WARFARE AGAINST THE RUN POWER. BROOKLYN, July 27.—Dr. Tolman's sermon to-day devoted to the cause of intemperance. With the hand of a master he draws in vivid colors the appalling tragedies which this remorseless demon has perpetrated.

WHAT INTEMPERANCE DOES. Drunkenness: Does it not juggle the burglar's eye? Does it not whet the assassin's knife? Does it not make the murderer's hand steady? Does it not make the incendiary's torch?

WHY IT TAKES THE TRAFFIC. I do not know better than you do yourself the number of drinks you have poured out. You keep a list, but a more accurate list has been kept by the State of New York.

THE ORIGINAL PACKAGE DECISION. Do I address you whose regular work in life is to address you? Do I address you who are out of touch with business?
