MR. HARRISON WON'T RUN AGAIN.

A Republican Congressman Sharply Criticises the Executive.

BLOW PROGRESS IN TARIFF MATTERS

LFROM A STAFF CORRESPONDENT. WASHINGTON, June 2 .- A Western Republican, who claims that President Harrison's persistent snubbing is a sure indication that he is not a candidate for re-election, said to-day: "You recollect that he snubbed the Duquesne Club, of Pittsburg? Yes? Then he snubbed the National Convention of Charities and Corrections, which

met at Baltimore the other day. As a citi-

sen of Indianapolis he took an interest in

them, but as President he was too busy to

go 40 miles to see them. "Confound such rubbish!" said the Westerner, with wild Western vigor. "And, lastly," he continued, "the President, on his way to Cleveland, deliberately snubbed the Scotch-Irish Congress then in session at Pittsburg.

A SEVERE CRITICISM.

"The Presidental sybarite couldn't stop off at Pittsburg a few hours, forsooth, because he wanted to get back home early and didn't propose to be delayed until 12, He was bound to be at home by 9 o'clock, like a good little boy. No such wicked hour as midnight for him. No, indeed. Special trains and other alluring arguments were tendered him in vain. He deliberately snubbed Pittsburg and the great Scotch-Irish race. "But he finally accepted and attended,

didn't be?" 'Yes, he finally accepted and attended; but a sullen and ungracious consent is worse than a courteous and gracious refusal. And other note the hours of his attendance. He arrived at Pittsburg at 7 o'clock, breakfasted and began his reception at the unheard-of hour of 8:30, concluded at 9:30, rushed to the depot, and at 10 was off for this city. That was a truly royal reception to extend to the Scotch-Irish Congress, wasn't it?"

"But it is claimed 3,000 people shook hands with him."

A SNUB EMPHASIZED. "All the worse. That would be at the rate of 50 a minute, or about one a second, a bare hand touch. A nice hop-skip-and-jump reception that. It only emphasized the

"How does all this prove to you that the "My friend, do you think for a moment

that the man who received every delegation that visited him during weary months and made a polite speech full of sweet sound, if of nothing, and never snubbed any of them, would go into the business now, not casually, but regularly, if he were a candidate again?" LIGHTNER.

STILL CONSIDERING TARIFF. THE SENATE FINANCE COMMITTEE MAKES LITTLE PROGRESS.

It May Be Ready to Report This Week-The Tin Plate Paragraph Passed Over Without Action-A Protest From Tobacco Manufacturers.

Washington, June 2.—Two hours were spent by the Republican members of the Senste Finance Committee this morning in the further consideration of the tariff bill.

The time was devoted to schedule D, wood and manufactures thereof. Progress was and manufactures thereof. Progress was slow, considerable difference of opinion rates of outy on the at the beginning. There was considerable discussion upon the general question of the taciff upon timber, but the attitude of the several Senators was not disclosed. One of the members of the commit-tee to-day repeated the opinion expressed Saturday, that the bill would be ready for report this week. None of the schedules have been referred to the Democratic members for their inspection, as there are too many disputed and unsettled items to make t em of any value to the minority in preparing their report.

The tin plate paragraph, it is understood,

has been passed over without action.

The sub-committee, owing to the necessity for the presence of Mr. Allison in the Senste, did very little with the tariff bill this afternoon. All the Republican members of the committee will continue the considera-tion of the bill to-morrow.

A communication was received to-day by the committee, through Senator Stockbridge, from the Finecut Tobacco Association, protesting against the proposed increase of the tax on manufactured tobacco from 4 to 8 cents a pound.

FOR THE NATION'S WARDS. An Appropriation of About \$6,000,000 to Support the Indians.

WASHINGTON, June 2 .- The Indian appropriation bill for the fiscal year 1891 has been completed by the House Committee on Indian Affairs. It carries an appro-Indian Affairs. It carries an appro-priation of a little less than \$6,-000,000, which is somewhat below the appropriation for the current fiscal year. It includes items of appropriation for the pay of Indian agents, for 'ulfilling treaty stipu-lations with and support of Indian tribes; civilization or Indians; interest on trust fund stocks, etc.

Under the caption of miscellaneous an ap-propriation of \$60,000 is made to enable the Secretary of the Interior to employ practical

A SILVER BILL WILL PASS.

Major McKinley Thinks Such a Measure Will be Enneted. WASHINGTON, June 2 .- Major McKinley said this afternoon: "I believe a silver

will become a law by act of session, although it is not a sore thing by any means. There is a demand for it from every direction, and I do not think we ought to adjourn before a silver bill is passed. The House will devote itself to the measure within a few days. Yes, this will be a long session. We will not adjourn, in my judgment, till late

in August.
"The Senate will talk tariff for a whole month, I presume, and it may be August before the tariff bill is finally passed. No, I
don't believe we will nasseither a Federal or
an anti-gerrymandering bill. There is atrong
objection to all the measures introduced so
far on those subjects."

LOOKING TO EIGHT HOURS.

A Favorable Report Will be Made on Ma-

WASHINGTON, June 2.-The House Committee on Labor has authorized a favorable report with amendments on the resolution offered by Mr. Mason, of Illinois, for an investigation in regard to the hours of labor. As amended the resolution authorizes a sub-com-mittee of the Committee on Labor to take evidence at such places as it may determine, during the present session, or during the recess, in regard to the establishment of eight hours as a day's labor; and in regard to the operation and enforcement of the eight-hour Federal law; and also as to the advisability of establishing a minimum rate of wages to be paid laborers in Government employ.

HERE IT IS AGAIN.

Attained by Drs. Copeland & Blair. CASE FROM OAKLAND

In continuing the series of weekly state-ments, place is given to the following from Mr. Fernando F. McDermitt, a carpenter. who lives at No. 245 Meyran avenue, Oak-

land:
"I had been troubled about eight years," Mr. McDermitt said. "It came on from continued colds, i think. I would catch cold so easily, one after another. My head and nostrils would stop up so that I could not breathe through my nose at all. This troubled me most at night, I would have to sleep with my mooth open. "I had headaches almost constantly—not a sharp pain at first, but a dull, heavy ache over both eyes and through the temples. There were buzzing and roaring noises in my ears nearly all the time. After a short time I found myself growing worse very rapidly.

Mr. F. P. McDermitt, 245 Meyran Avenue Oakland, East End, Pittsburg, Pa. "A dry, backing cough set in which worried me. I could not get rid of it. There was a constant dropping of matter back into my throat. My throat became sore and inflamed. Sharp shooting pains would pass through my chest into my back. There was a tightness in my chest so bad at times I could hardly get my breath. Night sweats came on and weakened me terribly. I lost 12 pounds in less than three weeks.

more tired and worn out than when I went to bed.

"As my trouble grew worse my heart became affected. It would beat very rapidly. The pulsation would be followed by slow, irregular beating and a feeling of faintness.

"It was while in this condition that I read of cases similar to mine which had been treated and cured by Drs. Copeland and Blair. I called on them, and finding their charges so very reasonable, placed myself under their care. I improved rapidly from the first. My head and throat no longer fill up. Night sweats ceased. The pains in my head and chest passed away, in fact all the symptoms mentioned, have left me. I am a well man and owe my recovery to Drs. Copeland and Blair."

Mr. McDermitt lives, as stated, at No. 245 Meyran avenue, Oakland, East End, Pittsburg, Pa., where this statement can be easily verified.
