DR. CROSBY'S CHARGE.

A Police Captain Alleged to Have Collected $70,000 Blackmail

FROM NEW YORK SALOON KEEPERS.

Inspector Byrnes Will Make the Divine Prove It in Court.

THE PROOF MUST BE FORTHCOMING

[SPECIAL TELEGRAM TO THE DISPATCH.]

NEW YORK, November 4.—Inspector Byrnes made this statement to-day:

"I have read in this morning's papers the statement made by the Rev. Dr. Crosby, where he says: 'I know of a police captain, for a Commissioner told me, who received $70,000 last year in blackmail from saloon-keepers in his precinct. I can prove this if it is doubted.'

"That statement, publicly made by a well-known divine in this city, is a very serious accusation against a department that is charged with the enforcement of the law, and it has a tendency to cause distrust in and impairment of its efficiency. There have been statements made heretofore by irresponsible persons relative to members of this department receiving money from persons engaged in illicit and disreputable business, and such persons, when called upon by the department for evidence, either could not or would not be found or declined to furnish the commissioners with proof of their assertions, so that the accused persons could be brought to trial, and, if found guilty, properly removed.

PROOF MUST BE FORTHCOMING.

"In this case no such question can arise, for the gentleman making this statement is well known, and I assume will be ready to furnish proof of this statement when called upon to do so. I believe the officers of this department are anxious to have the accused person, whoever he may be, tried, and, if found guilty, promptly dismissed from the department and punished in such manner as the case may warrant. If, on the other hand, the charge is unfounded and cannot be proven, then it is a cruel and malicious libel on the department and the person from whom it emanated, no matter how high his standing in the community may be, should be brought before the bar of justice and punished as he deserves. In speaking about this matter as I do, I am bound to remember the fact that the Police Department is a department created for the purpose of preventing, detecting and punishing crime, and being such, it is but natural to expect that the evil classes are at all times ready and willing to cast upon it all kinds of criticism.

AN INVESTIGATION WILL BE MADE.

"When a person like the Rev. Dr. Crosby publicly makes the statement, which the press claims he made at a public meeting, it simply has a tendency to make those wrong-doers rejoice that another besides one of their own number is broadly casting criticisms upon a department which, in the judgment of these evil-doers, should be wiped out of existence. Owing to the numerous duties now devolving on the department in discharging the duties placed upon them by the laws in reference to elections, I ask the public for a suspension of judgment until the matter can be thoroughly investigated by the Commissioners of Police, which, I am sure, will be done speedily."

THREATENING TO STRIKE.

Trouble Anticipated in the Connellsville Coke Regions.

[SPECIAL TELEGRAM TO THE DISPATCH.]

SCOTTDALE, November 4.—From the remarks of labor leaders to-day it is felt that the Connellsville coke regions is on the eve of a great strike. The six days' notice given by the Knights of Labor to General Manager Lynch expires to-night, and since Verostic, the discharged committeeman, has not been reinstated, the men will refuse to go to work in the morning.

A conference was held to-night between General Manager Lynch and Master Workman Kerfoot, who represented the miners. The talk was relative to the appointment of an arbitration committee, to decide whether or not the company was justified in discharging Verostic, and if he should be reinstated on the evidence produced. Nothing was agreed to, however.

NOT SETTLED YET.

Judgment Reserved in the Libel Case Involving Birchall.

TORONTO, November 4.—The motion made in the libel case, Graeme versus the Toronto *Globe*, to have Birchall brought here from Woodstock, where he is now lying under sentence of death, and examined as a witness on behalf of the plaintiff, was repeated to-day.

Counsel for the *Globe* objected to the granting of the motion, arguing that it would be against the interests of justice for a man in Birchall's position to be required to give evidence. He also contended that Graeme, the complainant, was not the same man as the "Graham" alluded to in the *Globe*. Judgment was reserved.

EVERETT PIANOS SELL

In Spite of Cold and Rainy Weather.

There is one place in the city where bad weather does not seem to affect business. If you have a fit of the blues just put on your wraps and call at 137 Federal street, Allegheny, and spend a few moments among those beautiful Everett pianos. The lovely tones, elegant and artistic designs of cases, the polite and cheerful attention you will receive will drive them away, and the possession of one of these elegant pianos will prove a lasting source of pleasure and happiness. There is no reason why you should not possess one. If you cannot spare the cash just now, you can arrange to get it on easy payments, as the club plan upon which they are sold provides methods of payments to suit both rich and poor. It gives you one of the finest pianos manufactured at a price asked by retail dealers on their second and third grades. The plan has become so popular it is not necessary to give it in detail. If you do not understand it call and have it explained, or send for a circular to the manager.

NATURAL GAS SHUT OFF.

Shortage in the Ohio Valley Company's Supply the Cause.

[SPECIAL TELEGRAM TO THE DISPATCH.]

EAST LIVERPOOL, O., November 4.—After this week natural gas will be shut off from the bisque kilns in the potteries who use the Ohio Valley Company's gas. The cause for this is the shortage in the supply, which becomes more apparent as the cold weather approaches. It is thought that by shutting off the bisque kilns an ample supply will remain for the consumers on the lines. The order of the gas company will go into effect on the first of next week.

The shutting off from the bisque kilns will result in considerable inconvenience to the potters, who have built their kilns for natural gas. The necessary change for the use of coal can be made without any serious inconvenience, however, but more expense and trouble will be connected with the old style fuel than with the now failing gas.

A WOMAN THE CAUSE.

Terrible Tragedy in West Virginia Brought on by Jealousy.

[SPECIAL TELEGRAM TO THE DISPATCH.]

PARKERSBURG, November 4.—A telephone dispatch from Grantsville says that Adam and Grant Richards, who were visiting an uncle at Oxford, went to a corn-husking a few nights since, Adam taking his young and pretty wife with him. During the evening the usual country games, in which kissing takes a prominent part, came off. Grant universally selected his cousin's pretty wife as his choice among the many misses, maids and matrons, and thereby excited Adam's jealousy. On their way home Adam chided his cousin, and warned him to desist in future.

In the morning at the breakfast table the subject came up again, but the men left the house apparently good friends. They had not left the yard, however, before Grant drew a knife and attacked his cousin, cutting him almost in pieces. He then walked into the house and told the woman that she was to blame for the murder, picked up his gun and made for the hills, but was overtaken and captured that night. Adam's heart was completely severed and two ribs cut away. Many threats of lynching the murderer were made, but he was hustled off to the county seat and safely lodged in jail.

BAD ECZEMA ON LIMB

From Knee to Foot a Mass of Running Sores. Cured by Cuticura Remedies. Total Cost $1 75.

I have been afflicted with a sore limb, which the doctors call eczema. My limb from the knee to the foot was one mass of running sores. The doctors bandaged it every day for a week, and every time the bandage was removed a large scab would come off and the blood pour down. I got one bottle of CUTICURA RESOLVENT, one box CUTICURA, and one cake of CUTICURA SOAP, and they cured me. I told a lady who was similarly afflicted to use it, and it cured her also. I gratefully acknowledge that it was CUTICURA that cured me.

Inherited Scrofula

My nose was of a most pronounced crimson hue, the result of inherited scrofula. I suffered unteilable mortification daily, and tried enough remedies to stock a drug store without deriving the slightest benefit. I tried the CUTICURA REMEDIES, and the most flattering results followed their use. I am all right now, and I cannot find encomiums enough to bestow upon what I know to be the greatest and grandest gifts given by science to man. Please accept the most sincere and grateful thanks of one who has suffered.

Mr. Fred Hahn, Sharpsburg.

many years—not finding any relief from the 20 doctors he had employed. He suffered from belching of gas from his stomach after eating, sour taste and often felt like vomiting his food. His appetite was poor, and as his liver was much enlarged it gave him great pain. In fact, he would often be taken with such sharp cramps and pain across his stomach and bowels it seemed as if he could not live. He had palpitation of the heart, dizziness, weakness and pain across the small of his back, and a numb, lifeless feeling in his limbs. He could get but little sleep, and as every change of weather gave him a cold, he took on a lingering cough. His breath became short and he felt pain and soreness in his lungs and under his shoulder blades. Night sweats weakened him very fast, and he gradually grew worse until he lost 20 pounds of flesh. Many of his friends thought he had consumption, and that he must die from that terrible disease. On calling on the catarrh specialists he was told he could yet be cured. Although he had but little faith, he resolved to try once more, and after taking a course of treatment, he says: "The above history of my disease and cure is true in every respect. I had received treatment from 20 physicians, yet gradually grew worse, and for one year before beginning treatment with these physicians I was scarcely able to do any work.

"It is now over five months since I became cured and not one of the above symptoms have returned. I work hard every day, feel well and strong, and words do not express the joy I feel that my life has been spared and health restored. FRED HAHN."
