The Strike at Irwin Seemingly on the Verge of Failure.

WAGES DEMANDED FOR IDLE DAYS.

SINGULAR ACCIDENT TO AN OLD BUNTER

PEPECIAL TELEGRAM TO THE DISPATCH. SCOTTDALE, October 16 .- Robert Watchorn, Secretary of the United Mine Workers, has filed their pleas of defense in the suits of the H. C. Frick Coke Company against Rae, Watchorn, Keegan, Parker, Kerfoot, Kane, and Dehaven, for alleged violation of their labor contract in ordering the strike at the Standard Coke Works.

The defendants aver that there was no violation of the contract on their part, but that, on the contrary, it was violated by the company. The desendants claim that the allegation of the plaintiff that the Standard works employes quit work without submitting any written notice of their difficulties, and to the great usuage of the plaintiff, is untrue, and defendants ueny that any employe quit work. They also claim that the company closed the plant without giving any notice and thereby did great damage to them, for which they will demand a judgment against the com-pany for \$23,400 as the wages for the 900 Stand-ard employes for the 13 did days at \$2 per man per day. The case will be tried at the Novem-ber courts, and extensive preparations are being made for it.

SALT RHEUM

Child's Sufferings Relieved.

Child's Sufferings Relieved.

The following is from a well-known Lowell merchant, and is, like all our restimonials, perfectly truthful and reliable. Sait rheum is a well-known disease of the blood, and Hood's Sarsaparilla is the best blood purifier.

"When my little boy was only a few months old, eczema, or sait rheum, appeared on his face, head and neck. It also came out on his body, but not so severe as on and about his head. Blotches and pimples would come out thickly, break and discharge a thin watery fluid, and then scales would form.

If ITCHED INTENSELY, and caused the poor little fellow a great deal of suffering for nearly five years. In that time we consulted several of the leading physicians, but he did not seem to get any better. Then, about a year ago, we decided to give him Hood's Sarsaparilla, and as the result of a fair trial he is now entirely well, his skin being smooth and fair as can be. We also used Hood's Olive Ontment and found it excellent as an outward application. To Hood's Sarsaparilla and Ointment we attribute wholly the improved condition of our boy," M. F. GOOKIN, firm of Gookin Bros., Furniture Dealers, Lowell, Mass. N. B. If you have decided to try Hood's Sarsaparilla do not be induced to take any other.

During his stay in London he submitted the Canadian view of the question to Lord Kautsford. Jolonial Secretary. The Imperial Government, though warmly commending the scheme, declined to commit itself at present.

Mr. Fleming urged that the cable, forming an alternative route, should be established as a public work and controlled by Great Britain and her dependencies. He also favored the purchase of the Eastern Extension. HAT'S what we are making on everything we sell this fall. Figures so close that there isn't any room between them and cost for anybody else to come between with a lower price. And this is true of every department all over the store. In Shoes, in Neckwear, in Underwear, you'll not fail to note that we've made close figures. But if you want to see very close fig-

ures, indeed, come in and look at a

They are all new, this season's goods, perfect in style, saultless in fit, and made and trimmed in a manner which cannot fail to please people of particular tastes. We've piles of Suits and Overcoats at lower and higher prices. Our

We've opened this week forty new styles in Boys' and Children's Suits, and extremely pretty and attractive styles they are. Never was there so much thought and attention given to clothing for the little ones as to-day, and in such a stock as we show you'll see the brightest and best ideas perfectly worked out. But because the garments are fancy, you'll not be asked a fancy price by any means.

In addition to offering some very attractive goods at close figures, we are giving two presents which are affording universal satisfaction. In our Men's Department, with every sale of \$10 or over, a beautiful Picture goes, framed and all ready to hang; and with every sale of \$2 and up in Boys' and Children's Clothing, a large and finely Illustrated Book. There'll not be a more opportune moment than NOW to buy what you need for Fall and Winter.
