THE WEEK'S ATTENDANCE. 

SPECIAL TELEGRAN TO THE DISPATCH ! BOSTON, August 30 .- Captain Haulon, of the Smoky City team, took a hand in today's game and made a desperate effort to rally his men against Kelly's Warriors, but their courage had departed after yesterday's crushing defeat, notwithstanding the way they fielded. Two games were played and in the first the slaughter was painful to witness. It was a common walkover for the locals. Tener did not have anything like control of the ball and seemed to be without may speed, so that there was not the least difficulty in fathoming his delivery. He quit in the sixth in favor of Fred Doe, who was given a trial in a game with the Buffalos a few days ago. He was accorded a hearty welcome

by the spectators.

Doe has been called in in each instance on rainy days when a fair estimate of his ability could not be fairly given. He was wonderfully successful and not a run was made off him for the remaining three innings. In the last inning Boston scored two runs. Gumbert pitched a superb game and fielded his position in his painstaking style. Seven of the hits made off him were made after two men had been put out and he was not called up to exert himself

The first game, in fact, was a sort of a pre-Inde to the real entertainment of the day in the second game. Radbourn and Staley pitched ctively for their sides. Staley is the young man who was so signally successful against the Bostons on Thursday, and who was to puzzle them and who tried to nuzzle them again to any the worked hard and did some very pretty work, and if his side had done any batting at all he would have won the game for his side. The first inning was the unlucky one for the visitors, and it was this inning Boston depeaded upon in winning the game, as they knew they would have to play hard after the exhibition given by him the other day. In this inning the Bostons earned all of their three runs. Badbourn was in the pink of condition. Two of the hits made off him were scratches and the results of poor backing. The second contest was called at the close of the seventh inning to allow the Pittsburg's to catch a train for Philadelphia. By doing this they lost a possible chance of defeating their opponents. Following are the scores: man who was so signally successful against the

NATIONAL LEAGUE GAMES.

Hecker's Aggregation Knocked Out Twice in One Afternoon by Mutrie's Team-Miller Gets a Vicious Blow From Pitched Ball.

PAPECIAL TELEGRAM TO THE DISPATOR. NEW YORK, August 30 .- New York and Pittsburg National League teams grossed bats early this afternoon to a fair sized Saturday audience. It was filled with enthusiasm and made itself heard on all occasions when a good play was made. No favoritism was shown for either side, and Pittsburg

was shown for either side, and Pittsburg came in for its share of ovation when it deserved it, as well as the home team. Rusie was in the box for the locals, and Phillips performed a like service for the visitors. The latter was batted pretty freely but not hard, while Rusie held the visitors down to two hits. Sales was back at his old place and played a brilliant game, sharing in one of the two hits made by his side.

The visitors played a very fine fielding game, but their only weak point was their inability to bat. Berger's playing at second base was a feature of the game for the visitors. Giasscock carried the same honors for his side. In the second half of the third inning Miller was struck on the neck by a pitched ball. He dropped to the ground unconscious, but was able to resume play after a little maneuvring. The second game was tolerably well played, but the visitors were not good enough to win. BROOKLYN, N. Y., August 80,-An old-time, exciting game of ball was played here to-day the Brooklyn and Cleveland (N. L.) clubs. The only runs made were credited to Brooklyn in the first inning, when a base on balls and a lucky bound of Foutr's hit to center gave a home run and two runs. Poor coading lost the visitors a chance to tie the score in the eighth inning. In the ninth inning Cleveland had three on bases, but Lovett kept the ball away from them. Score:

The following table shows the standing up to date of the clubs in the National League. It will be seen that Brooklyn is steadily holding first place and that Boston is a most dangerous rival for the position. SHEEPSHEAD BAY, August 30 .- There was nothing the matter with the weather today, or the great day of the Futurity stakes. It was damp on the Suburban day and it was cold and showery on the day of the Brook-lyn handicap and on the Fourth of July the storm burst over the Monmouth Park track, that was opened for the first time that afterternoon, as if some one had pulled the rope of a big shower bath and held it open for a half hour until oceans of water had dropped on top of summer toilets and lace parasols and white fiannel suits. But to-day was a perfect day and a few people apparently couldn't get enough of it for they came out on the early boat while the scrub women were still in the betting ring, and before the awkward squad of policemen had been sent to their

ABOUT THE BIG CROWD. The crowd does not begin to arrive until midday, and then it only comes in such small small groups that it is hardly on view. The band gets in about 12:30 o'clock, and then the boys with programmes begin to drown the birds on the trees back of the stand, and the noise of the shuffling of feet over the benches birds on the trees back of the stand, and the noise of the shuffling of feet over the benches begins to grow until the crush gets so thick that people can no longer shuffle, but have to walk on tip toe. It is not every day that one can see \$70,000 go to one man just because a horse passes an iron post with a gilded bail on it three or four feet before a few other horses do, and that accounts for the crowd. There was no post of duty in the country half as important as that post to-day. It represented \$70,000 to some body. The crowd was probably not as great as on Suburban day, which was attributed probably to the absence of so many New Yorkers in the country or at the seashore. There were probably 20,000 persons present, so that if the Futurity stakes had been divided among the spectators everybody would have got \$3 and something over with which to pay his expenses.

Rey del Rey, Ambulance and Potomac were the ones most in demand, and the latter finally closed a strong favorite. There was no parade and the horses galloped from the paddock to the post, each one receiving a liberal share of applause as he passed the grand stand. When they arrived at the starting post there was a long delay and finally a shout went up, "they're off," and the crowd arese as if one man to see

off," and the crowd arose as if one man to see the race. It was a false alarm, and the horses trotted back to the post. Then after a few moments' delay the cry went up again, and this time truly. It was a grand start, but Montana and Rey dei Rey were slow to get in motion and lost ground. Nellie Bly was the first to show, followed by Esperanza, Belie Prather and Long Fortune, and held her lead for a sixteenth, when she gave way to Russell. Russell was leading by half a length at the furlong pole, followed by Esperanza, Ambulance, Cleopatra and Strathmeath. They ran in this order down to the three-eighths, where Monterey took third place, while Masher and Potomac had both improved their positions.

His weight was too much for him, however, and the crowd seeing this yelled, "Potomac wins. Balmont runs one, two." It was true. Potomac held his lead easily and dashed past the post, winning by two lengths from Masher, who beat Strathmenth a neck for second money. Half a length away came Rey del Rey, followed by Montana, Ambulance, Nellie Bly, Amulet Kilideer, Esperanza, Russell, Bettle Prather, Long Fortune, Monterey and Cleopatra. Time, 1:41-5.

THEIR PROGRAMME ARRANGED.

Homewood Park Directors Offer \$10,700 for Their Fall Mosting. The programme for the Homewood Park fall race meeting has now been definitely agreed upon, and the races will take place on September 80, October 1, 2 and 3. The premiums will aggregate \$10,000, quite a bold offer and one

that should attract some good horses. There are some great features on the programme, the principal being \$3,000 for a special race. This event may be in the way of a match or a contest against time. Whatever it may be the race or contest is sure to be a very important one. There is another special feature, viz.: \$2,000 offered for special contests, and these will also be of a very attractive kind. Dallas and Hal Pointer may have a race for one of the

Hai Pointer may mave a recording to special purses.

Instead of the usual free-for-all races, a 2:16 trot and a 2:16 pace has been decided upon, and they are sure to be of national interest. The entries close on September 15, and it is expected that the meeting will be a great success. Following is the programme:

Reduced Their Records. SPECIAL TELEGRAN TO THE DISPATCH. Wellsville, O., August 30.—The second annual fair of the association here is now a thing of the past, yet the success of the affair will not soon be forgotten. The stock was far superior to any ever seen here before, and the speed horses were of the best. Ironwood, the Pittsburg horse, reduced his record from 2:30 to 2:25%, and Judge Lynch surprised everybody when he went under the wire in 2:22. Dr. 8. reduced his record to 2:25%, and Gray Wilkes from 2:40 to 2:25%. The affair was so successful that the association will try to arrange for a spring meeting, with Washington, Wheeling and Youngstown also in the circuit. Horsemen here say the event would be first class and would be one of the best outside the grand circuit, on account of the liberal money offered. The crack horses in this portion have been tried, and all of them will be here at such a meeting. WELLSVILLE, O., August 30 .- The second

The Washington, Pa., fair commences to-morrow and the races promise to be better than they have ever been, and that means they will be exceedingly interesting. In all there are 18 races on the programme, and the classes are of

The betting was not brisk, but what little there was betting was not brisk, but what little there was was greatly in favor of Beck. George Smith was referee and his brother Herman was pistol firer. Both gentlemen gave every satisfaction. When the contestants were ordered to get ready Beck was too anxious for the contest and broke over the mark. He was penalized a yard. He immediately made the same mistake and another yard was added to his penalty. Notwithstanding this Hayes friends did not seem anxious to back their man. Finally the runners were dispatched to a good start and when about 40 yards had been cleared Beck had overhauled his man. Hayes was running well, and Beck could not pass him readily. Nearing the string Beck made a great effort and drew out, winning by a yard. The race was a good one, but no official time was taken. Hello, bacer
