could breathe through them, reduced the soreness and inflammation, and gave her medicine for her stomach. She never vomited after taking the first dose of medicine, and in three months was entirely well. A few days ago Mrs. Perry called to consult Dr. Byers about her arm and said her head and stomach still remained well, thus disproving the popular idea that catarrh cannot be cured to stay cured.

HOME TREATMENT A SUCCESS.

A lady patient of Howard, O., writing for her second month's treatment, says: "I am feeling much better, my head has not pained me for over two weeks, and the terrible pain I had in my back is gone."

TREATMENT $5 A MONTH.

Dr. Byers continues to treat catarrh and all chronic diseases for $5 per month, medicine included. That the public appreciate good, honest treatment at low rates is evidenced by the fact that he is kept busy from morning till night. One day he treated 24 people for catarrh alone. He consults with and treats every patient himself. Office established 1885.

WE ARE DIRECT IMPORTERS

Of Lace Goods from England, France and Belgium. We deal only with the manufacturer and can well afford to sell at lower prices than houses doing business in a small way. That this is a reasonable assumption on our part every fair-minded reader will admit. Here are a few quotations:

Black Drapery Nets, 45 inches wide, in many styles, 75c to $3.
