## CHICAGO RAPID TRANSIT.

Incorporation of an Elevated Railway Com pany With a Capical of \$25,000,000. SPRINGFIELD, ILL. August 16 .- The Secretary of State to-day filed articles of incorporation of the Chicago Elevated Terminal Railway Company, to be constructed on Twelfth street, between the westerly side of State street and the south branch of the Chicago river, running south to a point on the Little Calumet river between the towns of Blue Island and River-

dale; with a branch extending from a point on the line between Twenty-second and Thirty-first streets, southwesterly to a point where Forty-second street crosses the divid-ing line between Chicago and Lyons. The principal office is to be maintained at Chicago and a capital stock of \$25,000,000 is pro-vided. The incorporators and Board of Di-rectors are: Joseph T. James J. Beynolds and Charles Eldrids, all of Chicago. Joseph Donnersberger, one of the incor-porators, says of the scheme: "We shall have a regular four-track road and do suburban, local and terminal busi-ness. The tracks will be open for all roads on the same terms and it is expected that it will become the great consolidated terminal line of Chicago by which the question of rapid transit within the city will be solved."

-The centennial of the discovery of coal in Pennsylvania will be celebrated in Septem-ber next year. It was a hunter named Phillp

Ginter who made the discovery on Mauch Oreek Mountain, in Carbon county, and there-fore the proposed monument will be dedicated in his memory.
