RUN OUT OF WATER.

The McKcesport Reservoir is Dry and Town Pomps Are Used.

STECIAL TELEGRAM TO THE DISPATCE. MCKEESPORT, September 24.-At 5 o'clock this afternoon the reservoir gave out and every consumer in the city and Reynoldstown is without water. The cause is attributed to the scarcity of natural gas with which to operate scarcity of natural gas with which to operate the pumps at the works. People are compelled to charry water in tubs and buckets for squares from the various pumps and wells. Superintendent Ecoff and his men are busy arranging for the use of coal and both battery of boilers are being changed back. It is ex-pected that enough water will have been pumped in the basin to-night to supply con-sumers to-morrow.
