PARKS AND BRIDGES.

Two Fruitful Subjects for Discussion by Members of Councils.

MR. BIGELOW'S BILL HITS A SNAG.

A Southside Councilman Experiences a Change of Heart.

THE HIGHLAND PARK TO BE ENLARGED

Pittsburg parks and free bridges were again fruitful sources of discussion by both branches of Councils yesterday. A feature of the Common Council session was the declaration of a Southside member that he was ready to vote for parks' now that there was a disposition to make the bridges free.

The ordinance for the purchase of the 19 acres of ground for an entrance to Schenley Park, which failed for want of a legal majority, was called up in Common Council. There was no debate and the vote was taken at once. The ordinance was passed with a large majority, there being 33 ayes to 10 noes. Mr. Bigham voted aye, but changed to no, saying he had been engaged in conversation when his name was called and had made a mistake.

Mr. Mullen, of the Thirtieth ward, who voted aye, explained his vote by saying that he had been promised by several gentlemen that they would agree to give the Southside $100,000 for free bridges, so he voted aye. Before the vote was announced Mr. O'Donnell wanted Mr. Mullen to tell who made this promise, but Mr. Mullen sat still and the ordinance was declared passed.

The vote in detail was:

Ayes—Messrs. Anglioch, Crawford, Donley, Delaney, Dunn, Elliott, Ertzman, Gallagher, Groetzinger, Hagmaier, Jarrett, Johnston, Kearns, King, Larkin, Lowry, Magee, Mason, Mullen, McCarthy, McClure, McElhowney, McGuire, O'Connor, Pitcairn, Pfeifer, Shannon, Taggart, Vogt, Williams, Wallace, Wilson, White—33.

Noes—Messrs. Bigham, Brewster, Fox, Metcalfe, MacGonigle, O'Donnell, Russell, Stewart, Wright and President Holliday—10.

Mr. Mullen was interviewed later and said he had consistently opposed spending money on parks while his constituents were compelled to pay toll. He had been assured that there would be at least one free bridge from the Southside next year. If one was built in the neighborhood of Twenty-sixth street it would place the most thickly settled portion of the Southside within 10 or 15 minutes' walk from the park. He also understood that there was a probability of a free bridge being built from South First street to Ross street. For these reasons he had changed his stand upon the park question

BIGELOW'S BILL DISCUSSED.

The resolution to pay $1,328 25, the expenses of Messrs. Bigelow, Carnahan and Scott to England, which failed to pass for lack of a legal majority, was called up. The Chair read the following:

PITTSBURG, November 24, 1890.

To the Presidents and members of Select and Common Councils.

GENTLEMEN—Some objection has been made to the bill for expenses to London to see Mrs. Schenley with reference to securing property which would furnish the entrance to Schenley Park, from Forbes street. The amount presented is exactly the sum actually expended for the three parties mentioned for traveling expenses, and does not include one cent spent for personal pleasure or profit.

During the early part of last summer Mr. Andrew Carnegie called upon Mrs. Schenley in London, and endeavored to procure the 19 acres of land intended for the entrance, expecting to use it for the building of his library and art gallery buildings, but he was not successful and telegraphed for us to come over and see Mrs. Schenley, as she had ref sed to do anything except with the city. I reluctantly consented to go, and when Mr. Scott, Mr. Carnahan and myself arrived it was the perfect understanding that the expenses were to be paid by the city. Mrs. Schenley had refused to deal with any private party for the reason that it might be diverted from the object she had intended it first, namely, the entrance to the park which she has already donated to the city; she would sell the property only to the city of Pittsburg, and at what she regarded as a very low price. The only thing left for us to do was to take the option to purchase for the city, which has been presented to for your consideration.

The objection to the payment of the bill seems to be particularly to Mr. Scott's expenses. Having noticed the objections in the newspapers, I inclosed me a check for his share with a note to him therewith attached and explains itself. Very respectfully, E. M. BIGELOW,

Chief of Department of Public Works.

PITTSBURG, November 4, 1890.

E. M. Bigelow, Esq., Chief Department Public Works:

MY DEAR SIR—Your favor of Saturday is just at hand. I inclose check for $400, amount named in your letter as my share of the expenses of the trip to England, and thank you for permission to pay the same.

I know your views as to the legitimacy of such expenses, but for your own comfort I wish you had accepted my share of the expenses when requested you to do so. I now hope you will be saved from further trouble in the matter.

I willingly contribute my personal expense as well as my month's time and my individual expenses incident to the trip—all toward the park project, in the belief that it will prove a great and permanent benefit to my fellow-citizens. Yours in the interest of the city of Pittsburg,

JAMES B. SCOTT.

THE RESOLUTION DEFEATED.

Mr. Bigham suggested that the resolution be reduced $400, the amount of Mr. Scott's check.

Mr. Magee—The idea is wrong; the city should pay all or none, and should not be mean.

Mr. Bigham—The talk of being mean has no place, because it is city money we are expending. To pay Mr. Scott's expenses is illegal, and the Mayor would veto any resolution to pay them.

Mr. Magee—Councils should do what they think right, regardless of what the Mayor will do.

Mr. Bigham moved to reconsider the action by which the resolution was passed on third reading, that it might be amended. This was agreed to by a vote of 20 ayes to 18 noes.

When the vote to amend the resolution by reducing the amount to be paid to $928 35 was taken the amendment failed, there being 1 ayes to 21 noes. The roll was then called on the original resolution and the vote stood:

Ayes—Messrs. Anglioch, Donley, Delaney, Dunn, Elliott, Groetzinger, Hagmaier, Johnston, Kearns, King, Lowry, Magee, Mason, McClure, McCarthy, McGuire, Shannon, Vogt, Wallace Wilson and White—21.

Noes—Messrs. Bigham, Brewster, Crawford, Ertzman, Fox, Gallagher, Jarrett, Larkin, Metcalfe, Mullen, McCarthy, MacGonigle, O'Connor, O'Donnell, Pitcairn, Pfeifer, Russell, Stewart, Williams, Wright and President Holliday—21.

The vote was a tie and the Chair declared it had failed for want of a legal majority. Messrs. Bigham and O'Donnell were on their feet in an instant, but the Chair had seen the mistake and declared the resolution lost. At the next meeting a motion can be made to reconsider the action taken. If this is not done the bill cannot be paid by the present Council.

Mr. Magee presented an ordinance authorizing the purchase of 8.81 acres of land from M. F. Scaife for a part of the Highland Park at $4,592.

Mr. O'Donnell raised the point that the money had not been appropriated for this purpose and the purchase would be illegal. The point was not sustained, and the ordinance was passed by a vote of 36 ayes to 1 no. Mr. O'Donnell cast the negative vote.

When this matter came up in Select Council it failed for the want of a legal majority, the vote standing 17 ayes to 8 nays.

A PARTIAL DONATION.

Shortly afterward Mr. Robertson and several other Councilmen who had been absent came in, and Mr. Anderson called up the ordinance again, when it passed by a vote of 19 to 5. Mr. Robertson made an explanation showing how the tract was a partial donation to the city of a much very valuable land, the amount to be paid for it being less than one-third its actual value. The members who voted on the ordinance were as follows:

Ayes—Messrs. Anderson, Binder, Cavanaugh, Doyle, C. Evans, Fitzsimmons, Henderson, Keating, King, Matthews, McCord, Paul, Rohrkaste, Treusch, Warmcastle and Ford—17.

Nays—Messrs. Benz, Braun, Fouter, Frauenheim, Lambie, Murphy, Perry and Warren—8.

On the second vote Messrs. D. P. Evans, Miller, Murphy, Robertson and Perry voted aye.

District Attorney Moreland presented to Select Council the rough draft of a bill to be presented to the next Legislature providing for the establishment of free bridges by the city by purchase, condemnation, or construction. The Chair was instructed to appoint a committee of five to examine the bill and report to Councils.

Both branches agreed to the recommendation of Mayor Gourley that the reports of the last triennial assessments be sold for 25 cents apiece.

In Common Council George F. Williams, who was elected to fill the vacancy in the Nineteenth ward, caused by the death of Robert E. Carnahan, was sworn in and took his seat.

Mr. John Kearns, of the Tenth ward, who has been elected a member of the Legislature, presented his resignation, which was accepted.

Entirely New Pullman Dining Cars on the Pennsylvania Lines West of Pittsburg.

The management of the Pennsylvania lines west of Pittsburg are determined to be abreast of the times in all that pertains to the welfare and comfort of their patrons, and, therefore, beside affording them rapid transit in modernized coaches and the best Pullman sleeping cars, new dining cars are placed at their disposal.

The old "diners" are abandoned and entirely new dining cars, embodying the latest improvements, equipped with every convenience, finished in exquisite taste and fully up to the incomparable standard of excellence constantly maintained by the famous Pullman Company, are now running upon the morning express trains westward from Pittsburg, over both "The Panhandle Route" and "The Ft. Wayne Route," returning to Pittsburg on the evening trains.

No more brief stops for indifferent meals. You can "dine sumptuously every day," at your leisure and in comfort, while rolling across the country at 40 miles an hour, upon the vestibule trains of the Pennsylvania lines in the new and luxurious dining cars of the Pullman Company.

By a recent decision of the United States Court, the patent vestibule cannot be used on other than Pullman cars. Particular attention is, therefore, invited to the fact that the Pennsylvania lines are operating Pullman sleeping and dining cars, which are properly fitted with that convenient and appreciable device—the Pullman pertected safety vestibule.
