

BEATING UNCLE SAM.

A New Device of the Behring Sea Seal Pirates.

NEED OF BOATS IN THE ARCTIC.

Chartering a Fast Steamer to Take Their Stolen Skins.

OUR BOATS DISTANCED BY SCHOONERS

VICTORIA, June 7.—It is just learned here that the seal pirates in Behring Sea have adopted a new device for circumventing revenue officers, which is even now being put in successful operation and which can be carried on throughout the summer, unless the Government sends to the Arctic swift revenue cutters than the Bear and the Rush.

SWIFT STEAMER CHARTERED.

A swift steamer has been chartered to cruise about Sand Point and take the skins as the schooners come in. This vessel so fast that it can easily leave behind any Government steamer now in commission.

OUR BOATS IN OTHER WATERS.

They expect to make a larger clean-up than last year, and it is difficult to see how our Government can make any seizures unless they send the cruiser Charleston or some other swift new vessel to do patrol duty.

Working the Etna Saloon Keepers.

A gentleman from Etna called on Mr. McGunnagle, Clerk of Courts, yesterday afternoon, and informed him that a man, representing himself as a court officer, was attempting to earn money by blackmailing the saloon keepers at Etna.

AIRING THEIR SKELETONS.

A Family Squabble That Developed a Threat to Kill—Why a Bradford Man Thought His Wife Ought to Die—They Now Live Apart.

Some interesting fragments of private family history were brought into the light yesterday afternoon in Alderman McMasters' office, in the hearing of Louis Johnson, who was charged by his wife with avarice of the peace. The husband and wife looked abashed and defiant by turns, as some unexpected language dropped from the lips of the other and the attorney.

Mrs. Johnson alleged that she was met on Fifth avenue on last Wednesday evening by her husband, who, she says, declared his intention of killing her. The couple have been living separate for some weeks, having made an agreement to dwell apart in that harmony which was a stranger to them while living under the same roof.

Mr. and Mrs. Johnson are well known in the Bradford circle, the former being largely interested in oil transactions.

MUST MOVE, AFTER ALL.

The Wilkinson Postoffice to Be Transferred to New Quarters. The Wilkinson postoffice is to be moved after all. The change of location was contemplated some time ago, but a great deal of opposition was developed, especially among the business men and residents of Penn avenue, upon which thoroughfare the office is situated at present.

Postmaster James D. Carothers yesterday received orders from the department at Washington to remove his office to a room in the Ralston block, on Wood street, it being rather larger than his present office. Carothers and others who will have to turn off Penn avenue to get their mail, grumble a good deal, but Wilkinson residents are satisfied.

It's a Railroad Man This Time.

MR. D. E. SPRINGER, THE GENTLEMANLY BRAKEMAN ON THE LEETSDALE ACCOMMODATION, TELLS WHAT DR. BYERS' TREATMENT DID FOR HIM.

Mr. D. E. Springer, Leetsdale, Pa.

Mr. Springer, the courteous and gentlemanly brakeman on the Leetsdale Accommodation of the Fort Wayne road, is well and favorably known to all the patrons of that train. In conversation with a newspaper man recently about his improved appearance, he said: "Yes, I feel 100 per cent better than I did several months ago, and now my work is a pleasure to me, where it used to be otherwise. My life as a brakeman brought with it the habit of all railroaders, catarrh. I had it for several years before I really knew what the matter with me. My nostrils would clog up, I had a dull aching pain over my eyes, roaring in the ears, and was continually hawking up mucus which dropped down into my throat. My stomach also became affected, making life miserable and my daily work a task. I was told when the last run was over. Now all is changed, I never felt better in my life and haven't an ache or pain about me. Dr. Byers did it all. I had heard a great deal of the good work he was doing, and determined to consult him. As soon as he took hold of me I saw he understood his business, and told him to go ahead. I have to thank him for the good health I now enjoy, and also for the courtesy of giving me prompt attention each week, as railroad trains are like time they wait for no one." N. B.—WASHINGTON, GREENSBURG, BUTLER, NEW CASTLE.

My associate, Dr. Schick, late of Philadelphia, can be consulted at the Auld House, Washington, every Monday; Fisher House, Greensburg, Tuesday; Levy House, Butler, Wednesday; Leslie House, New Castle, Thursday.

TREATMENT \$5 A MONTH, MEDICINE INCLUDED.

Office of Dr. Byers, No. 421 Penn avenue. Established 1888. Spectacles, catarrh, all nervous, skin and blood diseases; all chronic diseases.

HAIR ON THE FACE, NECK, ARMS OR ANY PART OF THE PERSON QUICKLY DISSOLVED AND REMOVED WITH THE NEW SOLUTION

= MODENE =

AND THE GLOWN FOREVER DESTROYED WITHOUT THE SLIGHTEST INJURY OR IRRITATION OF THE MOST DELICATE SKIN—DISCOVERED BY ACCIDENT.

In CONFIDENCE, an incomplete mixture was accidentally spilled on the back of the hand, and on washing afterward it was discovered that the hair was completely removed. We purchased the new discovery and named it MODENE. It is perfectly pure, free from all injurious substances, and so simple in use that any one can use it. It acts mildly but surely, and you will be surprised and delighted with the results. Apply for a few minutes and the hair disappears as if by magic. It has no resemblance whatever to any other preparation ever used for like purpose, and no scientific discovery ever attained such wonderful results. IT CANNOT FAIL. If the growth be light, one application will remove it permanently; the heavy growth such as the beard or hair on arms require two or more applications before all the roots are destroyed, although all hair will be removed at each application, and without the slightest injury or unpleasant feeling when applied or ever afterward. —MODENE SUPERCEDES ELECTROLYSIS.

—Recommended by all who have tested its merits—used by people of refinement—Gentlemen who do not appreciate nature's gift of a beard, will find a profound blessing in Modene, which does not dissolve and destroy the life principle of the hair, thereby rendering its future growth an utter impossibility, and is guaranteed to be as harmless as water to the skin. Young persons who find an embarrassing growth of hair coming, should use Modene to destroy its growth. Modene sent by mail, in safety mailing cases, postage paid, (securely sealed from observation) on receipt of price, \$1.00 per bottle. Send money by letter, with your full address written plainly. Correspondence answered promptly. Five-cent stamps accepted. ALWAYS BE SURE YOU GET THE LOCAL AND GENERAL AGENTS' MANUFACTURERS OF THE HIGHEST GRADE HAIR PREPARATIONS. AS IT MAY NOT WANT. You can receive your letter of any Post-office and make it appear again. We offer \$1,000 FOR FAILURE OF THE SLIGHTEST INDEBT, EVERY BOTTLE GUARANTEED.

COUGHED DAY AND NIGHT

Permanent Cures Made by the Catarrh Specialists at 323 Penn Avenue Continues.

Mr. M. McLean.

Mr. M. McLean, a well-known gentleman of Allegheny, residing at Wood's Bond, had suffered from catarrh for many years. The mucous secretion that gathered in his throat was very tenacious and hard to raise, and as some of it dropped down into the bronchial tubes of his lungs he began to cough. He had pain over his eyes, and his head would often feel dizzy. He took cold very easily, and as his disease further advanced he coughed day and night, and worse during the night. In fact, his cough was so severe that he would spit up blood. After receiving a course of treatment from the Catarrh specialists at 323 Penn Avenue, he gave the following statement for publication, with his name signed to it, as positive proof of his complete cure: "My disease was of long standing and continued to grow worse until I became afraid of consumption. I now feel like a new man and am glad to testify to my complete cure by these specialists."

Please bear in mind that THESE SPECIALISTS HAVE BUT ONE OFFICE, and which is PERMANENTLY LOCATED at 323 Penn Avenue.

Also please remember that this is the only institution in Pittsburg where only Catarrh, Dyspepsia and Diseases of Women are received for treatment, preferring to treat these diseases successfully rather than attempt to cure all diseases.

Office hours, 10 A. M. to 4 P. M. and 6 to 8 P. M. Sunday, 12 to 4 P. M.

Consultation free to all. Patients treated successfully at home by correspondence. Send two 2-cent stamps for question blank and address all letters to the Catarrh and Dyspepsia Institute, 323 Penn Avenue, Pittsburg.
