VIEWERS' REPORT-

On the opening of Forbes street, from Boyd street to Diamond street.

To the Select and Common Councils of the city of Pittsburg:

The undersigned, Viewers of Street Improvements in the city of Pittsburg appointed by the Court of Common Pleas of Alleghery county, and authorized by an ordinance passed on the 24th day of February, A. D. 1890, a copy of which is hereto attached, to appraise the damages sustained in the opening of Forbes street, from Boyd street to Diamond street, in the city of Pittsburg, and make an assessment therefor under the provisions of, and in accordance with an act of Assembly of the Commonwealth of Pennsylvania, entitled "An act relating to streets and sewers in cities of the second class," approved the 16th day of May, A. D. 1880, respectfully report:

That, having been first duly sworn and qualified according to law, they proceeded in the manner and according to the directions of said act to discharge the dulies of their appointment; and having given the notices required by said act, they viewed the premises and heard all the allegations and evidence of the several parties claiming damages, and after full consideration thereof, find that no owner of property has sustained any damage by reason of said improvement; that, after ascertaining the whole amount of said costs, they made an assessment of the same upon the properties benefited by said improvement, and caused a plan to be made, and prepared a statement, as required by said act, and having given to the owner of each lot ten days' notice of the time and place of meeting, they met on the 18th day of August, A. D. 1890, at the office of the Board of Viewers, in the city of Pittsburg, heard all complaints and evidence, and after full consideration thereof, present the following report, showing the amount each property holder is entitled to pay as the proper proportion of said cost.
