GUSKY'S MAGNIFICENT SHOW

AT THE EXPOSITION.

Our Exposition display has been pronounced by all who have seen it to be a magnificent affair. Apart from its size—the largest of its kind in the building—it contains many novel and attractive features. The Clothing and Furnishings exhibited are so fine that many suppose they were made for the occasion. Such, however, is not the case. We are DAILY SHOWING and SELLING similar goods from our

MAMMOTH AND MATCHLESS STOCK

Which, we are sure, for size, variety and assortment, has no equal in the state. Our immense establishment is crowded to overflowing with the choicest stock of FINE CLOTHING, HATS, FURNISHINGS AND SHOES

Ever collected under one roof. It's an Exposition in itself and will well repay inspection.

OUR FALL CATALOGUE, a magnificent work of art and a valuable guide as to how to dress well with economy is now ready. Send your address for a copy.
