The pavilion will present a remarkable scene of beauty, with its rich decoration of plants and flowers, together with the vari-colored lights. It is intended to expend about \$1,200 in decorating the place.
Mast year 8,000 people were present at the anniversary and this year 10,000 people are expected. There are now 1,800 members/of to the sudden change in the construction of the building. In speaking of the new move Manager Henderson said: "The story that the front of the Jackman building had been condemned is false. The front will remain. The inspector says it is all right. A portico will be built over it, but no other marked changes will be made on it. Work on the building will not be completed until late in the fall. We cannot open October 2 as we had hoped,
