Accurate Reports from All of the Leading Mining Centers.
THE LOST TREASURES OF MEXICO

DISCOVERY OF A MOUNTAIN OF COAL

SPECIAL TELEGRAM TO THE DISPATCH.
NEW YORK, May 25.—The following reports have been received from the leading mining centers of the West:
IDAHO CITY.—Movements in quartz mining have taken a start, and several Eastern companies are making arrangements for investing in this country, with prospects of getting hold of some of our very best mines.

It is a light. The last report of the diamond drill in the Great American speaks favorably of the work that is being done there. Several seams of ore have been cut, but the main ledge has not been tapped. A rich strike has been made in the Senator, though they have been trying to keep it quiet. It was found 300 feet below the grass roots. Superintendent Rieley, of the Ryland, has a large force of men on that mine, and will soon have 400 stamps falling. In the Bradshaw district there are three mills crushing, Crowned King, Oro Belle, and Del Paso. The closures are reported good. The miners in the Tip Top district are taking out about \$15,000 per month.

A REQUEST OF SECRETARY TRACY
Which Councils Will To-Day Be Asked to Make an Ounce.
In accordance with the move to have the Government name cruiser No. 6 "The City of Pittsburgh," as detailed in THE DISPATCH of Thursday, Councilman John N. Jarrett, of the Twenty-fifth ward, will, at 3 P. M. to-day, present to Councils the following resolutions:
WHEREAS, We deem the naming of the warships or cruisers of the Government after the principal cities of the country a high, honorable, and an act that will tend to inspire the citizens of such cities with a high, noble and an energetic interest in the welfare of our navy; and

WHEREAS, The great assistance heretofore rendered by this city to the Government in the construction and maintenance of armored war vessels, and the building of a high, noble and an act that will tend to inspire the citizens of such cities with a high, noble and an energetic interest in the welfare of our navy; and

ONE OF THE GREATEST BANKRUPT ASSIGNEE'S CLOTHING SALES
That Has Ever Taken Place in Pittsburgh
Now Going on at 546 Wood Street.
The greatest bankrupt assignee sale of fine clothing that has ever taken place in this country is now in full blast at 546 Wood street, Pittsburgh. The building at times is not large enough to hold the large throngs of people. The like of it was never known in Pittsburgh before where clothing was sold so cheaply. There was a dress suit, worth \$18, sold at 25 cents on the dollar, meaning a saving to you of 65 cents on every dollar's worth purchased. All you could hear all about the building was, "Cash, cash, cash, I will take that suit." "Have these pants wrapped up for me." People coming for miles to attend this great sale which is now going on at 546 Wood street. If you are money you will not miss this chance.

FOR NERVOUS DISEASES
Use Hood's Acid Phosphate.
Dr. F. G. Kelly, Alderson, W. T., says: "I have prescribed it in a large number of cases of restlessness at night, and nervous diseases generally, and in all cases of indigestion caused by lack of sufficient nourishment of the stomach, with marked success, and consider it one of the best remedies known to the professional world."

In the Spring
Nearly everybody needs a good medicine. The impurities which have accumulated in the blood during the cold months must be expelled, or when the mild days come, and the effect of bracing air is lost, the body is liable to be overcome by debility or some serious disease. The remarkable success achieved by Hood's Sarsaparilla, and the many words of praise it has received, make it worthy your confidence. It is the "ideal Spring Medicine."

SOME OF MR. CARNEGIE'S VIEWS
Expressed in a Letter Recently Written to Councilman Lambie.
It was learned yesterday that Mr. James M. Lambie had received a letter from Mr. Carnegie, which that gentleman wrote just before sailing for Europe. A reporter called upon Mr. Lambie and asked permission to publish the letter. Mr. Lambie said: "I do not feel that I am at liberty to publish the letter. I did receive one from Mr. Carnegie, written a few days before his departure, treating entirely of library matters. It is an interesting letter, but was addressed personally to me. I cannot make it or its substance public until I confer with several other persons."

SUNDAY AT THE CENTRAL.
Spoke-Many Men, Drunks and Vagrants Received Varying Sentences.
The Central station hearings yesterday morning were not very sensational. Owen Day paid \$25 and costs for keeping a speakeasy on Fifth street, and Thomas Carey, of Forbes avenue and Brady street, put up a forfeit of \$105 for a hearing on the same charge on Wednesday.

PROFITABLE EMPLOYMENT.
We want to engage the services of an energetic man or woman to represent THE LADIES' HOME JOURNAL, to distribute sample copies, secure the names of women to whom we can mail sample copies, display posters and other advertising matter and secure subscriptions. We offer employment that will pay far better than clerkships. Send for circulars, illustrated premium list, sample copies and private terms to agents.

Reliable Clothing.
We don't go in much for \$10 and \$12 Suits. We have them, but, as a rule, we don't think such kinds are worth more than you pay for them. We find that the sorts we sell for \$18 to \$25 are the qualities most gentlemen want.

CONVICT LABOR.
ST. CLOUD, May 25.—At the meeting of the Labor Congress last evening the matter of the employment of convict labor by D. E. Myers, of the reformatory, in the construction of State buildings, was thoroughly discussed, and it was decided to aid Mr. Myers in his project, providing that he would explain to them personally his method of operating, and provided his methods corresponded with their views.

150 CASES OF CATARRH
Successfully Treated by the Catarrh Specialists at 323 Penn Avenue During the Past Week.
That the public have come to fully realize that the Catarrh and Dyspepsia Institute is the only institution in Pittsburgh where Catarrh is permanently cured is proven by the rapidly increasing patronage which it is receiving. From early in the day until late at night the parlors are filled with patients. The hundreds of testimonials that have been published in the daily papers are from patients who have suffered from Catarrh in its most agonizing chronic form, and which, in some cases, had developed into consumption. A very satisfactory coincidence is, that a large proportion of patients who apply for treatment were recommended by their friends. Mr. Fred Hahn, a resident of Sharpsburg, and well known throughout Allegheny county and Western Pennsylvania, has for years been a victim of Catarrh and dyspepsia. His stomach gave him an endless amount of trouble. He had belching gas from his stomach after eating, sour taste, and often felt like vomiting his food. His appetite was poor, and as his liver was much enlarged it gave him great pain. In fact, he would often be taken with such sharp cramps and pain across his stomach and bowels it seemed as if he could not live. He had palpitation of the heart, dizziness, weakness and pain across the chest, and a numb, lifeless feeling in his limbs. He had lost his sleep, and he had lost his appetite, and under his shoulder blades. Night sweats were common, and he had gradually grown worse until he lost 30 pounds of flesh.

TO-DAY AND TO-MORROW
Will go a mighty long way at this Special Sale to-day and to-morrow. Why, there isn't a Kilt, Short or Long-pant Suit in the entire line that is sold at a higher price than the material alone would cost you. The expense of making is left out of the question entirely. Thus, for instance, Kilt Suits, valued everywhere else at \$4, \$6 and \$8, are offered at this sale at \$2.50, \$4 and \$5—Short-pant Suits that are sold regularly at \$3, \$5 and \$7, can be had to-day and to-morrow at \$2, \$3.75 and \$5—Long-pant Suits, worth \$8, \$10 and \$12, can be bought for \$5, \$6 and \$7.50.

SMALL PURSES
COMFORT FOR OUR PATRONS.
Now, since the heated term has commenced in earnest, the comfort and convenience of our patrons, while purchase is a matter of utmost importance, right here let us state that no building in the city of Pittsburgh has better ventilation, cooler and brighter salerooms, or more comfortable furnishings and equipments than the great shopping mart at the corner of Fifth avenue and Smithfield street. "It is," as a lady recently remarked, "not only a matter of profit, but of pleasure as well, to patronize Kaufmanns." The surroundings look so cheerful and homelike, and everybody is so courteous and obliging.

A SPECIAL INDUCEMENT
Although the bargains we shall offer to-day and to-morrow in our Boys' Department will be the best and greatest of the season, we nevertheless will present each purchaser with one of these three handsome gifts: No. 1, A Cast-Net Wheel, the most amusing novelty ever made; No. 2, A Regulation Ball and Bat; No. 3, A Target Pistol, perfectly harmless and accurate, shoots caps or arrow.

THOSE 11c. PANTS.
600 more pairs of those 11c. Knee Pants for Boys will be offered to-day and to-morrow.
