The raspberry crop has been very poor, and many people will be left in their home can-iteries, as they refused to pay high prices for atrophied berries, preferring to wait for some-thing eise, which will not be here. Pears will make perbaps 5 per cent of a crop, taking the country over, but not 5 per cent here. In New York what are alleged to be California Bartlett pears are on sale. They are pulled from the trees when about half grown, and are subjected to sniphur fumes. The process makes them yellow, and they re-semble the Bartletts in everything but taste. In some places there is an abundance of and feel thankful for the good it has done. JOSEPH BERKEY, Hillsboro, Somerset

county, Pa. A GOOD OPINION.-Last fall I was taken with a kind of summer complaint ac-companied by a wonderful diarrhea. Soon semble the Bartletts in everything but taste. In some places there is an abundance of muskmelons and tomatoes, but one of these places is not the vicinity of Pittsburg, nor is the present onthook javorable to the comfort. Then I said let us try Chamberlain's Colic, Cholera and Diarrhea Remedy, which we did, and that cured us right away. I think much of it, as it did for me what it was recommended to JOHN HEETZLER Bathel Rept. Col. to. JOHN HERTZLER, Bethel, Berks Co., Pa. FOR PAIN IN THE STOMACH .- We made use of Chamberlain's Colic, Cholera and use of Chamberlain's Colle, Cholera and Diarrhea Remedy on two occasions for pain in the stomach. Result satisfactory in a very short time after taking the medicine. I hesitate not in giving my opinion in favor of the medicine. At least it has done all claimed for it as far as we have tried it.
