FARMERS FORCED INTO POLITICS.

(SPECIAL TELEGRAM TO THE DISPATCH.)

CLEVELAND, July 19.—The decennial appraisal of the land values of Ohio, which has been in progress for several weeks, is nearly completed, and reports are coming in from many sections of the State. Without exception they show a remarkable decrease in the value of farm lands, and there is likely to be considerable difficulty in so arranging the burden of State taxation under the new appraisement as to raise the necessary revenue without exciting a vast amount of class feeling and creating some decidedly interesting political diversions.

AT AVERAGE COUNTY.

The story of one county from which complete returns have been received, is the story of all, with the possible exception of the newer counties in North-west Ohio where the discovery of gas and oil has had a marked effect upon land values in the last decade.

HERE WE ARE AGAIN With Another Case of Ear Trouble, the Result of Catarrh, Cured by Dr. Byers in Three Months.

Philip A. Rouser, Rear 875 Beaver avenue, Allegheny.

Mr. Rouser is a barman at the La Belle Steel Works, and talks thus of Dr. Byers' treatment of his case. "I had been troubled with catarrhal symptoms for five years, but paid little attention to it, as my general health wasn't much affected until lately, when my right ear began to trouble me. It became so painful and discharging I couldn't get any rest day or night, and I was all run down when I called on Dr. Byers. After a careful examination he said my ear trouble was the result of catarrh and gave me a treatment at once. I experienced an immediate relief, and that night had the first rest for quite awhile and continued to improve right along until now, after three months' treatment, I have no pain in my ear, am free from the annoying catarrhal symptoms and am my old self again in general health. I feel that I cannot thank Dr. Byers too highly to any of my friends who may be troubled as I was."

CONTINUED SUCCESS OF HOME TREATMENT. A patient at Scott Haven, Pa., writes: "Please send me some more powders. Those last powders you sent me improved the bowels a great deal and I don't like to run out of them. I feel a great improvement of the catarrh in my head."

TREATMENT \$5 A MONTH, MEDICINE INCLUDED.
