

FRUITS AND MEATS.

California the Only Section of the United States That YIELDS AN AVERAGE FRUIT CROP.

Canned Goods and Preserves Bound to be High Next Fall.

DRESSED BEEF IN ACTIVE DEMAND

OFFICE OF PITTSBURG DISPATCH, TUESDAY, July 16, 1930. From almost every quarter of the land comes the report of a short fruit crop.

It is about as certain as anything in the future can be that canned fruits will be 50 per cent higher next fall than this year.

Representative of the Chicago dressed beef industry, in an interview today, said: 'The total sales of dressed beef in this country will be at the very least 1,000 head per week.

PHILADELPHIA - Flour dull, but firm. Wheat and rye steady. Corn and soybeans firm.

CHICAGO - Receipts, 800 head; shipments, 1,200 head.

ST. LOUIS - Cattle - Receipts, 3,000 head; shipments, 1,200 head.

Wool Markets - Philadelphia - Wool quiet and unchanged.

NEW YORK - Pig iron strong and more active.

Wheat - Active but lower, due to a combination of bearish news.

Corn - There was another day's trade, and the market did not cover a very wide range.

Meat - Lard - Less interest was manifested.

Wool - Philadelphia - Wool quiet and unchanged.
