CHRISTMAS CHARITY

Contributions l'ouring in to the Allegheny General Hospital.

A GOOD TURN DESERVING ANOTHER.

Holiday Parties Given for the Benefit of Juvenile Society.

A NUMBER OF OTHER ENTERTAIMENTS

One good turn deserves another. At least, that's what the ladies of the Allegheny General Hospital think, and they request their friends to continue sending in donations as liberally to-day and to-morrow as they did vesterday.

Mrs. Patterson and Mrs. Park were the receiving ladies yesterday, and the sum of \$200 cash and about \$250 in commodities passed through their hands during the day and were gracefully acknowledged by them. They will continue in the reception espacity to-day and to-morrow, and anything in the line of hospital supplies will be appreciated. Wine is especially welcome, as there are ever so many patients in the hospital requiring it.

There are about 60 more patients in the hospital now than there were at this time last year, and it is hoped by the ladies that this fact, if known, will inspire a continuation of the liberal donations

REVIVING A FORMER SUCCESS.

The Tuesday Night Club's Performance of Our Boys, To-Night.

"Our Boys" will be revived by the Tuesday Night Club at the Pittsburg Club Theater this evening. The play, it will be remembered, was given by the club four years ago with great success, and the recollections regarding at are of such a pleasant character that the prospect of witnessing it again has been conducive to no little pleas-urable anticipation.

The young ladies who will appear in the east are Misses Julia Morgan, Harriet Watson, Julia Harding and Clara Morgan. The gentlemen are Messrs. W. W. Lawrence, William N. Frew, William R. Blair, W. they c J. Patton and Joseph B. Shea. .

Industrial Exchange. Throngs of fair purchasers filled every corner of the not too extensive quarters of the Woman's Industrial Exchange, yesterday, and left orders for the most tantalizingle pretty things, that would require the services of a Philadelphia lawyer to determine the use for which they were intended. but the recipients on Christmas morning will rather enjoy the mystery that sur-rounds the beauty of design and finish. The ladies in attendance were wonderfully busy, with just time enough to say that their Christmas business exceeded anything

in the previous history of the Exchange. CHRISTMAS FOR THE POOR.

Good Work of the Society for the Improvement of the Destitute.

A whole wagonload of sacks fairly bulging with good things was received at the headquarters of the Society for the Improvement of the Poor yesterday. It was the first installment of the 800 empty sacks sent out by the society some days ago with a request for Christmas donations to be sent in from

December 22 to 24.

The number of sacks received vesterday augurs well for the storehouses of the soci-ety and for the happiness of the invalid poor during the holidays.

A PLEASING ENTERTAINMENT

Given Last Evening at the Wilkinsburg Academy Hall.

A pleasing entertainment was given in Wilkinsburg Academy Hall, last evening, and real comfort of these standard chairs under the direction of the principal, Prof. Vantine and the auspices of the faculty, Miss Edith Harris sang several pleasing selections, and Prof. Ed. C. Garber played upon the baujo, guitar and mandolin in his usual artistic manner.

J. A. Langfitt, Esq., delivered an address on "Commercial Law" that was instructive as well as interesting. There was a large

Interesting Entertainment at the Ste Ursule Convent Yesterday.

The pretty, cozy little chapel of Mont Ste. Ursule, Oakland, was filled vesterday afternoon with invited guests for the musical seance given by the pupils and students of the convent prior to the Christmas holidays. The programme was a delightful one, and the performers, without exception, acquitted themselves in the unexcelled manner for which the musical pupils of the convent are

A Delightful Suburban Reception. The beautiful suburban residence of Mrs. John Henderson Stewart, at Homewood, was the scene of a delightful reception vesterday afternoon. The hours were from 3 to 6, and the ladies who called were legion, as Mrs. Henderson has the faculty of making many friends and consequently has an extended visiting list.

Anxious to Get Into the High School. Armed with paper and pencil and a goodly amount of knowledge, the 630 pupils anxious for the High School next year, commenced their preliminary examination yesterday. Principal C. B. Wood is authority for the statement that it is the largest examination ever held in the city.

THE wedding of Miss Addie Haven Davis, daughter of City Controller John J. Davis, and Mr. George Alexander Simpson, which takes place this evening, will be a very pretty home affair.

BURNED BY MOLTEN IRON. Five Men Terribly Hurt at the New Jersey

Iron and Steel Works. TRENTON, N. J., Dec. 22 .- A borrible explosion occurred at the New Jersey Steel and Iron Works this afternoon, and five men were probably fatally injured. The men were injured by the explosion of a "cinder" or a mass of molten iron which had just been taken from the furnace at white heat. When the iron was taken from

the furnace the men were standing ready with buckets full of water to throw over it for the purpose of cooling it. This is done only upon the order of the man in charge of the furnace, who is the judge of the proper time for the use of the water.

To-day Michael Funda did not heed the orders of the furnaceman and threw the water too soon. No sooner had the water struck the molten mass than the hot iron exploded with a loud report and hunks of iron weighing hundreds of pounds flew in all directions about the rail mill where the turnace stood. The men were knocked down like so many sticks, and their clothing and flesh set on fire. The sight was

michael Funda had his eyes burned out and a large hole burned in his neek and body. George Lintall is also badly injured, the flesh in many parts of his body being burned off. Michael Cosla is so hortible humand at the humandarishle and her harmonically in the humandary in his hortible humandary. ribly burned as to be unrecognizable, and Michael Coperip has a gash in his abdomen and his physicians say he cannot recover. The fifth man is a German, and it is impossible to learn how badly he is injured. It is reported that several others were injured by the same explosion.

THE DIFFERENCE.

Crackers Fresh From the Oven Are the Only Kind to Eat.

Did you ever think what a difference there is in crackers? A stale cracker is just as much of an abowination as stale bread. Pittsburg people are great lovers of crackers, principally because they can get the best that are made in the country fresh from the ovens every day.

Pittsburg is one of the greatest cracker baking towns in the world. The mammoth Marvin establishment alone turns out almost enough to keep the entire population of half a dozen States eating 24 hours

And there is this about the Marvin goods. they can always be relied upon as being thoroughly pure and fresh. The great ovens are going constantly, and a score or ovens are going constantly, and a score or more of wagons are busy from morning till night delivering the crackers to grocers in the two cities. Of course, Pittsburg can consume only a small portion of the product of the factory. The rest is shipped to al-most every State in the Union, for the fame of Marvin's crackers is not merely local. Everybody from Maine to California has heard of them, and everybody who knows a good cracker when he sees it wants to get them. If you don't already use Marvin's crackers, order some from your grocer. If you try them once you will never want any

Then there's bread, Palace bread. Have you tried it? If you haven't, you ought to, It's just about the finest thing in this line in the market. Marvin's breads are baked fresh every day. An army of wagons de-livers them to the city trade and express trains carry them to towns within reach all over the western part of the State.

Ask your grocers for Marvin's Palace bread and see if it isn't just about the niceest thing you ever tasted.
