Hensel seems to have heard this rumor, and

t seems to have stirred him to a particularly offensive partisanship. His speeches

last night are considered a broadside and a

good bit of interest'is expressed here as how Delamater will reply to the charges made.

Hensel left this morning for home, and

will soon begin an active campaigning tour.

Candidates Pattison and Black attended the fair this morning and made a trip over

the Mt. Pown gravity road, where the dis-

THE PATTISON PROGRAMME.

ENCOURAGING REPORTS Chairman Kerr, in conversation, said re ports from all parts of the State were of the

most encouraging kind. His correspondents advised him that Delamater was not making

a good impression where he appeared in his

canvassing tour. The great defection from the Republican candidate is popularly ex-pected in Allegheny county, Philadelphia

and the oil region, but reports from field lieutenants are to the effect that other sections will show proportionate disaffection.

Mr. Kerr does not regard the John L. Butler bolt as serious. He says that Butler has been Republican, Greenbacker and

Democrat before, and as this is more of a

campaign of honesty against dishonesty than of opposing parties, some bolts of the

Butler kind must be expected.

Candidate Delamater is expected to ar-

rive to-morrow morning with Governor Beaver, Senator Watres and others, The

, INPECIAL TELEGRAM TO THE DISPATCHAL CLEVELAND, September 17 .- The Clev land clubs won three games to-day from th Pittsburg clubs. It was a great day for th Cleveland cranks. The local P. L. els had Pete Browning back in left field to-da and Delehanty in consequence was moved over to right. With the best batting force of the local team out, it was not such a awfully difficult thing to solve the kinks o Staley's delivery and bat the ball all way Gruber did not pitch in extraordinari good form, and it was only the fine work the fielders behind him that kept the score down so close. Both Radford and Stricker did magnificent work in the infield and their double plays were beauties. The Pittsburg infield, on

plays were beauties. The Pittsburg infield, on the contrary, appeared to be weak, and damaging errors were made at critical times.

Cleveland scored the first run in the second inning on Mcaleer's hit, Stricker's sacrifice and Sutcliffe's hit. It was nip and tuck until the sixth, when Pittsburg managed to get in a run on a base on balls to Quinn, a passed ball and Staley's single. That was the lastrun for Pittsburg in the game.

In the eighth inning Radford began with a base hit, Delehanty followed with another and Radford scored on Browning's long sacrifice fly. Larkin hit for a base, scoring Delehanty, and Tebean's hit, with a sacrifice, scored Larkin. In the ninth Corcoran fumbled Delehanty's hit, and Browning hit for a base. Larkin get first on balls, and Delehanty scored on Tebean's long fly to left. Kuehne threw wild when McAleer batted the ball, and Browning when McAleer batted the ball, and Brownin

Says a Few Words. NEW YORK, September 17.—The season of RACE TRACK, GRAVESEND, September 17 .professional baseball at the Polo Grounds has

been played there to-day, but rain interfered. Had the rain ceased a couple of hours before time for calling the game it would have been played. It was not declared off until 2 o'clock, "Yes," said Superintendent Bell, "the grounds would have been all right had it stopped raining by 2 o'clock. The diamond is not in as had condition as might be supposed, as a good share of the rain has run off the surface. A good sprinkling of sawdust would put the ground in shape to play on," Manager Mutrie was waiting to hear from

Manager Mutrie was waiting to hear from Harrisburg, where the team was expected to piny an exhibition game to-morrow, but as no answer came he decided not to go.

"We shall leave for Pittsburg to-morrow (Thursday) night," he said. "What do you think of the team Fve got now? And Fve sethink of the team I've got now? And I've se-cured two or three other youngsters for next season which will astonish everybody. I won't tell you who they are just yet. The team I have at present are all a gentlemanly lot of fellows, and I am proud of them. If we could start the season now we could walk away with the pennant. We can't better our position, but

I think we have done well considering the mishaps that befell the players during the greater part of the senson."

Ball Games To-Day.

The only game scheduled for to-day is that between the Brocklyn and New York P. L.

clubs. Other clubs will, however, play off postponed games. The Pittsburg and Cleveland N. L. clubs will play at Canton, O., and the Pittsburg and Cleveland P. L. clubs will play at Cleveland.

Our National League Waytarers Make Two More Vain Attempts to Win at Cleveland-A Great Game at Chicago. PEPECIAL TELEGRAM TO THE DISPATCH.1

CLEVELAND, September 17.—The Cleveland and Pittsburg National League clubs made another endeavor to play two games to-day and were successful. The weather cleared off finely and the home team-celebrated the event by actually winning two games in one day. It is the first time that such a thing has hap-pened this season and the League cranks nearly fell dead when the second game was over. Anderson, the ex-left-hand phenomenon was in the box for O'Neil's wanderers, and was handled severely. The home team banged the sphere in all directions, and in the eighth inning stood the man with the coffee mill delivery on his head. Beatin was hit for nine singles, but they were generally scattered. The eighth was a Waterloo for Anderson and his

TROTTING AT CLEVELAND.

Palo Alto Tries and Falls to Bent His Record on a blow Track. CLEVELAND, September 17 .- But one class

was disposed of at the Cleveland Driving club house. Park's fall meeting to-day—the 2:25 trot, post-poned from yesterday. The field was so big that it was divided, making two races. One heat of the 2:30 class was trotted, Godelia winning in 2:24%. Although the track was three or four seconds slow Palo Altowas sent a mile to beat his record rather than disappoint the crowd. It was not much of an exhibit-on, he making it in 2:15. He will be given another trial to-morrow if the track is fit, when Guy and Sunol will also be driven to beat their records. Following are the summaries:

For the 3300 pace there are ten entries, and six for the roadsters' race. E. C. McClelland will attempt to run one and one-half miles while Dom Pedro trots two and one-half miles. A special train for the track will leave the Baltimore and Ohio depot at 1:30 P. M.

Ph I delphia Races Postponed.

SOME GOOD PROSPECTS.

Lots of Entries for the Fall Race Meeting at Homewood. Secretary McCracken, of the Homewood Driving Park, returned from Cleveland yester-

day. He spoke highly of the prospects of the conversation he said: "I had a talk with Budd Doble and I think I will get him to bring Jack here to trot against his record. The little gray gelding has a mark his record. The little gray gelding has a mark of 2:1234, and I think there is a chance of his trying to beat it here. I also made an offer for a race here between Nancy Hanks and Sunol and I will know to-morrow whether or not my offer will be accepted. I have secured lots of entries for our races and overy race has filled. There are lots of horses at Clevelaud and the most surprising is Tom Arden, the horse recently bought by Mr. Emery. That horse could have gone the mile in 2:19 had he been pushed. He was in the 2:40 class and not a horse in it could touch him. He is a great horse and it is not long since he was broken in."
