## IN THE FIELD FOR SPEAKER.

Mr. Hatch says he is a candidate for Speaker, but it was time enough to talk about that and the Democratic policy 12 months from nov.

Congressure a Norton called attention to the fact that when the first Harrison was elected President there was a Whig maprity of 30 or more, but at the following election the Democrats were ahead with 70. Colonel Hatch retorted that the comparison was not a tair one, as the first Harrison died a month after he was inaugurated, and the change was the result of Tyler's administrution

Congressman Pierce, of Tennessee, said he was not posted, and didn't care to talk. He was pleased with the elections, and he thinks Democratic success in 1892 is nesur ed. Senntor Bate is a dignified old Southerner,

with a lame leg which he received in the late war. Like all Democrats he is opposed to the passage of the Federal election bill, and he does not believe the Republicans will make an effort to pass it. He thinks the people have rebuked the Republican party, and particularly the McKinley bill. Silver-fullar Bland smiled when asked if State is enough.

## STRUCK ON GEORGIA.

### A Southern Man Tickled With Improvements in His State.

"Talk about enterprise in your Western cities," said a raw-boned citizen from the South at the St. Charles Hotel yesterday, "why, we have more of it in our little fingers, down in Georgia, than these Western chans have in their whole make-

"That is something new for the South," spoke up a New York drummer, a little nettled by the torrid man's braggadocio. "I um glad to hear that somebody down that way has gotten a 'move on' at last.'

"No offense is meant," replied the big fel-low, "but statistics show that during the past year we are ahead of Michigan in improvements by 40 per cent, and we even lead Pennsylvania. There is more push in Ver-most and Connecticut than in the Western States. The people in the East must 'get up and git' to make a living."

"I have run neross statisticians like you before," answered the New Yorker, "but I am pleased to hear that Georgia is improving. She needs it badly enough, and as for Pennscivania, Michigan and the Eastern States, I am not worried about their inture. They will take care of themselves."

### P. & C. ANNUAL MEETING.

## No Opposition to Directors of the B. & O. Leased Line.

The annual meeting of the stockholders of the Pittsburg and Connellsville road will be held to-day in the Baltimore and Ohio depot. This road is leased and operated by the Baltimore and Ohio. General Orland Smith, Vice President of the Baltimore and Ohio, General W. H. Kooniz, W. H. Burns and other directors of the road are st the Monopgahela House.

The present Board of Directors is General Orland Smith, Mendey Cohen, Robert Garreit, W. H. Burns, John D. Sculis, George A. Berry, John W. Chalfant, William Metcall, W. J. Moorhead and C. L. Fitzhugh, Secretary J. B. Washington stated Inst evening that the old board would be re-The annual report is ready, but elected. Major Washington would give no figures in

the Supreme Court to fight for their lives. The murderers have not been captured, and up to date nobody seems to know what has become of them. The last trace of them is given by a boy who was coming up an alley way by the jail. He heard the criminal who had fallen crying for help, and he asked two men who were passing what was the matter. They replied that it was some

# FAVORS POOLING TRAFFIC.

#### Chairman Blanchard Commends Jay Gould away and keep quiet, but as she persistently retused, he arrested her. as a Saviour of Railroads.

George R. Blanchard, Chairman of the Central Traffic Association, was a passenger on the limited last evening for Chicago. He stated that rates were firm, and everything was quiet in the railroad world. The shippers are not complaining, and he takes he was also a candidate for Speaker. He this as a good sign that the people are pros-doubtless thinks that one aspirant from a perous. There is a large increase to the perous. There is a large increase to the wealth of the country each year, but finan-

ciers, he says, frequently overlook this fact, When asked for his opinion of Jay Gould's plan to pool the passenger and

treight business of the Western roads, and have one agent, instead of many, to secure the traffic and divide it among the roads, Mr. Blanchard said: "Mr. Gould is a longheaded man, and singularly enough, years ago he was regarded as the wrecker of railads; now he is looked on as their savione His plan is the only one for the railroads to adopt. The lines are spending large sums of money on agents to secure business, and

they are losing much through their cutting of rates. "Pooling the business would be better for the shippers and the roads. The profits are

too small for the money invested, and a combination is needed to make the roads pay. Railroads differ from other concerns in that a tribunal fixes their rates and forbids them to go any lurther, but who calls down the sugar or starch trusts when they put up their prices?"

## A DREAM THAT PANNED OUT.

#### A Man Who Escaped Arrest by Staying at Paddy McGraw's Sister Sees His Escape **Police** Headquarter Two Weeks Before It Occurred.

on his back."

colored and novelty Dress goods we have cut hundreds and hundreds of patterns, ample lengths to suit all sized ladies and all styles of dresses, and considering the conho28-MWF venience and the quick sales, we Co., can afford to make the prices by the piece very low. Thus customers are waited on without delay, and at the same time get much more than ordinary money's worth. These patterns range in price from \$2 50 ELEVATORS.

Remember, also, the great reductions in prices we have made on fine Combination dresses. The Monday, Dec. 1, 1890 best goods of the season reduced many dollars in price.

In the Cloak Department we have made large reductions in prices on Stockinette and other Black Jackets, including all the most popular materials and in the latest shapes and finish, also including Fur-Trimmed Jackets, the most fashionable and desirable. This reduction also takes in our entire line of colored novelty Jackets, braid and fur trimmed, some being the most stylish imported garments of the season.

And Long Coats now from \$5 up, with specially handsome garments from \$10 to higher grades.

Holiday Linens, suitable for Christmas presents, new and beautiful lines.

Swarms of buyers at the Holiday Goods Tables. Unique Pillows, scented with California Sweet Grass; little knick-knacks for gifts; these at the center table. Side tables with Celluloid Novelties, Celluloid Baskets, Fans and Leather Goods, Silver Novelties. Everything new and the best of its kind.
