terday, with the Master Workman, Hugh McLaughlin, in the chair. The meeting Only the Most Reliable and Durable at was called for the purpose of considering the wages ouestion. At the old and famous musical establish-

Since many of the manufacturers have returned to coal, it has been promiscuously are found none but the best and most stated that prices would advance very materially, and the miners felt that they would be justified in asking for a proportionate ad-vance in wages. The matter was thorough-Chicsgo-Cottage and Star on organs. The names alone are a guarantee of the great ly discussed at yesterday's meeting, and reports were received from a number of coal

excellence of these instruments, as such names in the piano and organ making world dealers on prices and the state of trade. It was thought best not to act hastily in the matter and accordingly a resolution was passed binding the members to present prices that are not absolutely perfect and without the slightes blemish, and built and calling for a special convention of all railroad and river miners to be held during the latter part of this month to settle the guession. Secretary Boyd said after the convention adjourned that they would watch prices prints closed to a super the great reputations they have gained for their pianos and prices prints closed to a super the great reputations they have gained for the pianos and prices prints closed to a super the great reputations they have gained for the pianos and prices prints closed to a super the great reputations they have gained for the pianos and prices prints closed to a super the great reputations they have gained for the pianos and prints of the pianos and prints closed to a super the great reputations to a super the pianos and prints of the pianos and pian prices pretty closely, as if there is to be an organs for the mere matter of a few dollars advance they want to get an equal share of the benefit with the operators.

A DISPATCH reporter talked with Mr. De Armitt, of the New York and Cleveland Coal Company, and he said there had not been an advance since the manufacturers have abandoned gas and he did not think there would be any. Present prices range from 6 to 614 and that is about where they have been all season.

## NO ADVANCE IN PRICES.

## The Baking Trust Directors Look at Each Other Around a Table.

The directors of the United States Baking The directors of the United States Baking Company held their regular monthly meet-will wear and retain its musical qualities is ing in the general offices in the Hamilton building yesterday. This is the combination building yesterday. This is the combination of bread and cracker men of which S. S. Marvin, of this city, is President. The Secretary stated at the Anderson last evening that only routine business was

evening that only routine business was transacted. Prices were not touched and he said there was no prospect of an advance, though that is one of the uncertainties of the tuture. Wheat manifests a disposition to remain stationary for the present. He added that the trade was very good

and all interested expected to co a good business during the holiday season, and others who ought to be wiser usually gorge themselves on the good things of life.

# NO TROUBLE IN CHICAGO.

Eight Hours Will be the Rule in the Windy City by the Lakes.

W. H. Kliver, President of the Brotherhood of Carpenters and Joiners of America, passed through the city yesterday. To-day, he says, arbitration committees of master builders and the Brotherhood will meet in Chicago and decide wages for next year. Eight hours has been conceded by the

Chicago builders, and Mr. Kliver feels confident the matter will be settled amicably so far as Chicago is concerned. He also pre-dicted success for the Pittsburg carpenters in case they demand eight hours.

# Electric Cars for Sharpsburg.

The Citizens' Traction Company has closed a contract for a complete equipment of electric car motors for the extension of will not be commenced until spring.

## No Change to be Made.

The report that the scale at the Edgar Thomson Steel Works is to be changed Jannary is denied by members of the firm. The change cannot take place without a 30-days' notice from either side, and no notice of this sort has been given.

### Among His Grandchildren

J. R. Dodds, editor of the daily and weekly Arbor State, of Wymore, Neb., says: "I have seen the magic effect of Chambe lain's Cough Remedy in cases of croup and colds among my grandchildren. We would not think of going to bed at night without a bottle of this remedy in the house. Chamberlain's medicines are growing more popu-

And bones in rosewood, cocon and ebony. ## Cabinet Novelties.

Onyx and brass cabinets, onyx tables fancy lamps, pocketbooks, tobacco boxes, match boxes, bon bons and a host of knick-knacks, just the things for Christmas pres-HENRY TERHEYDEN'S, ents, at 530 Smithfield street.

MOTHERS will find Mrs. Winslow's Soothing Syrup the best remedy for their childs

mind what I tell you, that is what is going to happen, just as sure as shooting. Lots of work is being done quietly, already, to that end, and all the signs of the times point to Nothing that is of second quality, nothing that is not first-class is used in the construction of these instruments, so that in buying that ultimate end. Booth & Flinn walked off with about \$65,000 worth of contracts one of these makes a mistake cannot be one of these makes a mistake cannot be mude, is they are built solid and of the greatest durability, to last and give good service, and having also the purest quality of tone, sweet and refined, but at the same over there the other night, which was de cidedly unusual. That is one pointer. Another is that some of the most influential time of great volume and sonorous carrying power. They are built for many years' use, and wealthy men in Pittsburg are investing large sums of money in street railroad sys-tems that practically belt both cities and make them one. Still another is that the nod not for a few years' use only, as some instruments are, made only to sell, and which become almost useless in a short line which was drawn and jealously guarded time so far as music is concerned. The de-

by ex-Congressman Bayne is slowly but surely being wiped out. All these and other things make it almost certain to my spparent to all, as well as that of getting it at an honest and reasonable price. The mind that the sister cities will pool their issues at no distant day."

GOING DEEPER AFTER GAS.

The Pressure Increasing as the Expositio sistent with thorough work manship in con-struction and the use of the finest material. Well Goes Down Further.
