LOW TAXES

A gratifying feature of the place. Theopen-ing of the Reynoidton and Dravosburg bridge has caused a regular boom in Dravosburg, Workingmen who desire to own their own home generally look to the advantages and dis-advantages of a place before investing. The easiest manner in which a workingman can se-cure a home is to secure a lot in a desirable plan, and he can build a house thereon and pay for is as easy as paying rent.

The new Risher plan of lots at Dravesburg is just the place for such an investment, be-cause the taxes are small,

How many men's \$10 suits we are selling. Light colors have the call just now, they seem the choice of the young men, and the dark colors also have a big sale.
