The Great Concern Now Has Cemplete Control of the Prices-An Indignant Expression From a Producer of Promi-

There is a strong undercurrent feeling mong the producers that ere long will manifest itself in the most tangible form. They say that the Standard has applied the screws of oppression until there is no retreat but in submission and slavery, and that the time has now arrived when, from the "Signs and wonders never cease," at east according to the stories told Judge White yesterday the signs were seen in the rindows of the Yoder building on Saturday

sheer force of circumstances brought about by the grasping monopoly, they must combine and protect their interests. A prominent producer who has been engaged in the production almost from the first inception of the industry, declared himself to The Disparce scout to-day in the following manner:

Beat according to the stories told Judge White yesterday the signs were seen in the windows of the Xoder building on Saturday afternoon.

District Attorney Johnston called the matter to the attention of the Judge in Criminal Court yesterday, saying that he considered it the duty of a representative of the people to investigate the allegation that some one from the outside world had had communication with the jurors in the Eddie Myers murder case. Two witnesses were called to testify in the case, and they declared that the man who dared trifle with justice at a distance of 25 yards was P. J. Murphly, who neted as Constable for the attorneys in the delense of Myers. The witnesses were Simon Roll and Capitalin O'Brien, the tipstaves who had charge of the jury.

The former was the first called. He stated that about 4-50 o'clock on Saturday afternoon, he was standing at a window overlooking Pifth avenue, when he saw a man sitting in a chair close to one of the windows on the fourth floor of the Noder building making signals in the direction of the jury room.

FECULIAR MOTIONS MADE.

He had a long, broad strip of paper, which he occasionally held up to the window. Once he apenued the window and made a motion as if he were about to drop the paper, Several times he put his hand in his pocket, then removed it and put it forward toward the jury room.

He always held that juries in homicide cases should not be allowed to go outside the Court House for any purpose, and during the last days of the Myers trial ordered that the juriors' meals be carried to them. The windows in the jury room, his Honor thought, should be so arranged that they could have no communication with the outside world, and the lower part of the windows should be fastened or some other arrangement made. He hoped that the County Commissioners would look line this matter.

NEW ADVERTISEMENTS. LOST 6 BONES FROM CATARRH.

Lady's Statement-"I Would Flather Die,"

Said Mrs. White, "than suffer as I have for the past four years. The catarrhal poison in my system caused me to be continually taking cold, and with every cold the pain in my head became worse, although I was able to get rid of some of the poisonous matter by spitting out what dropped into my throat, yet the secretion formed in my head faster than I could expel it, until a severe inflammation set in, hiy eyes became so inflamed and weak that I

was compelled to wear glasses for one year and a half. My nose became greatly swollen and puffed out, and the disease ulcerated deeper and deeper, until five bones dropped out of my nose, some of them measuring over one inch in length. Also a large bone dropped out of the roof of my mouth. Host flesh until I weighed only 73 pounds.

"I treated with several physicians, but found no relief, for I could get no peace by day nor rest at night. Finally I became very deaf, and as my condition grew worse I gave up all hope, until one day I called on the physicians of the Catarrhand Dyspeptic Institute, and was told they could yet remove every trace of the catarrhal poison from my system and thus save me from consumption, for my throat had become very sore, and I was afraid I would die with consumption, as some of my friends had done.

"I therefore placed myself under their treat-

with consumption, as some of my friends had done.

"I therefore placed myself under their treatment and have been entirely curred, my hearing has been restored, I have regained my flesh and feel well and strong. I live on Penn avenue opposite St. Mary's Cemetery.

Now that its manufacturers are drawing the attention of the American public to this first and, ever since its invention, the best of all cocoas, it will soon be appreciated here as well as elsewhere all over the world. All that the manufacturers request is simply one trial, or, still better, a comparative test with whatever other cocoa it may be; then VAN HOUTEN'S COCOA itself will convince every one of its great superiority. It is because of this superiority that the English paper Health, says: "Once tried, always used." ## OUR GREAT CLOAK PARLORS

Have never turned out as many good Bargains as right now, and especially during this Thanksgiving week. Among the attractions that challenge more than usual attention and admiration are the following: Imported Cheviot Jackets, blue and black, with deep Astrakhan rolling collar and wide facings at \$12 50.

A magnificent line of Cheviot, Diagonal and plain cloth Reefer and Vest Front Jackets, fur trimmed and satin lined, from \$20 to \$30. Very nobby Imported Cloth Jackets, trimmed with genuine Mink and having deep facings, at \$25.

A seemingly inexhaustible supply of stylish Reefers and Vest Front

Jackets, in the best and most desirable materials, from \$5 to \$25.

Greatest Sale of Plush Garments on Record.

It is now in full blast in our Cloak Department. These fine English Seal Plush Jackets and Sacques which we are now selling so cheaply were bought by us during the early summer months, long before the big rise in the prices. That's the reason why we laughed so serenely at the hubub raised about the McKinley bill by other houses. We had secured ourselves AND OUR CUSTOMERS against any advance. Here's the result of our early buying:

Seal Plush Sacques, sold elsewhere at \$20; Kaufmanns' price \$12 50. Seal Plush Sacques, sold elsewhere at \$25; Kaufmanns' price \$15. Seal Plush Sacques, sold elsewhere at \$32; Kaufmanns' price \$20. Seal Plush Sacques, sold elsewhere at \$40; Kaufmanns' price \$25. Seal Plush Jackets, sold elsewhere at \$15; Kaufmanns' price \$8. Seal Plush Reefers, sold elsewhere at \$40; Kaufmanns' price \$25. Seal Plush Wraps, sold elsewhere at \$20; Kaufmanns' price \$12 50.

# FUR CAPES, \$4 TO \$75.

What a wide range of values! We could fill a page telling you about the styles and makes and goods and trimmings and still leave the haif untold. Suffice it to say that EVERYTHING is here, and EVERYTHING can be bought at a big saving to you.

# Genuine Alaska Seal Garments.

Alaska Seal Jackets, London Dye, 25 inches long, with rolling collar, at \$125. You'll pay \$175 for the same identical Jacket elsewhere.

Alaska Seal Walking Jacket, 27 inches long, London Dye, at \$150-

would cost you \$225 in any other house. Alaska Seal Sacque, 33 inches long, London Dye, at \$175-price outside of Kaufmanns' \$275. Alaska Seal Sacque, 37 inches long, London Dye, at \$200-price elsewhere is \$300.

EVERY SEAL GARMENT WE SELL IS

GUARANTEED.
