## A CHOICE TO MAKE

Two Organizations Seek to Unionize the Edgar Thomson Mill.

TALK ALREADY OF A NEW SCALE.

New Open-Hearth Furnaces at Homestead

Put Into Operation.

IMPROVED FACILITIES FOR WORKING

The employes of the Edgar Thomson Works of Carnegie Brothers & Co. are more or less agitated at the present period about the arrangement of next year's scale. They are also in severe mental affliction over the fact that two organizations desire to draw them within their fold, while it is a mooted
point as to whether they themselves wish to
point as to whether they themselves wish to

St. Michael's, Loretta...

for three years and it will expire at the end of the current year, if not reinforced by agreement. The agreement attached to the scale contains a clause under which either side may terminate the scale by giving notice of intention prior to October 1, in any

Conflicting reports are wafted on the breeze concerning the intentions of the men, Some five or six weeks ago a committee representing 400 of the employes of the works waited on Superintendent Schwab and assured him that they were very content with the existing rates and did not desire any

Despite the assurance of a committee of the 400, it is said, on very good authority, that a petition will be presented for an increase over present rates, to be presented, of course, fore the expiration of the month. Just what he reasons are which impel the proposed n are not readily understood, except they found in the laudable ambition of every or to get as much as possible for his hire. per cent more wages than any other kers in the country, and so ought to be

est is lent to the movement by the fact Interest is lent to the movement by the fact at both the Amalgamated Association and a Kmights of Labor are trying to organize the III. The inter organization is understood to tree a pretty good footing, while the Association will soon have men there, in the words of se of that powerful body. It will be remembered that the Knights had this mill at one me, but lost it; subsequently the employer ranged with the firm under the existing recement, and the mill has since been non-more.

he vice chairman of the firm said yesterday at he was unaware that a proposition was on out to ask for better rates, and did not think likely. The men earned, as it was, fully 2 cent more money than any fron workers in country, and expected they would be con-it to let things be. Under the agreement in prior to the 1st of October every year Up to this time no notice had been served

## OUT FOR 10 CENTS INCREASE.

Chimney House Boys Strike for This Amount to the Day's Pay.

The finishing boys in the Southside chimney bouses went out vesterday for an increase of 5 cents per turn. They receive 50 cents per turn, or 51 per day, and want this latter figure inwork without the boys and about 1.800 men and

The ball was set rolling by the youngsters in homas Evans' factory, who submitted a re-uest in writing for the advance. Receiving no enty up to yesterday morning they did not tart in to work. They then turned their attenthen to the boys in the other factories, namely, Nelleth's, Hogan, Evans & Co, and the Peerless, and succeeded in drawing them out. The douises are all in running order and if the shutlown continues the glass will be lost. The rates paid the boys are not included in any of the flint workers' scales, but are mostly controlled by the union. The same trouble oc-ourred last year.

## STARTED UP YESTERDAY.

The New Open-Hearth Forences Getting Under Way-One in Operation.

e of the new open-hearth furnaces at omestead was started vesterday. Three thers are about ready to follow. In all there ill be eight 20-ton furnaces. A new feature in connection with these furuaces is that all the

icel is cast in one pit.

There is also a charging machine on each ide, each of which charges four furnaces. Six caues are in operation around the pit, four utside and two in the island in the middle. The four outside cranes have seven improved ons invented by Superintendent Potter her improvement is that the doors of the attraces are talsed and lowered by compres

## ADDING TO THEIR BUSINESS.

Rees & Sons Make Their First Locome tive for a Southern Lumber Road.

James Rees & Sons have departed from their regular line of work, and have now nearly ready for shipment a full-powered narrowcaused locomotive for a lumber road in is is the first constructed by the company,
