MAGNIFICENTLY PLAYED!

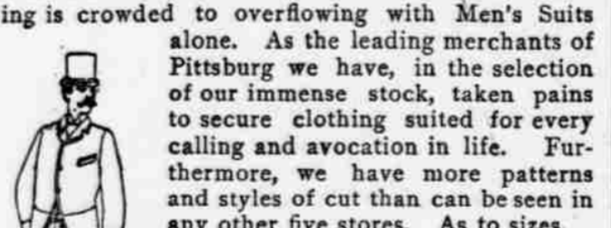

Such is the popular verdict on the manner in which we have conducted the clothing business in Pittsburg. The indorsement of the
Public has been full and flattering. We hope, and believe, that we have done our part to deserve it. But we are not unmindful of
the aid which the people at large have given us in our efforts to rear in their midst a

Grand Commercial Institution.

Of which we and they are alike proud. But for that aid, most generously bestowed, the success we have achieved would not have
been possible. Our ball of "HONEST BUSINESS METHODS" is still rolling, still knocking out old antiquated and undesirable features
of the business, elevating the standard of quality while lowering the price, and constantly winning us hosts of new friends. We're
making some ELEGANT "TEN STRIKES" this season, and in every effort we make we've SOME TO "SPARE."

MEN'S
CLOTHING!

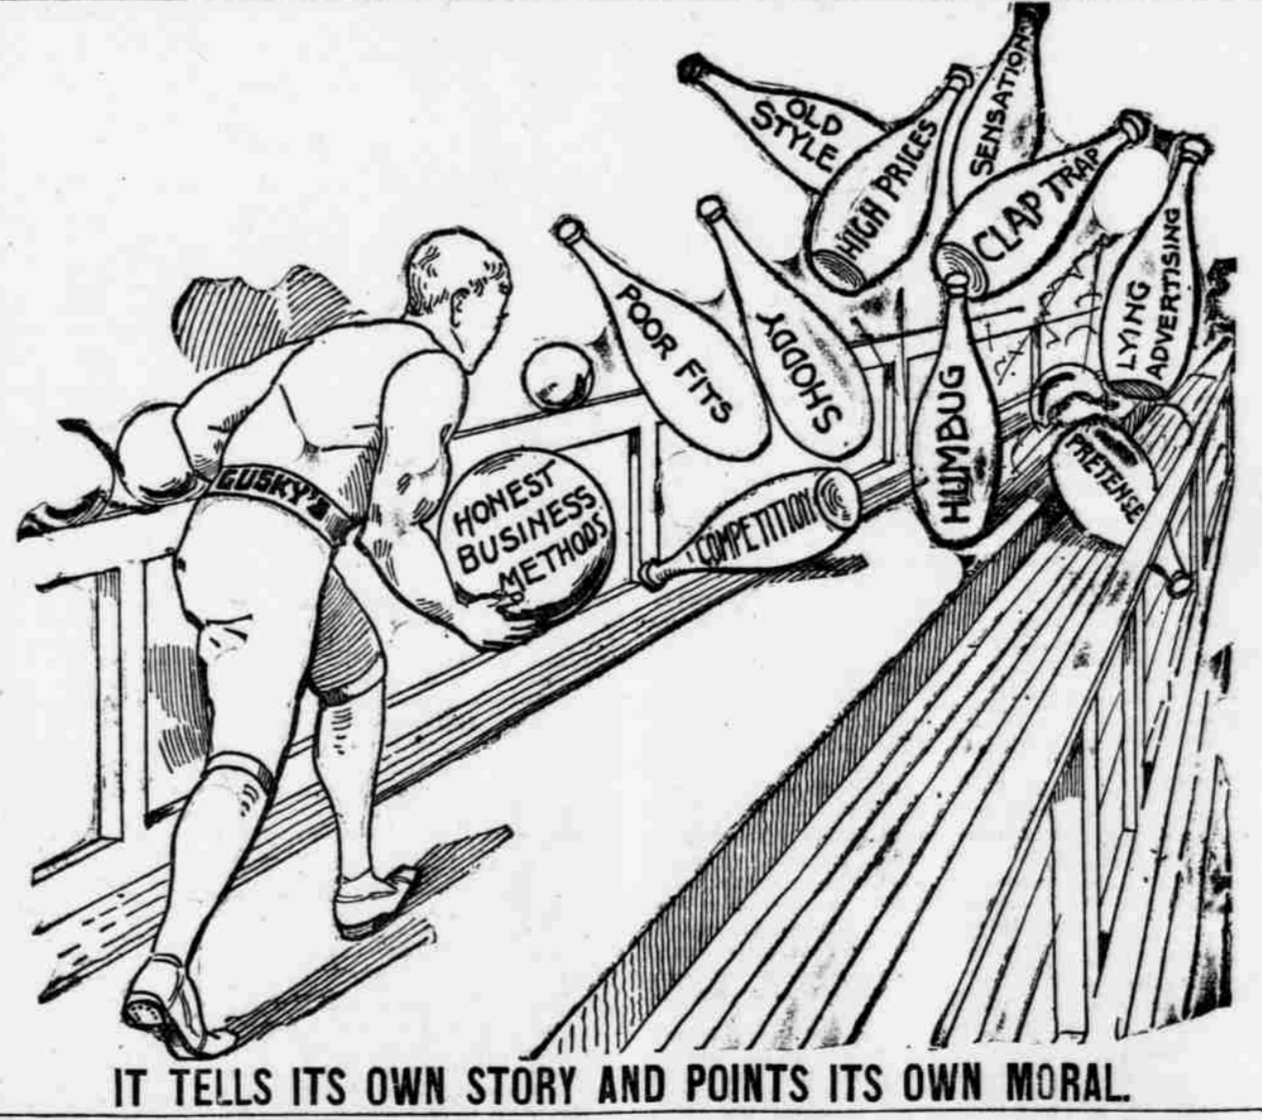

Half the entire second floor of our Mammoth Build-
ing is crowded to overflowing with Men's Suits
alone. As the leading merchants of
Pittsburg we have, in the selection
of our immense stock, taken pains
to secure clothing suited for every
calling and avocation in life. Fur-
thermore, we have more patterns
and styles of cut than can be seen in
any other five stores. As to sizes,

THE TALL,
THE SHORT,
THE LEAN, and
THE FAT

Can all find clothes to fit them here. The same
is true of our Grand
Overcoat Department

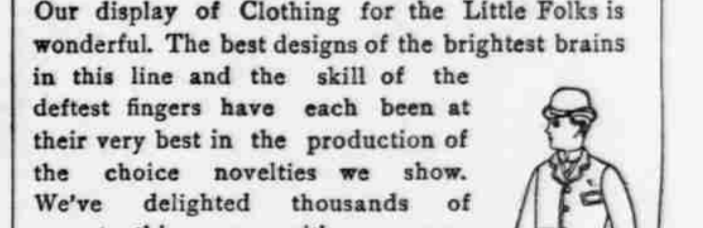

On the next floor above. Thousands upon thou-
sands of garments of every style, of all materials,
made and trimmed in a manner both pleasing to
the eye and serviceable in the wear.

IT TELLS ITS OWN STORY AND POINTS ITS OWN MORAL.

BOYS'
CLOTHING!

Our display of Clothing for the Little Folks is
wonderful. The best designs of the brightest brains
in this line and the skill of the
deftest fingers have each been at
their very best in the production of
the choice novelties we show.
We've delighted thousands of
parents this season with our mag-
nificent display, and the PRICES
WE'VE MADE ARE THE SUR-
PRISE OF ALL. Especially of those
who have been about a bit.

OUR OVERCOAT STOCK
FOR BOYS and CHILDREN

Was never so large and varied as now, the styles
never so pleasing, the prices never so low.

FURNISHINGS

The season has come when everybody is
thinking of a change of underwear, and
thousands of persons will connect the name
of GUSKY'S with the change. Determined
to still further increase our trade in this
popular department, we are offering remarkable
bargains in Underwear, Hosiery and Neck-
wear, and it will be money in your pocket to
look at what we offer. We want you to see
how cheap fashionable Neckwear is at our
store. We show you the same styles as deal-
ers who make a specialty of it,

SAVE YOU MONEY

In the purchase, and give you ten times the
choice when it comes to quantity.

OUR MAIL ORDER BUSINESS IS GROWING. Persons at a distance, who cannot visit our store in person, find it a marvelous convenience to be
able to secure the bargains we offer as readily as those who live in the city.

GUSKY'S

HATS.

If you could gather together all the Men
and Boys in Pittsburg that wear our Hats
you would have a greater number than all
the men who will attend church in this
city to-day. The number who patronize us
would make an immense mass meeting.
There must be a reason for this, for there
are plenty of other stores which sell hats and
sell the same styles that we do. But

THEY DON'T SELL 'EM AT
OUR PRICES.

There's the whole secret, and IT'S BRINGING TRADE OUR
WAY AT A LIVELY GAIT.

OUR MAIL ORDER BUSINESS IS GROWING. Persons at a distance, who cannot visit our store in person, find it a marvelous convenience to be
able to secure the bargains we offer as readily as those who live in the city.

SHOES.

ONLY A CENT BETWEEN 'EM

And we don't know which is the cheapest of
the two following bargains in our Shoe De-
partment:

No. 1 Ladies' extra quality glazed Dongola
English Walking Shoe, patent leather tip,
Goodyear welt, \$2.99.

No. 2 Men's extra fine, Cork Sole Shoe,
Lace and Congress, all styles of toes, \$2.98.

Nothing like these two in Pittsburg to-day.
Both honestly made for reliable service and
not for show, as is the case with too many
cheap shoes in the market.
