

LIMA OIL PARALYZED

By the Action Decided Upon by the All-Powerful Standard.

OTHER FIELDS TO FOLLOW SUIT

If the Policy of the Monopoly is Successfully Carried Out.

WILDWOOD FAST LOSING ITS LAURELS

It is about time that the general situation throughout the oil regions of Pennsylvania, West Virginia and Ohio should be made plain to the producer.

The Standard Oil Company, in the Lima field, has significant connection with the situation here. The policy the Standard Oil Company has adopted in Ohio plainly proclaims that this absorbing monopoly intends to reduce the price of Ohio crude to its basis of 16 cents per barrel.

Fast Losing its Laurels. Wildwood—Wildwood is apparently losing its laurels. The Ringheim well is 1,949 feet deep to-night, and unless there is a change soon for the better, southwest in this locality will be draped in mourning.

From Other Fields. Mansfield—The Patterson & Jones well on the McCurdy farm, according to the nine-hour gauge, to-day produced at the rate of 30 barrels an hour.

MANNINGTON—Watson & Co., No. 2, Blackbird, is showing for a 100-barrel well. H. McClintock.

FAIR October flowers that are in bloom all about Pittsburgh is the subject of a cleverly written and neatly illustrated article that will appear in THE DISPATCH to-morrow morning.

Everyone Says That the P. C. C. & D. and \$12 overcoat are the best value in this city.

ALL-WOOL Henriettas—three grades of extra value, 40-inch at \$30, 46-inch at \$20 and \$1 a yard; all desirable day and evening shades.

Special for To-Day. Beautiful Gretchen coats and long wraps for misses and children.

VIRGINIA'S PITTSBURG.

RESOURCES OF THE FERTILE AND WONDERFUL SHENANDOAH VALLEY.

The Gateway Between the North and South—Shenandoah the Center of Great Activity—Vast Mineral and Timber Resources—Transportation Facilities—Iron Mines—Investing Capital There—Opportunities for All.

SHENANDOAH, Va., October 21.—In these days of industrial booming, when there is being built on paper so many cities, magnificent as the most gorgeous air castles and almost as baseless, it behooves the investor to study critically the minutest detail of the claims of any town which may attract his attention.

It is gratifying to find places like Shenandoah, where the claims are verified by facts, and where the management is composed of men eminently fitted, in every respect, for the discharge of the duties which they have assumed.

Every Day! Every Day! Every day sees fresh arrivals here in ladies' and misses' jackets, long coats, plushes, etc. The largest assortment of novelty and fur-trimmed jackets show in this city.

THE HIGHEST EVIDENCE OF THE MERITS OF THIS place is contained in the fact that some of the first promoters of the country have invested here. Last May the Shenandoah Land and Improvement Company was organized with C. Powell Noland as President.

IRON WAS MADE AT THIS PLACE 60 YEARS ago in primitive charcoal furnaces. A year ago the "Gem" furnace, owned by the Shenandoah Furnace Company, began operations.

ENLARGING PLANTS. The furnace company is now laying the foundations for a rolling mill, which will be second to none in the country.

ALL THE CONDITIONS NECESSARY TO THE success of manufacturing obtain here. The climate is mild, and labor is cheap, and there is an abundance of raw material.

THE MEN WHO ARE BUILDING THIS TOWN are the same men who took hold of Roanoke when it was a village of 400 people.

STREET A PERFECT SYSTEM OF WATER WORKS.

Over \$7,000 have already been spent in improving the streets, and the work is still being carried on with unremitting energy.

RAILWAY FACILITIES.

A few miles to the south the Shenandoah Valley road is crossed by the Chesapeake and Ohio, and at Roanoke it connects with the main line of the Norfolk and Western.

NEW ADVERTISEMENTS. B. & B. M'KINLEY TARIFF: BILL ADVANCES Black Silk-Warp Henriettas!

That's what we are having in our efforts this season to convince the public that in Gents' Furnishings we lead, not only in the quantity and variety of the stock we show, but in price also.

It is quite amusing to us—and we haven't a bit of doubt that the general public share in our amusement—to notice that our would-be competitors every now and again warn the people not to be misled by newspaper statements of price.

They know as well as we, and the public at large, that newspaper statements of price amount to nothing, standing alone. What they really fear, and with good cause, is the force of the regular knock-down arguments which a stock such as ours carries with it, and their make-believe solicitude is mere dust kicking to hide the facts.

Neither do we need to hold the much-abused McKinley bill over your heads as an inducement to buy. The fact is the stock we are now showing was bought long before the McKinley measure was passed, and not in many years have we been able to sell goods in this department so low as at present.

The assortment in all Eight qualities of 40-inch Black Silk-Warp Henriettas: 95c, \$1.00, \$1.15, \$1.25, \$1.40, \$1.75, \$2.00.

Commences this morning at 8 o'clock.

THE GREAT FEATURE IS THAT THESE Silk-Warp Henriettas are made by one of the best ENGLISH Manufacturers, England has always surpassed France in the manufacture of Black Silk-Warp Henriettas—something that's not always conceded, and often not known, but is another of the absolute certainties, and can't be controverted.

If merchants find (as they will) in this 300-piece offering of Black Silk-Warp Henriettas goods at 50 to 25c a yard less than they can buy them by the piece in wholesale stores, they are welcome to come and buy them. The goods are for sale, and will be sold, and such SUPERB QUALITIES AT PRICES so much LESS THAN EVER SOLD, will create a commotion at our Black Goods Department.

Almost everybody knows that the prices of Hosiery advanced very considerably within a recent period. Everybody may not know that there has been no stiffening of prices at these stores. This is equal to saying we are underselling competitors, and that's exactly what we mean to say. No use mincing words on a question of such importance to the community.

If you want the biggest bargains in Hosiery ever offered in this town, then come here at once and make your selection. The goods may soon be all gone and the prices will go with them. We couldn't buy the goods from the manufacturer to-day for less than they are selling over the counter.

THE PROOF OF IT. If any proof of our assertions is necessary, the following will doubtless be sufficiently convincing:

All-Wool Ladies' Hose, 15c, 20c, 25c, 30c, 35c. Very fine Imported Cashmere Hose, 45c, 60c, 75c. Misses' All-Wool Hose, 25c, 30c, 35c, 40c. Fine Black Cotton Hose, 12 1/2c to 15c. Striped full regular Hose, 15c, 20c, 25c. C. G. genuine Farris Misses' Hose, 25c, 30c, 35c. Gents' 1/2 Hose, full regular, 15c, 20c, 25c, 30c, 35c. Ladies' Lisle Vests, 25c to 35c. Ladies' Ribbed Vests, long sleeves, 45c. Ladies' Ribbed Fine Wool Vests, 65c, 75c, 90c, \$1. Ladies' Union Suits, \$1.20 to \$2.50. Misses' Union Suits, 95c to \$1.50. Ladies' Camel's Hair Vests, 50c, 75c, \$1. Ladies' Fine Merino Vests, 50c, 75c, \$1.

Of course the above is but a partial list of the hundreds of styles of Silk, Lisle and Cotton Hosiery we are selling this week at bargain prices.

Over 1,500 new garments were added to our already large assortment last week. The latest styles, the greatest variety and the best values will all be found here. If about to purchase a winter outfit it will certainly be to your interest to examine goods and prices. Comparison is one thing above all others that we court:

Fine Tailor-Made Cloth Jackets, \$3, \$4, \$5. Fine Tailor-Made Reefers, \$4 to \$15. Fine Vest Front Jackets, \$7 to \$15. Fine Fur Trimmed Jackets, \$9 to \$25. Seal Plush Jackets, fine quality, \$8 75 to \$12. Seal Plush Jackets, extra long, \$9 95 to \$13. Seal Plush Jackets, extra long, \$12 to \$18.

Children's Reefers, from \$2.50 up to \$10. Misses' All-wool Reefers, from \$4 up to \$17.50. Children's Long Garments, from \$2.50 up to \$4.00.

NEW ADVERTISEMENTS. Underwear. Three hundred and sixty-five days in the year, barring Sundays and holidays, we offer genuine bargains in this department.

We keep the most expensive and finest quality goods made by the most renowned makes of both Europe and our own country; we carry and sell enormous quantities or middle grades and we can show you underwear down to a few cents a garment in price. There's not any advantage that capital and experience can secure in the buying that we do not get our full share of, and we are content with a smaller profit than it would pay any firm with a lesser trade to charge.

That's what we are having in our efforts this season to convince the public that in Gents' Furnishings we lead, not only in the quantity and variety of the stock we show, but in price also.
