The A. M. E. Zion Church People Resolve to Remain Colored-Sewickiey Gets the Next Conference-Equal Privileges Demanded-A Lively Session.

The morning session of the A. M. E. Zion conference at Avery Church, Allegheny, yesterday, was somewhat lively, different towns contesting for the honor of the next conference with as much vim as did the ancient Greeian cities for the honor of being credited with the birth place of Homer. Mansfield, Franklin City, Greensburg, Mt. Pleasant and Sewickley all shied their custors into the ring and not until tour ballots were taken was Sewickley able to plant the fing of victory in the ramparts and then Chairman Snowden claimed that though there might have been s free ballot there hadn't been a fair count. Though all the delegates claimed the floor at once, Mr. Snowden gots chance to say that he didn't believe Sewickley could provide the ninews of war. He said his home, Franklin City, could raise \$100, but Broadax Smith raised Mr. Snowden out of his boots and went him \$400 better, assuring the conference that Sewickley could raise \$500 if nec-ensary. The music made about this time by hands employed by the admirers of the Prince of Orange, who were passing, soothed the temper of the disputants, and, when they were brought back to business, the choice of Sewickley was ratified.

Rev. Mr. Holliday sprung the resolution of Mrs. Lee, on the question of eliminating the words "Afro," "negro" and "colored" from all their institutions and substituting National American. A long discussion fol-lowed, but it was not enthusiastic. Mrs. Lee, W. H. Jackson and J. T. Writt made speeches in favor of the resolution, arguing that by eliminating the words the race would gain a higher standing.

Rev. W. J. Watson, of Sewickley; J. H. McMullin, of Ohio, and Rev. G. W. Clinton and Broadax Smith opposed the resolu-tion on the grounds that each nationality had its own title and individuality; that their antecedents were Africans and the present generation should stand by and be proud of the old country. The resolution was lost by a vote of 23 to 5.

A recess was then taken for an hour. Upon reassembling Mrs. J. D. Bibb, of Harrisburg, offered a set of resolutions ask-ing that colored children be given the right to enter industrial schools. It was also resolved to appeal to the authorities in power to give the colored people equal rights with the whites. The resolutions were passed unanimously The conference will conclude its work to-

Lots on Madison avenue, size 40x100 feet, for \$1,000, when not 500 feet away lots that are not nearly so desirable have been sold for \$1,600.

We also offer lots on Ridge street, which is graded and paved, for only \$375 each; size 25x112 feet.

We mean what we say when we say that this is the lowest priced and best plan of lots now for sale in the center of the city, and the parties who buy here will reap a rich harvest.

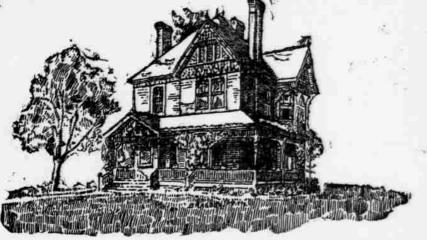

You have had opportunities to buy in the East End at fancy prices and with large cash payments, but here we give you an opportunity to locate your home in the very heart of the city, fronting one of the city parks, with grand views, pure air, and at about one-half the price asked in the East End.

It will not be necessary to take much money out of your business, as the first buyers will have the advantage of the choicest lots in the whole plan, size 40x100 feet-for a cash payment of only \$100, and the balance of the payments on exceedingly easy terms.

The prices asked for the lots are away below their value, but the idea is to sell a portion of the property and then advance the prices as property is improved. nt. Plans and further information will be che ly furuished upon application to
